Chapter 949 Visiting the Amusement Park

“How beautiful!” Jesse jumped up and down ecstatically. “Mr. Graham really brought us here to play!”

Jasper was also delighted, his eyes riveted on the bright lights of the amusement park. Unblinkingly, Tim exclaimed, “I’ve seen this on television.”

Arissa and Benjamin were overwhelmed with anguish when they heard that. Arissa stroked his head. “We’ll come here often to have fun in the future.”

“Yay!” Tim grinned from ear to ear. Turning around, Gavin said to him, “It’s even more beautiful inside, Tim. Let’s go in!”

Then he proceeded to take his younger brother’s hand. “Sure!” In seventh heaven, Tim bobbed his head and reached out to grasp Zachary’s hand.

Zachary glanced at his two brothers before clutching Oliver’s hand.

“Let’s all hold hands. There are many people inside. Otherwise, we’ll easily get lost.”

Oliver quickly grabbed Jasper’s hand, whereas Jasper seized hold of Jesse’s hand.

Hand in hand, all six of the siblings gazed up at Arissa and Benjamin with eagerness written all over their faces.

“Mommy, Mr. Graham, let’s go in!”

“Okay!”
