

# Chapter 107: My Genes Evolve Infinitely

## SOLICITATION, INHUMANITY

Origin time, seven days later.

Lu Yuan and Amy are running in the forest.

At this moment, the two of them saw that the light in front became much brighter.

Lu Yuan's eyes lit up, looking at the bright light among the trees in the distance, and smiled:

‘It should be outside the foggy forest.’

Amy also showed a pleasant surprise:

‘I'm finally going out, my lady is exhausted!’

Lu Yuan glanced at Amy speechlessly.

Like Ye Ye, this guy brought his traveler's cabin.

Tired fart.

Like him, he lives in small tents.

Soon, their eyes widened, and the scenery in front was no longer a dark forest of trees, but a plain.

The plains are endless, and there is a huge city in the sky.

‘It's Tianluo City! Finally arrived! Yeah!’

Amy cheered.

Lu Yuan looked at the huge city that could not be seen at a glance, a hint of wonder flashed in his eyes.

‘It's really big, much bigger than Sandstone City.’

Amy is a little proud:

‘Of course, Tianluo City has a radius of hundreds of kilometers.’

She started a little eagerly and said:

‘Go fast, go back to Tian Luocheng, Miss Ben will take you to see my mother. She also said that she wants to repay you.’

Lu Yuan was taken aback:

‘your mom?’

Amy’s mother, isn’t that a member of the Algabe family?

I didn’t expect to even want to see him.

‘Yeah, my mother said she wanted you to join us in Tianluocheng, what do you think? Would you like it?’

Amy looked expectantly at Lu Yuan.

‘Join Tianluo City? What do you mean?’

‘It means to enter the law enforcement team, or the Tianluo army, or the Tianluo adventure team. Generally there are very rich remunerations.’

Amy’s hands on hips are a little proud:

‘Just like this lady, when that time comes, we will lead a powerful adventure team and find all kinds of treasures!’

Amy’s big purple eyes are full of expectation, and the smile on her face is very bright, as if she has seen the picture of finding various treasures.

Lu Yuan heard Amy’s explanation and suddenly shook his head:

‘Even if you join Tianluo City, I still like someone.’

Amy was taken aback:

‘Don’t you want to join Tianluo City? This young lady originally wanted you to join my adventure team. Your strength is good. Then this young lady will appoint you as a team leader, how about?’

In the past few days, Amy has seen Lu Yuan’s strength.

is indeed very powerful.

Lu Yuan smiled and shook his head:

‘Forget it.’

If you really want to join any forces, Lu Yuan could already join the Li family’s forces before.

With Li Qinghe here, isn’t he more relaxed?

He still hopes to move by himself and be more free.

At least it is now.

‘Oh...’

Amy is a little lost.

Lu Yuan couldn’t help his mouth twitching when he saw Amy.

Amy is too cute, and this loss of look makes people feel distressed.

He helplessly said:

‘If you need any help then, you can tell me.’

‘Really? That’s fine!’

Amy’s eyes lit up and nodded with a smile.

‘Okay, let’s go. Let’s go to Tianluocheng.’

The two accelerated their speed and ran towards Tianluo City.

Because the plain was near Tianluo City, the surrounding fierce beasts were basically killed by the genetic warriors who came out of Tianluo City.

didn't even encounter a fierce beast along the way, just over half an hour, they ran to Tianluo City.

Looking at Tianluo City from a distance, I think Tianluo City is very big.

After approaching, Lu Yuan was even more shocked.

Just the city wall is hundreds of meters high, which is terrifying.

Standing on the city wall, people can clearly feel their smallness.

As for the city gate, the height is more than 100 meters, and the width is about the same as the height.

There is a group of soldiers wearing standard genetic weapons stationed outside the door.

There are also two genetic warriors collecting entrance fees.

is different from Sand Rock City, it is the initial city, and there is no entrance fee to enter the city.

Except for the initial city, all other cities require an entrance fee to enter the city.

Tianluocheng is naturally no exception.

There are still some people queuing outside the city gate.

Amy said, 'Go, come with me.'

As she walked forward, Lu Yuan saw this and followed.

The genetic warriors who were queuing saw Lu Yuan and Amy walk directly towards the warriors who defended the city. They were all stunned, showing a curious look.

Several city guards also watched.

A small team leader led by frowned and said:

'You two, wait in line. You can't jump in.'

Amy took out a purple jade plaque and said:

'Does my lady want to line up?'

Seeing the jade card, several defenders were taken aback, their eyes widened.

They hurriedly bowed and said:

‘Miss Amy! You are here! Lord Lingling is already waiting for you in the city.’

Amy smiled triumphantly at Lu Yuan and said:

‘Go, go in.’

The two walked into the city gate.

The genetic warriors who were queuing saw this scene with a stunned expression.

‘What are the identities of those two people?’

‘Listen to the little girl Miss Amy from the soldiers of the city? Is she a member of the Tianluo Zhandi family?’

‘Hi... Didn’t expect it to be the little princess of Emperor Zhan?’

‘Who is that man? I’m afraid that I am not in a low status with the little princess of the Zhan Emperor family?’

‘It’s so nice...you don’t have to line up.’

‘...’

Everyone talked a lot, and after Lu Yuan and Amy entered the city, they saw a beautiful woman in a purple robe waiting.

Amy saw the woman, her eyes lit up, and she rushed to hug her:

‘Lingling! I finally arrived in Tianluo City!’

Wang Lingling smiled and rubbed Amy’s head:

‘Well, the lady is amazing!’

Then she raised her head to look at Lu Yuan, with a gentle smile:

‘Your Excellency is Mr. Lei Fenglei, right?’

Leifeng?

Lu Yuan was taken aback, and then thought of the name that he had fudged...cough, and Amy casually said.

‘I am.’

Lu Yuan felt a little embarrassed.

Wang Lingling saw Lu Yuan’s expression, and a gleam of light flashed in his eyes.

She smiled and said:

‘Thanks to Mr. Lei for saving the lady before. The Algabe family is grateful for this. Master Gwen wants to thank you personally. I wonder if Mr. Lei would like to meet Master Gwen with us?’

Amy turned her head and looked at Lu Yuan:

‘Lei Feng, come with me to meet my mother.’

Lu Yuan thought for a while, nodded and said, ‘Okay.’

This is Tianluo City, and Amy is regarded as the princess here. It does no harm to Lu Yuan to meet Amy’s mother.

After all, people are social animals, with multiple friends and multiple paths.

Maybe I really need help in the future.

Wang Lingling smiled: ‘Then please follow me.’

Wang Lingling took Amy’s hand and walked to a carriage parked on the side.

In front of the carriage, there are four blood-red, horse-shaped fierce beasts pulling the carriage with one horn.

Lu Yuan glanced at the fierce beast, a trace of envy flashed in his eyes.

He doesn’t even have a mount until now, but he didn’t expect that he would use it to pull the cart.

Walking to the carriage, a middle-aged coachman opened the door, the three of them walked into the carriage, and the coachman drove into the city.

In the carriage, Wang Lingling and Amy were sitting on one side, and Lu Yuan was sitting across from them.

Wang Lingling looked at Lu Yuan and smiled:

‘I don’t know which country Mr. Lei is from?’

‘Red Maple Empire.’

‘It turned out to be a member of the Red Maple Empire. Our Lion Empire is adjacent to the Red Maple Empire. Maybe we will have the opportunity to meet in reality in the future.’

Wang Lingling smiled.

Amy said:

‘The last time this lady went to the Red Maple Empire with my mother, I wandered around in the Imperial Capital, and no one played with me. It was so boring.’

Lu Yuan smiled:

‘Then next time Amy, you come to Red Maple, just let me know and I will take you to play.’

‘Really! That’s it!’

Wang Lingling smiled and said, ‘Mr. Lei is here for the first time. There shouldn’t be any Baiyunzhou Communication Crystal, right?’

‘I really haven’t bought it yet.’

‘I have two blank crystals here, I will give one to Mr. Lei.’

Lu Yuan was taken aback: ‘Why is this so embarrassing?’

Wang Lingling smiled and blinked:

‘If there is no communication crystal, it would be a little troublesome to contact Mr. Lei after all, wouldn’t it?’

Lu Yuan thought about it, and thought it made sense.

He planned to buy one anyway.

he smiled and said:

‘If that’s the case, then I’m not welcome.’

Wang Lingling took out a communication crystal and handed it to Lu Yuan.

The other piece was handed to Amy.

Lu Yuan looked in his eyes and glanced at Wang Lingling, thinking that these two communication crystals were probably originally prepared for him and Amy.

After all, Wang Lingling had known before that he and Amy had come together.

Lu Yuan sticks the war pattern on the communication crystal.

A white light flashed on the originally transparent communication crystal, and then disappeared.

The binding is successful, and the communication crystal will be his.

And Amy also happily bound her communication crystal.

‘Come on, Lei Feng, let’s change the contact information.’

Lu Yuan and Amy exchanged contact information, and Wang Lingling also smiled and exchanged with Lu Yuan.

These are the only two contacts of Lu Yuan.

After , the three of them chatted freely, and soon the carriage stopped.

The car door opened, and the coachman said:

‘Miss, Lord Lingling, Mr. Lei, we are here.’

The three got out of the car, and Lu Yuan found himself in front of a huge mansion.

The gate of this mansion is more than ten meters wide, with the words Tianluo Mansion carved on it.

There were several genetic warriors standing guard at the door. After seeing Wang Lingling and Amy, they all bowed and saluted.

‘Miss, Lord Lingling.’

Several people also glanced at Lu Yuan with some curiosity.

Lu Yuan didn’t care, and followed Wang Lingling into the mansion.

Then Wang Lingling brought Lu Yuan to a living room, and she smiled and said:

‘Master Gwen is already waiting inside, Mr. Lei, follow me in.’

Wang Lingling opened the door, and Amy ran in, Lu Yuan followed Amy.

Soon, he saw a beautiful woman sitting on the chair in the room who looked a little similar to Amy.

She must be Gwen Algaby.

But since it is a mother and daughter, why is there such a big gap?

Lu Yuan glanced at Gwen, who was much more mature than Amy, and then at the tablet Amy, his face was a little weird.

‘Mom! I’m here!’

Amy ran to Gwen.

Gwen smiled and rubbed Amy’s head, and looked up at Lu Yuan.

is very handsome.

This is Gwen’s first impression of Lu Yuan.

According to Amy’s description, he is also very strong, and he can see the whole picture of the mirage.

This is probably a rare genius.

‘You are Lei Feng, right?’

‘Hello, Lord Gwen.’

Lu Yuan nodded.

‘I heard about you from Amy. You are very strong and talented. Would you like to join us in Tianluo City. Our Tianluo City is divided into law enforcement team, Tianluo army and Tianluo adventure team, three You can choose any department at will. As long as you join, you can get a salary of 100,000 Tier 1 Lingjing every month. If you break through to Tier 2, the salary will be 100,000 Tier 2 Lingjing. In addition, if you Excellent performance, there are other bonuses and rewards.’

Lu Yuan was taken aback, surprised.

Amy also told him before to let him join Tianluo City.

But I didn’t expect Gwen to give such a good treatment.

100,000 spiritual crystals, calculated in 30 days, there are also three thousand spiritual crystals every day.

This is not a small number.

The average Tier 1 genetic warrior may only earn a few thousand in a month. Even the elite warrior can earn more than 10,000.

The gene warrior who burns the boss’s genes may not earn three thousand spiritual crystals every day, right ?

This is just a basic salary, good performance, and rewards.

This condition should be considered quite generous.

However, this is only for ordinary genetic warriors.

For Lu Yuan, he has strong defenses, unlimited spiritual power, and he can heal by himself. It is relatively low to obtain spiritual crystals. This spiritual crystal is not very attractive to him.

He smiled and shook his head:

‘Sorry, Lord Gwen, I don’t like to be restrained, I prefer to be free.’

Hearing Lu Yuan’s words, a trace of regret flashed in Gwen’s eyes.

‘In this case, forget it. If you want to join Tianluo City in the future, you can come to me at any time. My conditions are always valid.’

Lu Yuan is a genius, and he can see the whole picture of the mirage. If he can, Gwen really hopes that Lu Yuan can join Tianluo City.

But Lu Yuan was unwilling, and UU reading [www.uukanshu.com](http://www.uukanshu.com) Gwen would not force it.

Lu Yuan looked at the enthusiastic Gwen, with some doubts in his heart.

Although his strength is quite strong, is Gwen so optimistic about him?

‘Thank you Master Gwen, I will consider it.’

Gwen smiled and said:

‘I heard Amy say that you saved her once, and our Algabe family has always been grudges and grievances. You take this bearer card, which contains 300,000 first-order spirit crystals. This is a little bit of our heart.’

Lu Yuan: ‘...’

Good fellow, is this the Zhan Emperor family?

is really rich.

All of a sudden, he solicited 100,000 a month, and all of a sudden, it was 300,000 again.

is so inhumane!

To be honest, he actually wanted to take it. After all, he has been practicing for the past few days and has consumed almost all the spirit crystals.

After coming in this time, only a few thousand first-order spirit crystals were harvested on the road in the misty forest.

These 300,000 first-order spirit crystals are too fragrant.

You know, this is converted into a zero-order spirit crystal, but there are 3 million!

Lu Yuan has never seen so much money in his life.

However, Lu Yuan still shook his head and smiled:

‘Master Gwen, I saved Amy because I didn’t want the same race to be besieged and bullied by a foreign race. This is what I should do. I didn’t know that Amy was the eldest of the Algabe family. I didn’t want to return it. So you don’t need to give me these.’
