

Chapter 122:[My Genes Evolve Infinitely](#)

MOVED HIS ROYAL HIGHNESS, 4 CORNERSTONES

Outside the mechanical forest alley.

Five tall Kamans stand outside the complicated alley, quietly watching this area.

Headed by is a Kaman who is nearly four meters tall and wears a white armor.

Next to him is a purple-gold sword that is more than three meters long.

On either side of him, there were two Kamans standing on each side.

The Kaman headed by had a cold face and slowly said:

‘How long will it take to end?’

On the side of , a Kaman holding a purple scepter and wearing a robes heard the words and said:

‘Your Majesty, there are only eleven mice left in it. It shouldn’t be long before. Our people are already shrinking the search range.’

The tall Kaman nodded, with a hint of coldness on his face:

‘Although the resources stolen by these little mice are only a small part of it, it is the things of your Highness. If your Highness does not give it, who dares to take it secretly? If you want to take it, then take your life in exchange.’

At this moment, the scepter Kaman beside him had a meal, glanced at the communication crystal, and said:

‘His Royal Highness, killed two more, two kobolds.’

‘Um.’

The tall Kaman nodded without speaking.

In a complex alley.

Lin Xixi’s faces became paler, sweating constantly on their foreheads, and their physical exertion was severe.

The black-haired girl has a bitter face:

‘The number of encounters with the chaser is increasing. The range we can hide is not much. If this continues, we will definitely not be able to escape.’

Lin Xixi carried Alice on her back, with a hint of coldness on her face:

‘The big deal is fighting with them! If we work hard, we can still kill them one or two teams!’

Upon hearing this, the black-haired girl muttered: ‘I don’t want to die yet...’

Seeing Lin Xixi’s dissatisfied eyes, she quickly spoke:

‘Of course, at that stage, then I must be desperate!’

As soon as she finished speaking, a voice came from behind:

‘The prey was found! There! Three humans!’

Lin Xixi’s expressions changed, and they turned to see the four Kaman warriors staring at them in surprise.

‘Oops!’

Lin Xixi gritted her teeth, and the long bow in her hand emerged, and a line of white arrows condensed on the bowstring.

She draws a bow and shoots arrows. The white arrow turned into a stream of light and shot towards the Kaman at the front of the alley.

The face of the Kaman in the front changed, and the sword in his hand slashed towards the white arrow.

Boom! !

The Karman's body flew out, spouting a mouthful of blood, and blocked the other three paths.

‘go!’

Lin Xixi and the three went into other alleys again.

‘Damn! Chase!’

The expressions of the other three Kamans changed. They crossed the fallen Kaman with a knife and continued to chase Lin Xixi.

Feeling the breath behind them, the three of Lin Xixi's expressions are ugly, they squeezed their little physical strength, and quickly walked through the alleys, trying to get rid of the chasing soldiers behind.

The corners of the black-haired girl's mouth twitched:

‘It looks like it's really going to be desperate.’

At this moment, a huge shout suddenly sounded.

‘Lin Xixi! Where are you?’

Hearing this voice, the three of Lin Xixi were taken aback.

The black-haired girl had a strange face, and the corners of her mouth twitched.

‘...This voice? Is it Lei Feng?’

Lin Xixi is also a bit deceptive:

‘Okay, it seems to be?!’

In the whole area, not only Lin Xixi and the others, but other genetic warriors being hunted down, a group of Kamans, and even a few strong Kamans in the outside area heard this voice.

Everyone looked stunned.

Outside the alley, the five Kaman warriors looked ugly after hearing the sound.

The tall Kaman headed by has a cold and murderous look on the gray stone-patterned face:

‘Who? How dare to be so presumptuous in front of the main hall?’

He raised his head and looked in the direction of the sound.

On this tall steel building, a black figure is quickly approaching, jumping on the rooftop of the high-rise building.

Lu Yuan is actually very helpless.

He has Lin Xixi’s position, but that is just a rough position given to him by Amy.

Specifically where they are currently, he doesn’t know.

Who knows that this area is so complicated, densely packed with high-rise steel buildings, and intricate alleys, when should he find him ?

In desperation, Lu Yuan could only call someone in the air.

After shouted, Lu Yuan waited for a meeting, but no one answered.

He frowned slightly.

Has it gone somewhere else ?

Still killed ?

On the rooftop, he also saw a lot of Kamans in the alleys below that seemed to be hunting down other genetic warriors inside.

He thought about it, and thought he could shout again, maybe they just didn't hear it ?

Lu Yuan took a deep breath and shouted:

'Lin Xixi! If you are there, just scream! I'm here to save you!'

'Who?! How dare to be so rude in front of the Yangqian Hall?!'

Lu Yuan's voice had not yet finished, and there was a roar.

On the edge of the high platform where he was, two figures suddenly rushed out.

Two Kamans landed on the ground, one holding a huge war knife and the other holding a long bow.

They looked at Lu Yuan with cold expressions, their breath surged.

Lu Yuan was taken aback.

‘Move your Highness up? Who is that? What does it matter to me?’

Hearing what Lu Yuan said, the two Kamans became more and more angry.

‘Bold!’

‘Looking for death!’

The two of them stopped talking. The Kaman holding a battle sword surged with spiritual power and rushed towards Luyuan. The Kaman holding a longbow also opened the longbow, and two arrows appeared on the longbow. Aimed at the edge of the land and fired.

Lu Yuan felt the breath of the two and raised his eyebrows slightly.

is almost the strength of a low-level boss.

His body disappeared in place, and he directly kicked the Kaman with the knife in the chest.

The Kaman holding the knife had a sunken chest, and his body flew out backwards, crashing into the Kaman holding the bow.

The Kaman with a bow widened his eyes: ‘???’

He quickly closed his bow to take over the Kaman with the sword.

However, as soon as his hands touched the Kaman with the knife, his face changed.

His arm snapped, spouting blood.

The next moment, his body was knocked into flight along with the Kaman with a knife.

The two directly flew out of the rooftop and went down.

Lu Yuan didn't care about the two Kamans, but looked around.

Then why doesn't Lin Xixi reply?

really dead?

Just then, a white arrow of light rose into the sky and exploded in the air.

Lu Yuan saw the white arrow, his eyes lit up slightly, and ran in the direction of the arrow.

.....

The five Kaman strongmen in the distance saw this scene on the rooftop.

Only Yang Qian's face was calm, the others frowned slightly, their faces solemn.

A Kaman carrying a battle axe said:

'Belo and Bailey both have the strength of low-level bosses, they were defeated by one kick?'

A Kaman holding a long knife showed a fiery fighting spirit, and looked at Lu Yuan in the distance: 'This guy is so strong! I kind of want to fight him.'

At this moment, Yang Qian faintly spoke:

'Belo is probably dead.'

Hearing this, the others' eyes widened, and there was a hint of shock in their eyes.

The Kaman holding a black long knife exclaimed:

‘Dead?! Kill Belo with one kick?!’

You know, even the four of them can’t do this.

Although their strength is already very strong.

Yangqian glanced at the Kaman with the purple scepter beside him:

‘Yang Nan, is there any information about this human in the data?’

Yang Nan looked at Lu Yuan in the distance, frowned, and shook his head solemnly:

‘My lord, there is no news about him. According to our information, the most powerful male genius this time should be the heir of Extreme Fire Fighting Emperor Huo Tianhua. However, Huo Tianhua is an elemental element, not this person.’

Yangqian was silent, and said faintly:

‘Liu Yu, Nora, you two will try him. It’s best to recruit me under my command. If he is acquainted, let him go.’

Hearing this, the Kaman holding a black long knife and carrying a battle axe looked at each other, knowing that his Royal Highness had a love for talent.

‘Yes!’

Liuyu and Nora, the two Kamans, turned into streamers, jumped onto the tall building a few times, and then leaped in the direction of Landing Yuan.

.....

Lu Yuan was running towards the arrow direction, suddenly two powerful breaths approached from the left.

Lu Yuan's pupils shrank slightly and looked to the left.

Two afterimages quickly approached, and finally fell in front of Lu Yuan.

Lu Yuan narrowed his eyes slightly when looking at the two Kamans who were more than three meters tall.

The aura of these two Kamans was stronger than that of the mechanical warrior Lu Yuan had encountered before.

is almost the ultimate strength of the first-order boss fighter, right?

Such a strong person, there are actually two here?

While Lu Yuan was looking at the two Kamans, the two Kamans were also looking at Lu Yuan.

Liu Yu, holding a long knife, said lightly:

‘Human, I am Liuyu, one of the four cornerstones of His Royal Highness the Sixth Prince of the Ziyun Empire. Give me your name.’

Lu Yuan frowned slightly looking at Liu Yu:

‘I don't care who you are, you are blocking my way.’

‘Huh? Do you know who you are talking to?’

Liuyu narrowed his eyes, and a trace of anger flashed in his eyes.

Nora, who was carrying a battle axe beside , also showed a smirk:

‘Human, it seems that you don’t know what politeness is... you need us to teach you well.’

He took off the battle axe behind him, his whole body surged.

Liuyu is also surging in spiritual power, looking at the landing edge, he faintly said:

‘Human, you should be fortunate that His Highness Yang Qian has taken a fancy to your talents, and we will not kill you.’

Lu Yuan: ‘...’

He looked at the two surging Kamans, a little speechless.

This is a bit pretending, brother.

I am not as capable as you guys!

I don’t allow anyone who is more pretending than me to exist!

Lu Yuan squeezed the Dark Red Blade firmly, and stamped his feet on the ground.

Boom!

A roar sounded, and Lu Yuan instantly turned into an afterimage and disappeared in place.

Lu Yuan’s body appeared beside Liu Yu, Hei Gangjin exploded with all his strength, and the Dark Red Blade slashed towards Liu Yu’s neck with a fierce sword wind.

When facing the mechanical warrior, Lu Yuan didn’t use Heigangjin.

Mainly because Lu Yuan was not in a hurry at the time, it is different now, and there are three other guys waiting for him to save people.

In addition, these two Kamans are a bit pretending, Lu Yuan doesn't plan to keep his hands.

The sharp sword wind blew Liu Yu's face, making him feel a sting.

His pupils shrank violently, with a hint of horror.

How can he be so strong? !

He actually had the feeling of facing His Highness Yang Qian.

He roared, raised his long sword, and faced Lu Yuan's epee.

锵!

The symphony of gold and iron sounded.

Liuyu's body flew upside down, the long knife in his hand flew away, and the whole person flew towards the outside of the high-rise rooftop.

Nora on the side of slightly widened her eyes, and looked at Lu Yuan with a blow to Fei Liuyu in disbelief.

Before he had time to think about it, he appeared directly behind Liu Yu, and received Liu Yu with both hands.

Boom!

Nora snorted, her face turned pale, and she felt the power of terror coming from Liuyushen.

His steps back and forth again and again.

‘what!!’

Nora roared hard, retreated more than 20 meters, and retreated to the edge of the roof before stopping.

Liuyu also fell to the ground at this moment, and his hands trembled violently and dropped down.

There was blood constantly overflowing from the corner of his mouth, and he was panting again and again like Nora. The two looked at Lu Yuan with a little surprise, with shocked eyes in their eyes.

They had no idea that Lu Yuan’s strength would be so powerful.

Lu Yuan also raised his eyebrows unexpectedly.

He has burned a boss gene and a boss gene, and they have been tempered to the consummation level.

Coupled with the explosion of Heigangjin, his power can be said to be at the leader level.

I didn’t expect Liu Yu to die under one blow ?

Something.

He took a deep look at Liuyu and Nora.

These two guys are not the boss, but a subordinate named Yang Qian ?

Even his subordinates are so strong, I am afraid that the move is not weak.

Lu Yuan felt a little heavy.

Although he is confident of his own strength, his goal is not to fight with people.

He was saved.

If that move is very strong, he may not be able to take care of the three of Lin Xixi.

Lu Yuan retracted his gaze, turned his body into an afterimage, and moved towards the direction where the arrow shot.

Liuyu and Nora watched Luyuan leave, but they had no idea of chasing after them.

Watching Lu Yuan jump off the top of the building, the two looked at each other, both eyes were shocked.

‘How to do?’

Nora has an ugly face.

Liuyu’s mouth twitched, and he glanced down at the arm he couldn’t lift:

‘My hand broke. Just the blow.’

‘what?’

Nora’s face changed drastically, UU reading [www. uukanshu. Com](http://www.uukanshu.com) glanced at Liu Yu’s arm:

‘Break your arms with one blow?!’

But Nora thought of the terrifying power before, but her heart calmed down.

Even he just wanted to stop Liuyu from feeling such a strong force, it is conceivable how strong Liuyu can bear.

It’s good luck not to die.

Liuyu said in disbelief:

‘When facing that human being, I felt like facing your Highness.’

Nora’s pupils shrank and fell silent.

He turned his head and looked in the direction of Yang Qian: ‘I wonder if your Royal Highness will make a move?’

.....

After Lin Xixi shot the arrow, an expression of anxiety appeared on her face.

The face of the black-haired girl is also constantly changing:

‘We have exposed our position now, I am afraid the chasing soldiers will come soon. There is no way out.’

Alice paled and said: ‘We have no future, and now we can only expect Lei Feng to be so strong with Miss.’

Lin Xixi gritted her teeth and nodded:

‘Well, we have to wait for Lei Feng to come over now.’

When the three of them were talking, an afterimage suddenly appeared in front of them.

Lu Yuan looked at the three young girls with blood all over and weak aura, somewhat puzzled:

‘Waiting for me?’
