

Chapter 219: My Genes Evolve Infinitely

YEMEI' S TEA PARTY, ALTERNATIVE COMPANION

Hot recommendation:

‘Then what to do?’

Another elf boy looked at Malz Lodge.

‘As long as a challenger applies for a challenge, being a genius on the Tianjiao list cannot be rejected.’

Malz’s expression was a little helpless.

He gritted his teeth and said: ‘I can’t beat it anyway, let’s end it soon.’

Malz Lodge had given up struggling, he directly agreed, and he didn’t bother to delay time.

As Malz chose to agree to the challenge, his body turned into a cloud of white light and disappeared in place.

The other elves in the squad have been quite familiar with this scene.

After all, they all know that as long as it is a battle on the Tianjiao list, it will be pulled by the will of the Origin to the Baiyun City arena. After the fight, no matter if it is won or lost, it will definitely come back.

Several elves looked at each other.

The girl who admired Malz prayed silently:

‘Hope Malz can win.’

The others did not answer.

Even Malz herself didn’t have much confidence, and she was the only one who had confidence.

‘Let’s wait here, it shouldn’t be long.’

‘Um.’

.....

Baiyun City, the central square.

The roar of challenge sounded.

The Tianjiao ring appeared on the square, and Lu Yuan's body appeared on the side of the ring.

On the other side, Malz Lodge also appeared immediately.

The magnificent voice sounded:

'Tianjiao challenge will begin in five seconds.'

Marz Lodge looked at Lu Yuan with a wry smile on his face:

'I didn't expect to bump into you again.'

Lu Yuan was taken aback when he saw this elf, then remembered that this guy seemed to have challenged him before?

Lu Yuan smiled and said:

'So it's you? I didn't expect you to have rushed to the 93rd place, not bad.'

Lu Yuan is always cultivating, and his attention to the Tianjiao Ranking is only limited to Ye Ye and the first few.

Lu Yuan didn't know about the lower rankings.

He also didn't expect that the elf warrior who had challenged him before turned out to be 93 now.

He smiled: 'We are pretty destined.'

Malz Lodge: '...'

The corners of his mouth twitched, and Malz Lodge didn't want such fate if he could.

This is obviously evil fate.

Marz Lodge is a long-range warrior wearing leather armor and holding a long bow.

He didn't say much any more, taking advantage of the last two seconds of preparation time, his body retreated back and retreated to a position not far from the edge of the ring.

But even so, Malz Lodge had no bottom in his heart. After all, he knew that Lu Yuan possessed space combat skills, and his life-saving combat skills were acceleration-type combat skills, and there was nothing wrong with moving in space.

Even so, as a Tianjiao on the Tianjiao list, it is definitely impossible to surrender without a fight.

Even if you are struggling, you must struggle hard.

As the preparation time ended, the invisible barrier between the two disappeared.

Lu Yuan's body disappeared as soon as the barrier disappeared.

Malz Rocky almost didn't even think about it, his body flashed with cyan light, his body turned into an afterimage, and he burst out at a very fast speed, rushing forward.

At this moment, Lu Yuan's body emerged from his side.

Malz Rocky's pupils shrank, and there was no time to do other actions, the sword light flashed by, and his consciousness plunged into darkness.

Before his consciousness fell into darkness, Malz Roach felt a bit bitter in his heart, feeling that Lu Yuan's strength was stronger than when he was challenged last time.

Obviously, they are already strong and outrageous, and they have become stronger so fast. Does this make it impossible for people to live?

Malz Lodge couldn't help feeling a little frustrated.

After defeating Marz Lodge, Lu Yuan didn't feel happy. After all, this elven warrior was not even a natural king, and maybe he was a natural leader or a natural lord.

The strength is probably slightly stronger than that of Si Tingxue.

Lu Yuan's abuse of Si Tingxue is already very used to abuse, and naturally he has no feelings about this Malz.

The challenge is over and the Tianjiao arena disappears.

Lu Yuan's body returned to its original position.

At the same time, the ranking on the Tianjiao list has changed.

Lu Yuan's ranking rose to 93rd, while Marz Lodge's ranking dropped to 98th, swapping each other.

If Malz Lodge wants to improve again, he needs to continue to challenge.

After the ranking change, the reward information emerged in Lu Yuan's mind.

For the first time, he rushed to the 93rd place. Lu Yuan obtained 20 purple heart fruits and 10 fourth-order rough stones.

The purple heart fruit also had rewards when it rushed to the list every night. It was a fourth-order spiritual fruit that contained a lot of spiritual power, used for cultivation.

The spiritual power contained in a purple heart fruit is equivalent to one hundred thousand fourth-order spiritual crystals.

Generally, if twenty purple heart fruits go down, even if they are the king's genes, they can be tempered partly. After all, one hundred thousand fourth-order spirit crystals are equivalent to ten thousand fifth-order spirit crystals, and twenty are 200,000, which is generally slightly weaker. It takes hundreds of thousands or even less than a million fifth-order spirit crystals for the supernatural gene of the king to complete the refinement.

For Tianjiao who is only a war-sage class, this reward can be said to be extremely rich.

But for Lu Yuan, these two hundred thousand fifth-order spirit crystals are really a little less, and only twenty thousand are replaced by sixth-order spirit crystals, which can't bring him much imperial grade gene temperament at all.

It can only be said that Lu Yuan's current supernatural genetic quality surpassed that of Zhan Zun by a lot.

This is also impossible.

Lu Yuan planned to sell the purple heart fruit.

Hmm... it's cheaper to sell it to Si Tingxue, Rebecca and Amy.

This thing still has a strong effect on them.

After all, according to the user's personal experience, the absorption efficiency of the purple heart fruit is hundreds of times higher than that of the fourth-order spirit crystal, and it is an extremely precious treasure of genius.

Although the purple heart fruit is not very useful to Lu Yuan, the fourth-order rough stone is quite useful to Lu Yuan.

He has now accumulated twenty Tier 4 rough stones.

But he felt that it might not be enough.

Anyway, he can continue to challenge, but he is not in a hurry.

As for the benefits of the ranking of Tianjiao, there is no change in the 93rd and 98th places.

According to the experience before Ye Ye, there will be a certain welfare change for every ten people.

After the challenge, Ye Ye, who often discussed with Lu Yuan, knew the strength of Lu Yuan best, and was not surprised. This was Lu Yuan's normal performance.

Xiaobai next to him also watched Ye Ye and Lu Yuan's exchanges from time to time, and of course he was not surprised.

The other people in the square were also very plain about Lu Yuan's ability to easily defeat Malz, but they were surprised that Lu Yuan's current attack seemed to be a little bit more aggressive than before.

Therefore, they are even more looking forward to what ranking Lu Yuan will eventually achieve.

'continue or not?'

Look at Lu Yuan every night.

Lu Yuan nodded: 'Yeah.'

If you lose the challenge, then you can't continue to challenge you for the time you stay in Origin Land this time.

If he wins, then Lu Yuan can continue to choose to apply for the challenge.

Lu Yuan continued to apply, and his goal was naturally the 88th place.

It was a night charm, named Shazhi Roxani.

As one of the top races in the Baiyun Star Territory, Ye Mei has a full five people on the list of Tianjiao.

The highest is Anastasia, who is ranked second, which is terrifying.

This is the power of the top race.

Lu Yuan contacted Xia Zhiluoaxani through the genetic war pattern and applied for a challenge.

.....

Dark Night City, one of the large cities in the place of origin.

In one of the luxurious courtyards, the beautiful-looking Saki Roxani is holding a tea party.

Those who can come to the tea party are all geniuses of all races, and there are several on the Tianjiao list.

The tea party is just for chatting, exchanging feelings, and does not involve fighting.

Of course, except for part of Yemei's tea parties, most of the other races attended the tea party, with very few women.

Male Tianjiao of almost all races in the Baiyun Star Territory is proud to marry a Yemei woman.

For Yemei women, this kind of tea party also has a similar understanding of male geniuses of various races, and the meaning of choosing a partner is in it.

This is the tradition of Ye Mei. They will choose a strong partner that suits their own hearts through tea parties.

Saki Roxani sat in the position, and there were all male geniuses of various races nearby.

At this moment, a group of geniuses tried their best to attract the attention of Saki Roxani and to express themselves.

A cat man smiled and said, 'Some time ago, I had another experience in spiritual skills. After this tea party is over, I plan to hit the Tianjiao list. This time I will definitely be in the top 50.'

Saki Roxani glanced at the cat man with her soft and watery eyes, with a hint of admiration in her eyes just right:

'Prince Ye Jing's strength is amazing, I really admire Xia Zhi. At that time, Xia Zhi will go to Baiyun City to see Prince Ye Jing's demeanor.'

The corners of Ye Jing's mouth raised, and a smug smile appeared: 'With Miss Xia Zhi present, I will definitely be able to take it to the next level.'

A young elf smiled: 'Ye Jing, I heard that your imperial sister has 22.'

These words made several geniuses of various races look at Ye Jing weirdly.

The smile on Ye Jing's face froze, and she turned her head and glanced at the elf boy coldly.

‘If it weren’t for Ms. Xia Zhi, I would let you know what is wrong.’

Xia Zhi covered her mouth and chuckled softly:

‘Prince Yejing, Lord Kerry, a rare tea party, don’t be so angry. Xia Zhi added a cup of tea for the two of you...’

At this moment, Xia Zhi’s movements suddenly stopped.

Seeing this, the geniuses who had been focusing on Xia Zhi were all concerned.

‘Ms. Xia Zhi, what’s the matter? Is it a little uncomfortable?’

‘If Miss Xia Zhi is tired, then come here today, next time I will visit Miss Xia Zhi.’

‘I have a spirit fruit that can relieve fatigue. I wonder if Miss Xia Zhi needs it?’

‘...’

Xia Zhi came back to her senses and smiled apologetically at a few attentive geniuses:

‘Xia Zhi is okay, and everyone is worried. It’s just that someone challenged me.’

Hearing this, Ye Jing and Kerry, the strongest among them, both turned cold.

‘Huh? Who would dare to challenge Miss Xia Zhi? It’s really unrepentant. Miss Xia Zhi, tell me, I’ll help you clean him up!’

Ye Jing said coldly.

Hearing this, Xia Zhi glanced at Ye Jing, a strange color flashed in her eyes.

She spoke softly: ‘This person is called Lu Yuan.’

‘Lu Yuan?’ Ye Jing was taken aback, frowning slightly, not knowing why, he always felt that the name sounded a bit familiar.

Then his pupils suddenly shrank, and his heart shook slightly.

Isn’t the human that Ye Ye often talks about recently called Lu Yuan?

Although Ye Jing and Ye Ye are both heirs of Emperor Ye Mu, Ye Ye’s talent is higher, and he is more favored by Heavenly Underworld Saints and Emperor Ye Mu, so his status is not as good as Ye Ye.

This made Ye Jing feel a little jealous and angry about Ye Ye.

Lu Yuan, who now has a good relationship with Ye Ye, challenged Xia Zhi, as if lit the fuse, making Ye Jing feel that his dignity has also been challenged.

The anger in his heart became stronger, and a cold color flashed in his eyes.

‘Miss Xia Zhi, you will set the challenge time later. I will go now to let that Lu Yuan know that Miss Xia Zhi is not something he can challenge!’

With that, he stood up and left the courtyard directly.

The Kerry people nearby felt Ye Jing’s anger, and they were a little unclear.

A low-ranking person on the Tianjiao list makes Ye Jing so angry ?

Kerry raised his eyebrows and chuckled, ‘It seems interesting, Miss Xia Zhi, do you want to go and see?’

And Xia Zhi narrowed her eyes slightly, showing a playful smile:

‘This Lu Yuan is going to challenge me after all. Prince Ye Jing came out for me, of course I have to go and see.’

As the top race that marries a large number of races in the Baiyun Star Territory, Ye Mei’s intelligence is naturally extremely powerful.

Xia Zhi is very clear about the relationship between Lu Yuan and Ye Ye and Ye Jing.

Even Lu Yuan was ordered by Xia Zhi as one of his candidate companions.

Lu Yuan was challenged many times in the 98th place, but never lost, and they were all crushed. This is enough to show that Lu Yuan’s strength is much stronger than his ranking.

Xia Zhi was planning to get in touch with Xia Lu Yuan, but Lu Yuan didn’t expect Lu Yuan to challenge her.

This makes Xia Zhi, who has always been spoiled, a little uncomfortable.

However, Xia Zhi did not expect that Ye Jing would react so much.

It seems ~www.mtlnovel.com~ Ye Jing was very much suppressed by Ye Ye.

Xia Zhi narrowed her eyes and placed Ye Jing back on her list of candidates.

She doesn't like men who are impulsive and irritable. Impulsive irritability itself is weak.

Hearing this, the geniuses of the tea party all stood up, planning to go to Baiyun City from the teleportation hall.

And Xia Zhi by the way postponed the challenge time by two hours.

Let Ye Jing first try to see Lu Yuan's level.

.....

In Baiyun City, Lu Yuan frowned slightly, and the golden thread connecting the battle pattern and the Tianjiao list disappeared.

Seeing this every night, I asked:

'Postponed?'

Lu Yuan nodded: 'But it was delayed, two hours.'

Xiaobai at the side was silent, and then he spoke with some seriousness:

'Master Lu Yuan, you are challenging Ye Mei. In fact, it's better to change to another person.'

Lu Yuan was taken aback: 'Why?'

Xiaobai explained: 'Because every Yemei genius will have some genius suitors, some of these suitors will be crazy, and will even target you.'

Lu Yuan was taken aback, his face was a little weird: '...No, isn't the Tianjiao list originally used to challenge? I challenged it normally, and they also want to target me?'

Xiaobai solemnly said: 'In order to express themselves in front of Ye Mei, these suitors don't care if they are normal challenges. For them, you are a good reason to impress them in the heart of Ye Mei genius.'

Lu Yuan was shocked.

Are these suitors so magical?

Or is Ye Mei so attractive?

Lu Yuan suddenly thought of the Anastasia that he saw at the Midnight Restaurant last time. The charm was indeed terrifying.

But not so...

Wouldn't he be so unlucky?

Lu Yuan felt weak.
