

# Chapter 220: My Genes Evolve Infinitely

## YE JING'S REVERSE CHALLENGE, 1 SWORD

Lu Yuan smiled helplessly:

‘I have applied for all applications, and the other party has agreed, so I won’t change it.’

Even if he really met that Xia Zhi’s follower, Lu Yuan felt that he didn’t need to panic too much. His current strength should be enough to deal with it.

said every night: ‘Then let’s wait here.’

The three people chatted in the square.

Not long after, suddenly a huge black eagle flew over and landed on the square, and the powerful aura slightly overflowed.

All the eyeliners on the square frowned slightly, and looked in the direction of Black Hawk with some surprise.

Fighting is strictly forbidden in Baiyun City, but the person who comes has a slight aura and looks like he is going to hit someone, which is really strange.

The three Lu Yuan who were talking naturally also felt the breath.

A hint of surprise flashed in Xiao Bai’s eyes, and Ye Ye’s eyes flashed, turning his head to look in the direction of the breath.

Upon seeing the cat man coming down from the black hawk, Xiao Bai said in surprise:

‘His Royal Highness, this is Prince Ye Jing.’

Ye Ye Ye nodded slightly: ‘Yeah.’

Lu Yuan heard what the two said, looked at the cat man who landed, and said in surprise:

‘Prince? Yeye, is this your brother?’

Ye Ye said softly:

‘It’s my emperor brother.’

After a pause, she added: ‘I am a half-brother.’

Lu Yuan smiled and said, ‘Isn’t it because I heard that you are here and came to you? But it seems a bit irritable by his appearance?’

Ye Ye frowned slightly, and she was also a little puzzled: ‘Brother Emperor has a bad relationship with me, so he won’t find me.’

Lu Yuan was taken aback and glanced at Ye Ye.

Xiaobai beside explained softly: ‘Because the princess has better talents and is more favored by ancestors and her majesty, Prince Ye Jing is jealous of her princess.’

Lu Yuan was a little surprised, and found that this kind of royal brother-sister relationship seemed to have various problems.

Even in the Red Maple Empire, Si Tingfeng and Si Tinglei are not very good at dealing with each other. They have similar talents and will dislike each other.

On the contrary, the two emperors Si Tingxue and Si Tingyu have a very good relationship, but the two of them are sisters of a female compatriot, and the relationship is good and normal.

Of course, this is only the case with the royal children with high talents. If the talent is not high, others will not bother to care about you.

However, there is still a big difference between the dynasties of this world and the dynasties of Lu Yuan’s previous life.

The power of the royal family is not supreme. For the strong, power is not as important as their own strength. Even the geniuses in the royal family do not necessarily want to be emperors.

In addition, the lifespan of the strong is too long, and the lifespan of the strong at the Emperor of War is calculated in units of ten thousand years.

Like Emperor Hongfeng, he is the Emperor of War. Who knows how many years he will be in power?

If Si Tingfeng and Si Tinglei were a little bit unlucky and couldn't break through to the Emperor of War, then the Emperor Red Maple must have killed the two of them first, and the white-haired person sent the black-haired person.

Therefore, the reason why these royal geniuses are not pleasing to the eye, Lu Yuan guessed, lies more in the distribution of family resources.

In fact, not only the royal family, but also other big families.

Xiaobai's explanation made Yeye glared at her: 'Xiaobai!'

Ye Ye is usually seldom angry, but seeing Ye Ye angry, Xiao Bai quickly lowered his head:

'I'm sorry, Your Royal Highness.'

Ye Ye shook his head and said no more.

After Ye Jing landed, he swept his eyes, and quickly saw Ye Ye on one side and Lu Yuan beside Ye Ye.

His eyes were slightly gloomy, and his heart turned to Ye Ye to be with that human as expected.

He snorted and walked towards the three of them.

After Ye Jing came over, a few more mounts flew from a distance and landed on the ground.

is Xia Zhi, Kerry and others.

Xia Zhi glanced at Ye Jing, and then at Ye Ye and Lu Yuan in the direction that Ye Jing was moving.

After seeing Lu Yuan, Xia Zhi narrowed her eyes slightly, revealing an expression of interest.

She has the information about Lu Yuan, but this is the first time she has seen real Lu Yuan.

But Kerry obviously didn't pay attention to Lu Yuan, they just saw Ye Ye.

After seeing Ye Ye, many people have a glimmer of surprise in their eyes.

'Is that the 22nd Ye Ye on the Tianjiao list?'

Ye Ye's appearance is not worse than Xia Zhi, but her temperament is somewhat different, but if it is in terms of talent, Ye Ye is much better than Xia Zhi.

In terms of race origin, the Heavenly Underworld Empire possesses saints, which is not much weaker than Yemei.

Women like this will naturally attract men's attention.

Kerry smiled and said, 'It seems that Ye Jing is going to trouble Ye Ye?'

'Hey...I have always heard that Ye Jing and Ye Ye are at odds, but now it seems to be true. Ye Jing can't bear it anymore?'

A Kaman genius smiled and said.

'Let's watch the show, Ye Jing can't do anything with Ye Ye, but I'm afraid that the human by Ye Ye will suffer.'

When several people were talking, the three of Lu Yuan naturally saw Ye Jing walking towards them.

Lu Yuan guessed that Ye Jing came for Ye Ye.

If there is a conflict, Lu Yuan must be on Ye Ye's side. No matter who Ye Jing is, he won't be able to bully Ye Ye.

Of course, it was a family affair after all, and Lu Yuan didn't plan to stand up directly, so let's take a look first.

Soon, Ye Jing came to Lu Yuan's trio. What surprised Lu Yuan was that Ye Jing did not speak to Ye Ye, but turned to look at him, and said coldly:

'Are you Lu Yuan?'

Lu Yuan was taken aback, his mind was full of question marks.

Is this for him? Can't it? He doesn't seem to know this prince Ye Jing.

He raised his eyebrows and said, 'Yes, I am Lu Yuan.'

Ye Jing sneered, and said: 'Miss Xia Zhi is also something you can challenge? Don't you want to make it to the top? I am ranked 58th. I challenge you, death mode, do you dare to take it?'

Lu Yuan: '???'

Hearing the name Xia Zhi, Lu Yuan understood.

Is this guy one of the suitors of that night charm?

Because he challenged Xia Zhi, so came over to trouble him?

No wonder Xiaobai reminded him before, this is too fast, right?

But, I didn't expect Ye Ye's emperor brother to be such a person. Isn't this too much?

The challenge to the Tianjiao ranking is generally a low ranking challenge to a high ranking, and the challenge ranking cannot exceed five.

But there are other exceptions.

If the high ranking actively challenges the low ranking, if the low ranking agrees, then no matter how many places are separated, it can be challenged.

In order to prevent someone from scouring the rankings through this rule, the arena must definitely go all out. With the level of the will of Origin, it can naturally be seen whether it is a real fight.

If it is to release the water, both of them will be punished, directly cancel the ranking and challenge qualifications of the Tianjiao list, and they will die out of the place of origin.

Under such rules, high ranking challenges low rankings will only happen in rare cases.

After all, for the high-ranking Tianjiao, challenging the low-ranking, if you win, there will be no benefit, if you lose, you will lose the ranking.

Everyone is not stupid, who is okay to challenge the low ranking?

And Ye Jing not only challenged the low-ranked Lu Yuan, but also chose the death mode.

Under the death mode, the originally safe ring battle is different. Those who lose will die out of the land of origin.

Lu Yuan's face is a bit weird.

It seems that Ye Jing is here to trouble him, but the 58th place... He is so excited, what should I do?

Under normal circumstances, how many times does he have to challenge to rank 58th?

there are almost seven or eight times, right?

If anyone wants to postpone the time later, it will take a long time.

Now that it's in place in one step, it's easy.

But... Death mode, Lu Yuan hesitated again.

After all, Ye Ye's emperor brother, would it be a bit too cruel to kill him?

With the cultivation base of Zhan Zun, it takes six months or even one year to be unable to enter the land of origin.

Lu Yuan turned his head and looked at Ye Ye beside him.

Ye Ye's face was a bit cold, she turned her head to look at Ye Jing, and said faintly:

‘You can challenge, but you cannot use death mode.’

Ye Jing sneered, just about to speak, and Ye Ye slowly said:

‘Emperor brother, if you want to use death mode, why not come and fight with me in death mode.’

The expression on Ye Jing’s face froze, then he glanced at Lu Yuan coldly, and said:

‘Could it be that this human being is your favorite object, I am afraid that my father would not agree to it!’

Ye Ye’s complexion became stiff, a slight ruddy appeared on her cold pretty face, and then she looked at Ye Jing:

‘The emperor wants to fight me? Why not go back to the real world, just in front of the ancestors, let’s fight.’

Ye Jing’s pupils shrank slightly, no longer watching Ye Ye, turning to look at Lu Yuan, and sneered:

‘Since Ye Ye said so, then I will give her this face, without the death mode, you dare to fight with me?’

Lu Yuan had been waiting for a long time. He nodded repeatedly and smiled: ‘Dare to dare! Prince Ye Jing, shall we start now?’

Lu Yuan is very good to Ye Jing’s senses now.

It’s rare to see people who don’t do anything for themselves and are willing to give.

Lu Yuan’s agitated expression made Ye Jing stunned, and then he sneered, and said to himself that he was bluffing.

As long as Lu Yuan lost the challenge with him this time, he couldn’t continue to challenge this time in Origin Land, and naturally he would not be able to challenge Xia Zhi.

It is a pity that Ye Jing originally wanted to use the death mode, which directly prevented this human being from entering the land of origin for half a year, but it was a pity that Ye Ye was on the side.

He slowly said, 'Let's start!'

The conversation between the few people did not hide the others, and the strength of the eyeliner present was not weak, so they could naturally hear their conversation.

After hearing that Lu Yuan was actually about to fight Ye Jing, everyone's eyes lit up and they looked forward to it.

Soon, the ring appeared, and Lu Yuan and Ye Jing entered the ring. The magnificent voice of the place of origin sounded, and they began to prepare.

Ye Jing is wearing a pitch-black battle armor, holding a pitch-black epee in his hand, and his entire head is in the helmet of the battle armor, looking like a black death knight.

His cold voice sounded from the helmet with ferocious horns:

'Human, you will soon understand how big the gap is between us. The smile on your face will soon disappear.'

Ye Jing really can't figure out why Lu Yuan, like a fool, has been laughing since just now?

Is it funny to fight him in the ring? ?

Ye Jing's anger deepened.

Lu Yuan heard Ye Jing's words and found that he had been smiling like this. Isn't it a bit impolite for Ye Jing?

He gave a dry cough, trying to put away his smile, but he found that he was really happy, so he would smile a little.

There is no way. Someone just came to the door like this. Lu Yuan couldn't have been crying, right?

Lu Yuan could only try his best to tighten his face.

Seeing Lu Yuan want to laugh and stretched, Ye Jing's face was dark, and he gave a cold snort, wishing to kill Lu Yuan now.

Fortunately, the preparation time was over soon. Ye Jing's whole body flashed with pitch black rays of light. He roared, and a huge black shadow appeared behind him. The black shadow was like him, holding an epee and full of epee. It is hundreds of meters long and looks very exaggerated.

Lu Yuan felt the powerful aura, and couldn't help but sigh in his heart. After all, it was Tianjiao who ranked 58th. Compared with the previous Malz, his strength was much stronger.

Ye Jing rushed towards Lu Yuan, and the epee in his hand slashed down several hundred meters away from Lu Yuan.

When his epee fell, the epee in the hands of the black shadow behind him also fell.

The black epee hundreds of meters long slashed towards Luyuan with the howling wind.

When the black epee approached Lu Yuan, Lu Yuan's body suddenly disappeared.

The heavy sword fell on the ring, making a roar, and a long sword mark appeared on the solid ring.

And Lu Yuan's body had appeared behind Ye Jing, and the heavy sword slashed towards Ye Jing.

Ye Jing felt the terrifying aura coming from behind her, her pupils under the helmet shrank sharply, and a flash of horror flashed in her eyes.

He wanted to turn around to resist, but found that time was too late.

He had to roar, and a black mask appeared all over his body.

Lu Yuan's epee fell on the mask.

Boom! !

A roar sounded, the mask lasted for a moment, and then it shattered.

The heavy sword slashed heavily on Ye Jing's black armor.

The black armor was cut open by the heavy sword, and the heavy sword struck Ye Jing's body, blood gushing out, his body slowly fell to the ground, then turned into white light, and returned to where it was before.

Ye Jing's genetic armament has disappeared from the ring, his face is very pale at the moment, his eyes still have a look of horror, some are still in shock, and some are at a loss.

As for Xia Zhi and Kerry in the distance, their eyes widened, and a flash of horror flashed in their eyes.

'What?! One sword, just one sword, Ye Jing was defeated?!'

Kerry couldn't believe it.

As a Tianjiao who often fights against Ye Jing, he knows Ye Jing's strength best.

The strength of the two of them is about the same.

But, a strong man like Ye Jing hasn't even blocked a sword? ?

Doesn't that mean that he can't stop it either? ?

For a while, Kerry got a bit cold behind him.

Originally, he wanted to teach Lu Yuan a lesson~[www.mtlnovel.com](http://www.mtlnovel.com)~ Even Kerry is like this, not to mention other geniuses, at this moment they are all a little shocked and speechless.

Only Xia Zhi's eyes showed great interest in Lu Yuan.

As Ye Mei, the objects of marriage are Tianjiao, naturally the stronger the better.

And this Lu Yuan's strength completely reached her standard.

The only troublesome thing is...

Xia Zhi glanced at Ye Ye. The information about Lu Yuan in her profile revealed that Lu Yuan had a good relationship with several women.

The most outstanding one is undoubtedly the night princess.

Even she had to admit that Ye Ye was stronger than her talent.

Xia Zhi's eyes flickered, and she planned to touch Xia Lu Yuan first.

And the other eyeliners on the square saw Lu Yuan's opponent who was still hitting in seconds, and they were a little surprised, and they felt a little taken for granted.

was surprised because this time the opponent was 58th, still a one-shot kill.

Of course, no matter who it is, Lu Yuan seems to be a sword.

The only thing they can be sure of is that Lu Yuan's strength might startle Baiyun City.
