

Chapter 51: My Genes Evolve Infinitely

TRIAL OF GENIUS, POWERFUL BLACK STONE MAN

‘This power...I can defeat the previous me at will.’

Lu Yuan clenched his fists and muttered to himself.

He didn’t expect that this time entering the ruins would have such a big gain, and the improvement would be too great.

‘The current physical strength should be able to bless the Moonstone, right?’

Lu Yuan’s eyes lit up, and he took out the Moonstone from the war pattern space.

With a movement of his mind, the Moon Stone turned into a blue streamer, which merged into Lu Yuan’s body.

In the white mist, a huge gene chain stands.

Moonstone phantom appeared around the gene chain, dark blue rays of light flowed, slowly blending into the gene chain.

Lu Yuan could feel a powerful force penetrating his body.

His skin, bones, muscles, internal organs, all aspects are improving rapidly.

has been improving by nearly 30% before stopping.

He can feel that his body is tougher, his strength is stronger, and his body is more flexible.

This is an improvement in all aspects.

‘Is this the blessing effect of the boss-level weapons? So strong!’

He showed a pleasant smile: 'Even if it is a fighter with an elite gene, a 10% or even 20% higher tempering degree may not necessarily be my opponent, right?'

'Drip!'

Just when Lu Yuan was surprised, the voice in the sky screamed again.

'It was detected that Trial XI9201 passed the Level 4 Elite Trial and obtained the qualification to open the genius trial. Is it open?'

Lu Yuan was startled, and recovered from the surprise of promotion.

'There are even higher levels of trials? Trials of geniuses?'

'In other words, I am not a genius now?'

Lu Yuan originally thought he was a genius now.

His eyes flashed and he showed a confident smile:

'Since we have reached this point, let's take a look, what is the genius trial like? Start the genius trial!'

Lu Yuan is now confident of the thief.

He feels that he is strong now.

'Boom!'

A roar sounded from the sky, which was different from the original mechanical sound.

Some loud voice came out this time:

'Trial XI9201, start the genius trial!'

.....

Outside the Shiman Tower, the ruins space.

There are more genetic warriors outside the tower than before.

Zhuo Ming and the blond youth are surrounded by a man with short black hair and an ordinary look.

He is also one of Zhuo Ming's teammates.

At this time, a voice sounded:

'Trial AS22203, start the elite trial!'

The blonde youth said:

'Another person who entered the elite trial. Is this the nineteenth?'

'Well, it's the nineteenth.'

Zhuo Ming nodded.

A man with short black hair began to speak:

'The captain hasn't come out yet, I wonder if the elite trial has started?'

'I think it must be turned on! 100 Golems are definitely not the opponent of the captain, but the captain is a guardian system after all. It may take a lot of time to kill 100 Golems. Maybe now the AS22203 trialer is the captain. Woolen cloth.'

Zhuo Ming analyzed.

'possible.'

The blond youth nodded.

'Hey, but Ami and the others haven't come out. With their strength, I'm afraid they won't be able to pass the 3rd level trial, right? If they haven't come out for so long, they should have died out.'

The man with short black hair sighed.

Zhuo Ming and the blond youth fell silent.

The blond youth shook his head: 'Ami and others don't say that Xiaoyu's strength must be able to pass level 2. He hasn't come out yet, I'm afraid he can't hold back to challenge level 3, right? Level 3 trial, surely not he can Ever.'

'It's still too greedy.'

Zhuo Ming also smiled: 'When you die, there is nothing left. I understand that in the Land of Origin, the more greedy, the easier it is to die. Once you die, you will not be able to enter the Land of Origin for at least a few weeks. It's a gap with others.'

The blond young man smiled and said, 'Yes, but sometimes, people's greed can't be controlled by themselves.'

These words made Zhuo Ming and the young man with short black hair nodded deeply.

Don't they know that they shouldn't be greedy?

It's just really facing that situation, not that you can control it if you want to control it.

'Boom!'

Just as they were talking, a roar suddenly sounded.

Everyone was taken aback, and they looked up at the sky in surprise.

Zhuo Ming's eyes widened: 'What's the matter? Thunder?'

The blond young man looked dumbfounded: 'This relic space will also thunder?'

Just when they were stunned, a loud voice sounded.

'Trial XI9201, start the genius trial!'

‘...‘

Outside the ruins space, the atmosphere suddenly fell into dead silence.

For a moment, everyone was in an uproar.

Whether it is a kobold, an elves, a cat, or a human, everyone exclaimed.

‘A genius trial?! Isn’t it an elite trial?’

‘Is it more advanced than the elite trial?’

‘Wait...XI9201? Isn’t this tester the first to start the elite test?’

‘XI9201...Who is he?’

‘Is it a human? Elf, cat, or kobold?’

‘Should be a strong man who has been famous for a long time?’

Everyone was talking about it, guessing who the XI9201 was the first to open the trial of elites, and now the trial of genius.

.....

inside the tower of the stone man.

After Lu Yuan started the genius trial, a pitch-black stone man slowly condensed on the gray ground about 20 meters in front of him.

A trace of blood spilled from the corner of his mouth, and his face was slightly pale.

However, when the epee approached the black stone man, his forward body twisted weirdly, his body swayed, and he moved one step horizontally, but his speed did not slow down at all, and he rushed towards Lu Yuan again.

Lu Yuan's eyes narrowed slightly, his hands pressed hard, the sword's momentum changed, and he drew an arc in the air, slashing towards his neck.

The black stone man suddenly protruded his left hand, and placed it on Lu Yuan's epee. A little bit, Lu Yuan's epee was taken away.

And he made a fist with his right hand, and a punch hit Lu Yuan's chest.

Boom!

Lu Yuan's chest was tight, and his bones creaked.

The huge power made him fly more than ten meters upside down and fell heavily to the ground.

Severe pain came from his chest, Lu Yuan's face was ugly.

The breastbone is cracked.

My strong defense can't stop it? !

Why is this bastard's attacking power so strong? !

Before Lu Yuan had time to think about it, the roar sounded again.

The black stone man appeared in front of him, and his right foot stepped heavily on Luyuan's head.

The hairs on Lu Yuan's back exploded, and the cold sweat broke out.

He rolled and hid away.

The black stone man's feet were on the ground, and when he removed his feet, a series of tiny cobweb-like cracks appeared on the ground.
