

# Chapter 58: My Genes Evolve Infinitely

## ON THE NEWS

Lu Yuan and Wang Xiangxiang were drinking coffee and chatting. Not long after, two beautiful girls walked over arm in arm.

One has long golden wavy hair, and the other has brown wavy hair.

The girl with long golden wavy hair is wearing a green suspender skirt, with a slender figure, a delicate collarbone, and her skin like snow.

The brown girl with a bob head is wearing black short sleeves and a black lace dress, looking a little cold.

‘Xiangxiang! Here we are. Mr. Lu Yuan, wow, you have become handsome again. Do you have a boyfriend?’

The girl with long blond and wavy hair waved to Wang Xiangxiang, and then looked at Lu Yuan, her eyes gleaming.

Lu Yuan: ‘?’

He was stunned, and suddenly he didn’t react: ‘Boyfriend?’

Wang Xiangxiang glanced at the blond wavy girl with disgust: ‘Lu Yuan, ignore Winnie. This person is watching the love stories between men and men recently.’

Lu Yuan: ‘???’

He looked at Winnie’s sparkling eyes and felt his scalp tingling.

Isn’t this a rotten girl?

He firmly said: ‘I like women, especially beautiful women!’

‘Oh.’

Winnie has a pity on her face.

Lu Yuan’s face was dark.

Molly beside sat down beside Wang Xiangxiang, smiled and waved to Lu Yuan:

‘Lu Yuan, it’s been a long time since I saw you.’

‘Hmm. It’s been a few months, right?’

Lu Yuan and Molly had been at the same table for a while before. Although they didn’t talk a few words, they were still the most familiar one in their class except Zhuo Ming.

Four people together, three women are chatting.

‘Fragrant, your skin is getting more and more supple. What skin care products are you using recently?’

‘I recently bought Eternal Love water. It works well. You can try it.’

‘I’ve used it, the water is too irritating, and my skin will be allergic after using it. I got acne the last time I used it...’

‘...’

Barabara.

Lu Yuan sat there with no expression on his face, watching them chat, his mind was full of question marks.

Isn’t the water used to drink?

Still allergic?

is not poisonous, right?

He held up his coffee and took a sip, suddenly feeling a bit tormented.

Not long after, three teenagers came over.

In the middle is a gentleman with a white shirt, sleeves rolled up, a smile at the corner of his mouth, and short black curly hair.

Next to him is a tall boy with a handsome face and a black T-shirt with a tiger head.

Another one is that Lu Yuan has seen Zhuo Ming several times in the place of origin.

The three of them entered the cafe and looked around.

After seeing Lu Yuan and the others, the three of them lighted up and walked over.

‘Brother Yuan! Here we come!’

Zhuo Ming said with a smile.

The tall boy also greeted with a smile

‘Brother Yuan, Sister Xiangxiang.’

The gentleman smiled and said, ‘Lu Yuan, you are going to spend money today.’

Lu Yuan smiled and nodded: ‘Gu Yu, Cao Yan, it’s been a long time since I saw you.’

Cao Yan smiled: ‘Everyone is a genetic warrior. We will communicate more in the future. Maybe after we go to Red Maple City, we will have to team up together.’

‘Yeah, yeah, we can team up together at that time, with brother Cao Yan and Sister Xiang Xiang leading the team, isn’t that a random killing?’

Gu Yu’s eyes lit up, and he smiled and said.

Wang Xiangxiang glanced at Gu Yu and smiled: 'Xiao Yuzi, when you can go to Red Maple City, we are probably going to be Tier 2. You will team up with us to die?'

Gu Yu smiled stiffly, and his face became bitter.

'Okay, let's go to the restaurant that Winnie said. You should be hungry?'

Lu Yuan stood up.

A few people left the cafe and walked towards the nine walnut restaurants that Winnie said.

Nine Walnut Restaurant is located in a residential alley not far from Jiuhu Shopping Mall.

'This is it.'

Looking at a restaurant on the second floor with only sliding doors, Winnie laughed, her long blonde hair gleaming in the sun.

'Well, if it wasn't for you to lead the way, we wouldn't be able to find it.'

Molly spit out.

'It's so lucky that you can find this kind of place.'

Gu Yu was also speechless.

Winnie smiled, very proud: 'Of course, you don't want to think about who I am? I dare not say anything else, this southern part, there is no delicious place that Winnie does not know!'

'Then let's go up.'

Cao Yan smiled.

Several people entered the door. A beautiful woman with a white prosthetic limb in her left hand was sitting behind the counter and playing with her mobile phone.

Seeing Lu Yuan coming in, she smiled and said:

‘How many of you, do you have an appointment?’

‘Yes, Winnie.’

‘Winnie...found it, the ‘Two Walnuts’ private room, please go upstairs.’

Lu Yuan looked strange when he heard the name.

Is the name of the private room so convenient?

A group of people went upstairs and found that the environment upstairs was fairly quiet, a corridor with private rooms on both sides.

‘This is ‘one walnut’, and ‘two walnuts’ are here.’

Wen Ni was familiar with Lu Yuan and brought a few people over and opened the private room door, which contained a very refreshing wooden dining chair.

There are also murals of walnut trees on the walls.

Lu Yuan and his party were seated.

Wang Xiangxiang looked around and smiled: ‘What’s so delicious in this, Winnie, do you order?’

Winnie patted her chest: ‘Don’t worry, just leave it to me to order.’

Lu Yuan and several people looked at each other and nodded.

looks pretty reliable.

When Winnie ordered, Zhuo Ming smiled and patted the table, coughed slightly, and said:

‘Everyone! I want to announce a good news.’

Everyone looked over.

Cao Yan smiled and said: 'What good news?'

Zhuo Ming raised his eyebrows, some brows dazzlingly said:

'My temperament has reached 40%!'

Hearing this, Winnie and Wang Xiangxiang who were ordering food were all taken aback.

Wang Xiangxiang looked at Zhuo Ming in surprise:

'Little Naruko, are you okay? I have been practicing very fast recently?'

Cao Yan was a little puzzled: 'At the speed you can absorb the spirit crystals, it should take a few more days? Is it because of the ruins?'

Zhuo Ming was taken aback: 'Do you know the ruins?'

Wang Xiangxiang smiled and said: 'Now the entire battle.net has spread. There are remnants of the sandstone underground palace in the sandstone city.'

Lu Yuan was taken aback: 'Has been uploaded on Battle.net?'

Gu Yu smiled and said, 'Don't you know, Mr. Lu Yuan? You are all on the battle.net.'

Lu Yuan: ' ?'

His eyes widened and his face was blank.

'Me? On Battle.net?'

Cao Yan smiled, took out his phone and started checking.

Not long after, he turned up a post, and with a flick of his finger, the contents of the phone were projected into the air.

'Ranking of Trial Ruins in the Palace of Sandstone'

‘Your name is on it.’

Lu Yuan looked at the content.

‘Now I am afraid that everyone knows that there are trial ruins in the sandstone underground palace. According to the current information, the current ruins are divided into genius trials, elite trials, and ordinary trials. Here, the poster has gone through many ways. The investigation listed the ranking of this trial (not guaranteed to be completely accurate). Among them, until the ruins were closed, the genius trial was opened by only one person. It is impossible to judge who this person is. The list of elite trials is from high to low. They are Ping Xing, Elite 3, Sun Qian, Elite 3, Kaman, Elite 3...Lu Yuan, Elite 2...’

‘Among the human warriors who have passed the elite trial, here are a few people to focus on. The first of them is Lu Yuan. It is said that this person is a newly awakened young man who has been in the place of origin in just over a month. He is a rare genius who can rise to this level. As far as the news of the poster is concerned, many organizations are already paying attention to Lu Yuan and are planning to recruit him into his command. The second one is Sun Qian...’

Lu Yuan quickly found his name on it, and even found his own evaluation on it.

His face is very strange.

I’m on the list directly, right?

When I talked to Liu Xi directly before, there were a lot of people around. I’m afraid I was heard? Then someone said it?

His brows frowned slightly.

Fortunately, he didn’t directly say that he had passed the genius level 1 trial before, otherwise the post would not explode?

After all, it is a rare genius to pass the Elite 2 level, so what is it to pass the Genius 1 level?

Zhuo Ming was surprised when he saw the ranking above:

‘It’s really fate! Fate is awesome! It was directly in the news!’

‘The above also boast that Lu Yuan is a rare genius.’

Wang Xiangxiang put his right hand on his cheek and glanced at Lu Yuan.

Zhuo Ming heard this, thought of something, smiled and said:

‘Does that? Tianfu Consortium, do you know? Mr. Liu Xiliu of the Tianfu Consortium, in the relic space still wants Brother Yuan to join the Tianfu Consortium, do you know what his annual salary is?’

Zhuo Ming looked like he was selling off, and Gu Yu gave him a slap on the back.

Zhuo Ming coughed again and again.

‘How much? Don’t sell it.’

Wang Xiangxiang looked at Lu Yuan with a smile.

Zhuo Ming compares five fingers:

‘500 million! One year!’

‘hiss...’

Everyone took a breath.

‘500 million?!’

Even Cao Yan and Wang Xiangxiang two children from gene warrior families were shocked.

Cao Yan smiled bitterly and said:

‘Lu Yuan is too good. My dad is now a Tier 1 fighter. I am afraid that the money he made in a year is not one-tenth of Lu Yuan’s.’

Wang Xiangxiang smiled and said:

‘My parents are both Tier 2 fighters, and if they add up to each other in a year, they are probably a little more than Lu Yuan. Tsk tsk... Lu Yuan is too tyrant!’

Molly smiled directly and said: ‘Then I have time to hold the thigh now?’

Lu Yuan rolled his eyes: ‘I didn’t agree to join the Tianfu Consortium.’

Everyone was taken aback.

Gu Yu asked: ‘Why don’t you agree? That’s an annual salary of 500 million!’

Zhuo Ming slapped the table with a distressed expression on his face: ‘I didn’t want to understand why Brother Yuan would refuse.’

Others also looked surprised.

Lu Yuan smiled: ‘I still want to be free. Just make money slowly.’

Everyone looked at each other, looking at each other, a little silent.

Then Cao Yan smiled and shook his head: ‘Is this the idea of a genius? I can’t understand it.’

Wang Xiangxiang looked at Lu Yuan, smiled and said:

‘I think I can understand that strength is the kingly way. Strength is enough, money or something, even if you don’t want it, others will send it to you.’
