‘hold head high!’

The huge ancient sea giant crocodile in the pool let out a long roar after seeing Lu Yuan.

The pool water boiled, and the giant crocodile leaned towards the beach in the next moment.

Wow!

The current was drained by the giant crocodile, and its huge body gradually appeared.

This giant crocodile is over fourteen meters.

The inky black armor looks extremely strong.

The unicorn on his forehead is like a sharp machete, which is nearly one meter long, shining coldly in the sun.

It stood there, nearly two meters high at the shoulder.

The powerful aura radiated from this huge crocodile, making Lu Yuan feel a little depressed in his chest.

When the giant crocodile stepped out of the water pool, four elite crocodiles close to ten meters nearby also came over at this moment, surrounding the giant crocodile in the center, staring at the landing edge.

was stared at by a boss-level and four elite-level beasts, even Lu Yuan couldn’t help but sweat on his forehead.

This momentum is too strong.

Lu Yuan had a retreat for a while.

At that moment, Lu Yuan heard a sound coming from behind him.

His face changed, and he turned his head to look.

Waves splashed in the river water in the distance, and the ancient sea giant crocodile kept rushing towards here, among them there were a large number of ordinary ancient sea giant crocodile, and a few very huge elite giant crocodile.

‘ ??? ’

Lu Yuan saw this scene, his pupils shrank and his scalp became numb.

Where did these crocodiles emerge from ? !

He thought he had walked all the way and killed all the ancient sea giant crocodiles.

However, now is not the time to struggle with this issue.

Lu Yuan found a serious situation.

He seems to be surrounded.

The exit of the water pool was blocked by densely packed ancient sea giant crocodiles, and there were four elite-level ancient sea giant crocodiles and one leader-level ancient sea giant crocodile inside.

This lineup puts Lu Yuan under great pressure.

Isn't this going to be cold here ?

At this moment, the four elite fierce beasts around the leader of the ancient sea giant crocodile roared towards Lu Yuan.

Lu Yuan gritted his teeth, clenched the epee, and staggered his steps, avoiding the big mouth of the two elite fierce beasts that could swallow him in one mouthful.

The epee in his hand slashed horizontally, passing the lin armor beside an elite giant crocodile.

Click...

There was a harsh friction sound, the giant crocodile's lin armor was cut open by the heavy sword, and blood gushed out.

Lu Yuan couldn't help but frowned.

Although the wound was opened, it was not fatal. This defense was much stronger than the elite giant crocodile Lu Yuan had encountered before.

These four elite giant crocodiles are probably the most powerful elite giant crocodile he has encountered.

‘Roar!’

was severely injured, the elite giant crocodile screamed, and his body quickly retreated.

Lu Yuan squinted his eyes, a cold light flashed in his eyes, intending to chase after victory.

At this moment, a fishy wind rushed over his face, his face changed, his feet stepped on, and his body backed away.

Another elite-level ancient sea giant crocodile rushed from the place where Luyuan had been before, and the blood basin closed with a piercing click.

Lu Yuan narrowed his eyes, and at this moment, he felt the fatal threat again.

He had to back up continuously.

As soon as he backed away, the third elite giant crocodile rushed past Lu Yuan’s location and let out an angry roar.

Before Lu Yuan could breathe a sigh of relief, the sound of breaking the wind came. As soon as his pupils shrank, he saw a dark shadow flashing past him.

Boom!

A huge tail swept over Lu Yuan’s body, and the powerful force made Lu Yuan’s face pale.

His body flew out and hit the mountain wall not far away.

There were cracks on the mountain wall, and Lu Yuan’s body fell from the top.

Lu Yuan felt the pain all over his body, grinned, and saw the fourth elite ancient sea giant crocodile slowly sweeping its tail.

The other three elite ancient sea giant crocodiles also pushed towards Luyuan again.

Not only that, but at the entrance and exit of the water pool, two fast-speed elite ancient sea giant crocodiles have already rushed out at this moment.

forced it over again, behind them, there were densely packed common giant crocodiles.

This is not the most dangerous.

Lu Yuan saw through the gap, the ancient sea giant crocodile leader who looked at him indifferently.

This is the most deadly threat.

However, it is obvious that the leader of the ancient sea giant crocodile felt that Lu Yuan was not a threat to it at the moment, and did not come forward to attack him.

Lu Yuan squinted his eyes, and a cold color flashed in his eyes.

He took out a bottle of medicine, blood red, cyan, black, and quickly drank the medicine.

Powerful spiritual power surged in Lu Yuan's body, and a powerful force emerged. Lu Yuan's physical body even couldn't bear this powerful force, and a tingling sensation appeared all over his body.

Power augmentation potion, speed augmentation potion, defense augmentation potion. are all powerful levels.

After drinking the potion, Lu Yuan's body strength increased by nearly 80%.

You need to know that Lu Yuan is now 98% temperamental, and it is also an elite gene for burning.

One can imagine how powerful this powerful potion is.

I am afraid that most people can only drink a bottle of potion boost, otherwise the body will not be able to bear it.

Only a genius like Lu Yuan whose defensive ability has surpassed the trainee level can drink the potion at the same time and die without being blown up by the powerful potion.

Feeling the powerful force surging in his body, he grinned.

He stepped on the ground with his right foot, his body turned into a black shadow, and instantly appeared beside an elite ancient sea giant crocodile.

A dark sword light flashed by, and the elite ancient sea giant crocodile had only time to move a step sideways.

However, the sword light still scratched his neck.

The blood spewed out like a waterfall, and the huge body of the elite ancient sea giant crocodile fell heavily to the ground.

Seeing this, other ancient sea giant crocodiles suddenly roared angrily, and rushed towards Lu Yuan with an angry roar.

However, Lu Yuan's speed at this moment has far surpassed them, and he easily escaped the attacks of all the elite level ancient sea giant crocodiles.

The next moment, his epee swiped and slashed on the neck of the ancient sea giant crocodile that was badly injured by Lu Yuan before, killing it.

successively killed two elite-class ancient sea giant crocodiles, Lu Yuan felt a touch of joy in his heart.

At this moment, the hairs on Lu Yuan's back exploded, and he felt an unprecedented threat.

Without even thinking about it, he burst out with all his strength, and leaped to one side.

As soon as Lu Yuan left where he was before, a faint blue water arrow flashed past, passing from where Lu Yuan was before, and hitting the rock wall.

Boom!

A huge roar sounded.

Water splashed everywhere, a deep pit appeared on the stone wall, and cobweb-like cracks continued to spread.

Lu Yuan glanced at the pit that was almost tens of centimeters long, his scalp was numb.

He looked in the direction from which the water arrows came, and the giant boss-level ancient sea giant crocodile flashed with a blue light on its horn at the moment.

Its cold eyes stared at Lu Yuan, and Lu Yuan was sweating.

Combat skills.

The combat skill of this boss-level ancient sea giant crocodile, and it is also a long-range elemental combat skill!

Looking at the destructive power, Lu Yuan felt that even if he had his current defensive ability, he had to get rid of half his life.

The boss-level fierce beast is too exaggerated, right? !

This is only the trainee level, so it has such a powerful destructive power?

How to fight this?

Just when Lu Yuan was dumbfounded, the unicorn on the forehead of the ancient sea giant crocodile once again flashed a blue light.

嗤!

The water vapor condenses and forms a water arrow, which shoots towards the landing edge.

The whole process is extremely fast, and it doesn't even take a second.

is the instinct engraved in genes after all.

Luckily, Lu Yuan drank the potent speed potion at this moment, and managed to escape the attack.

However, the leader of the ancient sea giant crocodile did not give Lu Yuan time to breathe, and a series of water arrows shot out quickly, UU Reading www.uukanshu.com kept attacking Lu Yuan, forcing Lu Yuan to flee.

At this moment, Lu Yuan saw several elite-class giant ancient sea crocodiles who were slowly retreating to avoid being accidentally injured.

His eyes lit up, and he quickly ran towards one of the closest ancient sea giant crocodile.

The giant crocodile is a crocodile after all, with very short legs. Lu Yuan easily escaped the attack of the angry elite ancient sea giant crocodile and hid beside it.

Lu Yuan is a small human after all, and his body is easily blocked by the ancient sea giant crocodile.

Lost the target, the leader of the ancient sea giant crocodile let out an angry roar.

The ancient sea giant crocodile, who served as Lu Yuan's shield, suddenly turned angrily and wanted to attack Lu Yuan.

But how flexible is Lu Yuan? Naturally it is impossible to be hit.

The corners of his mouth raised, revealing a smile, and the epee in his hand pierced into the body of the elite ancient sea giant crocodile.

'Roar!'

The ancient sea giant crocodile screamed sharply, and blood spewed out.

Lu Yuan stirred the epee in his hand and easily killed this ancient sea giant crocodile.

Hearing the screams of his subordinates, the leader of the ancient sea giant crocodile roared and rushed towards Lu Yuan.

It slapped it with a slap, and the huge force slapped the eight-meter-long ancient sea giant crocodile sharply and flew several meters away.

However, it did not have Lu Yuan's figure. At this moment, the black afterimage flashed and Lu Yuan appeared on the vast back of the ancient sea giant crocodile leader.

His face was cold and stern, and the heavy sword stabbed fiercely.

Ding!

Sparks flew everywhere, and Lu Yuan's epee only penetrated less than five centimeters before being blocked.

Five centimeters is not even as thick as the leader of the ancient sea giant crocodile.

Lu Yuan didn't expect the defense of the ancient sea giant crocodile leader to be so exaggerated, his face suddenly changed.
