

The Mightiest Little Peasant Chapter 109

That night was spent in each other's embrace.

At noon the next day, Tang Hao changed into a business suit.

He was usually dressed in casual clothing, so it was rare that he wore something so formal.

Meanwhile, Qin Xiangyi wore a black dress that accentuated her voluptuous curves.

She wore light makeup, which added to her allure.

The two of them sat into the Ferrari and Qin Xiangyi started the ignition, then drove toward the city center.

Two people stood in front of a high-class Western restaurant in the city center.

The man on the left was tall and well-built and his face was rough and masculine. He looked to be in his late twenties and was dressed in a neatly-pressed business suit.

The other person was slightly shorter. He was dressed in a white business suit and looked somewhat handsome.

The two seemed a little anxious as they looked at their surroundings.

"Why isn't Little Sister here yet?" The rough-looking man mumbled to himself.

His name was Qin Gang, and he was Qin Xiangyi's older brother.

"Maybe she's busy somewhere and is held up?" The other person said.

"Don't worry, Changfeng! Little Sister has promised that she'll come for lunch today. However, she said that she'll be bringing her boyfriend," Qin Gang said.

"Does she really have a boyfriend?" Zhao Changfeng's expression did not look pleasant.

"Sigh, don't I know my little sister well enough? She had a boyfriend back in high school, but they broke up after she found out that he was a douchebag. She hasn't had a boyfriend ever since.

"My little sister has pretty high standards. She's also rich herself, so normal men won't catch her eye. She never told me that she has a boyfriend, so she must be bluffing," Qin Gang said.

Zhao Changfeng breathed a sigh of relief when he heard that. "That's good to know!"

They waited for a while more and saw a red sports car driving in from the corner. "She's here!" Qin Gang shouted when he saw the car.

The car stopped near them.

Zhao Changfeng immediately straightened his suit and tidied his hair. He smiled as he walked forward to greet her.

A car door opened and a beautiful woman stepped out. Zhao Changfeng was immediately enchanted by her looks.

The next moment, the door on the other side was opened. A handsome boy in a neat business suit stepped out of the car.

Zhao Changfeng stiffened. The smile on his face froze.

Even Qin Gang was taken aback by what he saw.

Then, he narrowed his eyes to examine the boy carefully.

His brows eventually locked together. He found it a little hard to believe that the boyfriend that his sister had mentioned was the person that he was looking at.

'How is that possible?

'This guy still looks like a teenager! He's probably just a boy toy that has no accomplishments to call his own.'

'Little Sister must be muddled! She found herself a boy toy!

"That kid must have cheated her with flowery language and empty promises! It can't be! I can't let her be with him!"

Qin Gang said in his heart. His gaze on Tang Hao turned hostile.

Meanwhile, Zhao Changfeng's face darkened as he looked at Tang Hao. His gaze was somewhat sinister.

He quickly composed himself. A smile appeared on his face as he walked toward Qin Xiangyi.

“Do you remember me, Xiangyi? I’m Zhao Changfeng!”

“Mr. Zhao, right? I remember! We met a year ago,” Qin Xiangyi smiled in return, though her tone of voice was slightly detached, as though rejecting any of his potential advances.

Zhao Changfeng’s face stiffened. “It’s good that you remember me. Right, Xiangyi, who is this person? He looks so young!”

“He’s my boyfriend! His name is Tang Hao!” Qin Xiangyi smiled again and her tone of voice sounded intimate.

Zhao Changfeng’s face darkened again.

Qin Gang walked over menacingly and stood imposingly in front of Tang Hao. His thick brows were straightened and his eyes were round.

“Why are you here, you filthy kid? I know that boy toys like you go around seducing women for sex and money and rely on them for a living. Do you think you’re a match for my sister, and do you think I’ll ever let you be my brother-in-law?”

Then, he turned to look at Qin Xiangyi. “I say, Little Sister, are you blind? There are so many good men out there, but you choose this little boy toy. What’s so good about this guy who relies on you for a living?”

“Look at Changfeng. His looks aren’t that far off from that boy toy of yours, but he’s educated and industrious. He’s a good man.”

Zhao Changfeng also joined in the conversation. "You've been duped, Xiangyi. Men who rely on women are the most useless of all."

"How can you say that, Brother? I'll be leaving if you continue," Qin Xiangyi spoke coldly. She turned around and wanted to get in the car.

"Hey, hey, don't go! We can talk if there's anything!" Qin Gang's attitude softened.

'Little Sister must have been seduced by that man. I'll need to find a way to snap her out of this dream,' Qin Gang said to himself.

"It must be troublesome for you to come here. Let's go inside and have lunch!" Qin Gang said hospitably.

Then, he whispered to Zhao Changfeng. "There's nothing to be afraid of, Changfeng! He's just a boy toy. Easy!"

"Hey, that Tang kid, you come along too!" He beckoned at Tang Hao with disdain on his face.

Tang Hao and Qin Xiangyi walked hand in hand and followed Qin Gang and Zhao Changfeng into the restaurant.

The Western restaurant was renowned in the district, and its prices were very high.

Zhao Changfeng's eyes were almost spewing fire when he saw the couple being so intimate toward each other. He suddenly smirked and spoke mockingly, "Hey, Lil Bro Tang, I don't suppose you've been to places like these?"

"I haven't!" Tang Hao replied honestly.

Zhao Changfeng chuckled. The mockery on his face became more apparent than ever. 'What a useless boy toy!' He said in his heart.

"Oh! Well, someone like you won't be able to afford a place like this anyway. This ought to be a new experience for you," Zhao Changfeng said sarcastically.

Qin Gang glanced at Tang Hao with disdain and said, "Hey, Tang kid, what do you do for a living? You should still be in college at your age, right?"

"I didn't go to college," Tang Hao answered honestly.

"Hah! He didn't go to college!" Zhao Changfeng deliberately dragged each syllable of the sentence and sounded even more sarcastic.

Not only was he a boy toy, but he was also an uncultured boy toy!

Meanwhile, Qin Gang's darkened by several shades. The kid in front of him was becoming more and more disgusting.

"You didn't go to college? I don't suppose you're very educated then! So what are you working on now? You should be working, right! Don't tell me you're not working too?" Qin Gang said.

"Work? I'm working! I've recently started a company. That counts as work, right?" Tang Hao said.

"Does that even count as work?" Qin Gang blurted sternly.

Then, he finally processed what Tang Hao said. "Wh... What? You started a company?"

Even Zhao Changfeng was shocked and could not believe it.

“Right, I started a company! We sell healthcare products,” Tang Hao said.

Qin Gang was stunned for a long while.

‘This boy toy didn’t go to college, yet he has the money and knowhow to start a company?’

‘What a big joke!’

‘Don’t tell me Little Sister put money into his company?’

Qin Gang’s expression became even more ghastly when he thought of that.

Zhao Changfeng seemed to have arrived at the same conclusion. The disgust on his face was palpable.

The four people sat down at a table next to the window.
