

The Mightiest Little Peasant Chapter 1141

Smoke poured down from the sky and transformed into Heavenly Demons.

They did not believe in the supernatural and rushed forward one after another, trying their best to seduce that person.

However, it was useless.

They had no choice but to admit that they had encountered a freak.

“Move aside!”

In the sky, another wisp of smoke poured down and transformed into a Heavenly Demon. Its appearance was slightly different, and there was a tiny diamond-shaped mark between its brows.

“Even a commander is here!”

The group of Heavenly Demon were shocked. They did not expect that even the commander-level ones were alarmed.

“Let me try!”

The commander-level Heavenly Demon shouted confidently.

“What monster? You guys are too weak to tempt him. Look at me!”

It floated in front of Tang Hao, and with a shift of its body, he transformed into an enchanting woman. Her eyes were misty, and she was extremely seductive. Her red lips opened, and she let out a delicate moan.

It had used the Heavenly Demon’s unique charm technique. If it had been anyone else, they would have been mesmerized by it.

Even a strong-willed person would blush from being teased.

However, to its surprise, the guy before him did not react at all, as if he was air.

It was annoyed and embarrassed.

It had already boasted, so he could not back down now!

At that moment, it used all sorts of methods, and it was almost exhausted to death, but that guy still did not react.

It felt more and more awkward, and it was so frustrated that it was going crazy.

It had never met such a monster before!

“Cough, cough! He’s indeed a freak! He’s not easy to deal with. Let me see what kind of divine soul he has!”

It coughed lightly to ease the awkwardness. Then, its eyes glowed brightly as it looked at the guy’s head, hoping to see through his soul.

“This... this is...”

The next moment, its whole body shook as if it was struck by lightning.

The pair of eyes widened in shock like they had seen a ghost.

Its whole body shivered, and its lips trembled as if it wanted to shout, but when its voice reached its throat, it was stuck there, unable to come out.

It retreated subconsciously, trying to escape.

However, right at this moment, the guy before him opened his eyes, and two blinding golden lights burst out from his eyes.

When it came into contact with this gaze, the Heavenly Demon shuddered again, almost scared out of his wits.

What a pair of eyes!

Cold, indifferent, and filled with shocking killing intent. It had never seen such a terrifying gaze.

In the next moment, a ray of golden light shot out from the top of his head and expanded abruptly, transforming into a giant golden Buddha. It stretched out its palm and grabbed over.

Before it could react, the giant Buddha grabbed it, shoved it into its mouth, and swallowed it.

The Heavenly Demon Clan was a rather peculiar life form. They were born with souls and spirits, and they did not distinguish between men and women. They relied on devouring the souls of all kinds of life forms to survive.

Since they were soul bodies, they could also be devoured by another soul body’s void spirit.

After swallowing this Heavenly Demon, the Golden Buddha’s aura instantly increased, and his body size increased a little. He stretched out his hand and grabbed a bunch of Heavenly Demons, stuffing them into his mouth and swallowing them all.

The group of Heavenly Demons was scared stiff. They stood there, shivering.

What kind of monster was this! Its aura was so terrifying, and it could even devour their Heavenly Demon Clan!

“Quick! Run!”

A terrified scream cut through the sky, and all the otherworldly demons rushed madly into the sky.

“Where do you think you’re going? Stay here!”

The golden buddha spoke in human language and chased after him. It stretched out its palms and grabbed a bunch of them, stuffing them into its mouth.

His aura continued to grow.

“Oh my god! How cruel!”

“What kind of monster is this?”

The otherworldly demon running in front turned around and was scared out of his wits.

They were about to go crazy. It had always been them, the Heaven Demons, who had the right to swallow others!

They tried their best to escape, but they could not outrun the monster. They were all caught and swallowed.

Ahhh!

Screams filled the air.

“What... what is that?”

In the distance, when the onlookers saw this, they were once again stunned.

What was that huge golden Buddha?

Also, what was going on? Why did it look like those otherworldly demons were running for their lives while the golden Buddha was chasing after them?

“This...”

The older generation was stunned. They had never heard of such a situation before. It was unbelievable and shocking.

One had to know that these were Heavenly Demons that even Path Seeking experts feared. However, before this senior, they could only flee.

In a short while, all the Heavenly Demons were devoured. The Golden Buddha’s aura rose to its limit and kept expanding. Finally, it exploded with a bang.

In the golden light, a giant dragon soared into the sky.

Hiss!

Everyone gasped in shock.

The dragon raised its head and soared into the sky. It circled around the beam of light and charged into the whirlpool. Then, it passed through the ripples in the void and entered the outer domain, where the Heavenly Demon Realm was.

In this void, there were countless Heavenly Demons. The huge dragon rushed over and opened its mouths to swallow. It did not swallow them one by one, but groups of them.

“Gosh! What is that?”

“This is too scary! Run!”

The Heavenly Demon Realm was in chaos, and the group of heavenly demons fled in all directions.

After devouring countless Heavenly Demons, the huge dragon’s abdomen split into a beam of light that transformed into a giant Buddha. The dragon and Buddha continued to devour more demons, and before long, another Buddha appeared.

Two, three, four... In a short while, the number rose to ten.

Initially, the group of Heavenly Demons wanted to gather and fight back. However, when they saw this, they were scared out of their wits. They did not even have the thought of resisting and fled deeper into the realm.

“Which demon is causing trouble here!”

In the depths, a group of Heavenly Demons surged out. They were all commander rank, and many of them even surpassed commander rank.

They looked closely and were shocked.

“Stop!”

They roared angrily and charged forward, fighting against the giant dragon and the group of giant buddhas.

Bang! Bang! Bang!

Explosions rang out continuously as balls of resplendent light exploded.

Ah!

Following that, there was a series of screams. In just a single exchange, many Heavenly Demons exploded.

“This thing is too powerful! Let’s go!”

The other Heavenly Demon’s expressions changed drastically. They no longer dared to resist, and they turned to run.

The giant dragon snorted softly and rushed forward to swallow them all.

Then, it continued to rush forward and rampage in the Heavenly Demon Realm. It continuously devoured and slashed out giant buddhas. Soon, there were more than a hundred giant buddhas following it.

“It’s about time, I can endure the Heavenly Demon Tribulation!”

The dragon stopped and mumbled. With a flick of its tail, it turned around and led the group of giant Buddhas towards the exit.
