

## The Mightiest Little Peasant Chapter 1161

It's that kid, he's still alive! "

Hearing the noise, the group of old monsters turned around. They all cried out in surprise.

"I knew this kid had a enduring life. He won't die!"

Ambushing Master laughed.

"That's not right! How is this brat still alive? If he's not dead, then where did he go previously?"

Everyone was extremely confused.

The East Sea Demon Lord and the rest were surprised at first. Then, they exchanged glances and secretly raised their spirits, preparing to attack.

There were quite a few old monsters in the group of old monsters in the Eighth Continent who were itching to make a move.

They also knew that the newcomer possessed a treasure that caused the Demon Clan, Heaven Devouring Elder, and the others to attack him.

They naturally could not let go of such a good thing.

"Who dares touch him!"

Ambushing Master looked around and snorted angrily.

"Heh! Old Wang, who are you trying to scare? If you know what's good for you, just tell that newbie to hand over the treasure obediently! We're not interested in people, we're only interested in treasures."

An old monster from the eighth continent sneered.

"That's right. All the treasures in the world belong to the capable. He's only at the early-stage Path Seeking Realm. If he's not strong enough, he should give up the treasure! Give it to us seniors."

Another person laughed.

"Exactly!"

Then, the group of people echoed.

Their expressions were unfriendly. Each of them boosted their aura and pressed down on Ambushing Master.

There were a total of eighteen people on the eighth continent. Including the three demons from the East Sea and Heaving Devouring Elder, there were twenty-four of them. As for Ambushing Master and the others, there were only four.

Four against twenty-four, there was no chance at all.

The old man's expression turned serious.

"F\*ck!" Old Daoist Liu cursed and tightened his grip on the hoe.

"Old man Tiangang, are you going to help or not?" Ambushing Master looked at Daoist Tiangang and the others.

"This..."

Daoist Tiangang hesitated for a moment and revealed a troubled expression.

"Heh! What's there to help? That kid isn't one of us, so why should we help him? Besides, I'm also interested in that halberd! I want to play with it!"

At this moment, the robust man called Xi Huanglie spoke.

"Daoist Xi Huang is right. Let's not meddle in such matters," said the one-eyed Daoist priest, Miao Yu.

Once they expressed their stand, Daoist Tiangang could only shake his head and smile bitterly. "Elder Wang, I'm sorry!" As he said that, he led his men to retreat far away from this place.

"You guys... okay!"

Ambushing Master laughed in anger.

"Haha! Old Wang, there's nothing you can do! I advise you to stand still obediently. Otherwise, I'll slaughter all four of you today!"

Heaving Devouring Elder burst into laughter. However, he was feeling rather pleased with himself.

One person from each of the teams stayed behind to keep an eye on Ambushing Master and the others. The others moved together and charged forward at their fastest speed.

"This kid is mine! Don't fight with me!"

Heaven Devouring Elder was the fastest. He was ahead of them.

"Hmph!"

The East Sea Demon Lord snorted disdainfully. His eyes flashed and ripples appeared in the air in front of him. In the next moment, he disappeared into the ripples.

He was of the Void Giant Whale race, so he was born with the ability to teleport.

The others on the eighth continent were unwilling to fall behind as well, and they all used their divine abilities to charge over.

More than ten late-stage Path Seeking Realm thousand-year-old monsters, just the aura they emitted was already extremely terrifying.

However, the figure ahead did not stop. It continued to rush over.

When he was only a thousand meters away, he stopped and stood in the air.

Numerous surging and fierce imposing auras carried killing intent as they surged over, and they transformed into a gale that covered the sky, causing his clothes to flutter while ink fluttered madly.

Under this shocking pressure, his expression did not change at all. His face was as firm as a rock, and his eyes were as cold as ice.

“Haha! Has this kid gone stupid? Why aren’t you running?”

When the group of old monsters saw this, they all laughed.

“Kid, hand over the treasure!”

They roared loudly and continued to charge forward. At the same time, they attacked one after another. Some took out supreme treasures to attack, while others used various methods to create giant palms of all colors to grab forward.

Heaven Devouring Elder opened his mouth and used the Moon-Swallowing Heavenly Skill again.

Near that figure, the void cracked. The East Sea Demon Lord’s halberd rushed out and attacked.

“Sigh!”

Not far away, Old Daoist Tiangang sighed.

Previously, this brat was lucky and managed to escape, but this time, he could not escape anymore. There were more than ten thousand-year-old monsters! Even he had to kneel, let alone this brat.

This boy was a monster, but he was still too young and could not compare to the old monsters at their level.

“Heh! This kid is also stupid. Why aren’t you running!”

The one-eyed Daoist priest, Miao Yu, sneered. “What demon? It’s nothing much!”

However, just as he finished speaking, the figure moved. With a flash, it disappeared.

In an instant, the East Sea Demon Lord's halberd missed its target. He was stunned for a moment. Then, the attacks from the group of old monsters missed.

"What happened? Where is he?"

The group of old monsters cried out in surprise.

At this moment, a black shadow flashed and that figure had already appeared in front of the toad demon. His face was cold and his body surged with monstrous killing intent.

The toad demon was startled at first. Then, it laughed with a somewhat contemptuous expression.

This guy was only an early-stage Path Seeking Realm kid, and his strength was far from his own. Previously, he had been chased all over the place by him, making him look extremely miserable.

He did not know what trick she had used, but she had suddenly appeared before him and wanted to ambush him. Wasn't that a joke?

Even if it was a sneak attack, this brat would not be able to hurt him at all!

However, as he smiled, his face froze, and his expression suddenly froze. In the next moment, his eyes widened, and his toad face twisted, revealing extreme fear.

In front of him, the boy pointed a finger. A terrifying force gathered on the tip of his finger.

The light screen only lasted for an instant before shattering.

Then, that brat pointed again. The power on his fingertip suddenly changed. That was the power of annihilation, but now, it was a strange, mysterious power.

"My hands, my body... Ah! How could this be!"

The toad demon cried out in horror.

Enveloped by the power of reincarnation, he rapidly aged and hunched.

"Don't... don't kill me..."

Then, he begged for mercy.

Tang Hao was unmoved. With a raise of his hand, the Dao Energy in his body surged out crazily. With this palm, he ruthlessly slapped out.

Bang!

Boom!

The old toad's body shook violently as it was blasted apart. Blood and flesh flew everywhere.

A streak of black light shot out from within. It was a pitch-black Dao platform. A small person sat on it. It was the divine soul of the toad demon.

He had a look of terror on his face as he steered the dao platform to escape.

“Hmph!”

With an angry snort, Tang Hao stretched out his hand, and a huge golden palm appeared, grabbing over. It was the Star Plucking Hand he had learned which he stole from Liu Heihu.

The giant palm grabbed onto the platform and squeezed heavily, causing a miserable cry to ring out.

The Dao platform exploded, and the divine soul was also crushed.

A late-stage Path Seeking Realm beast had fallen.
