

The Mightiest Little Peasant Chapter 1204

“Did you guys hear? that group of guys just now was a bit powerful. I think they were body cultivators. They killed a lot of fierce beasts and dropped countless fragments! They’re quite lucky and dropped a few pieces of Platinum!”

The news spread quickly in the market.

“Really? Are they really that powerful?”

“Several pieces of Platinum? How is that possible?”

At first, everyone was skeptical.

“It’s true. I saw it with my own eyes. If you don’t believe me, you can go over and take a look. Within a radius of a few hundred miles, all the fierce beasts have been killed!”

When everyone went out to take a look, the mountain forest was empty and deathly silent. Not even half a beast could be seen.

“Heavens! This is way too clean!”

Everyone was shocked.

“Hurry up! Let’s go and take a look!”

They hurriedly flew into the distance in search of the group of people.

As for the news, they believed it to a certain extent.

When they found the group of people and looked at them from a distance, they were speechless again.

This group of people was indeed quite powerful. Their physical bodies were quite strong, and they were extremely brutal. They killed and ate everything they saw, just like bulldozers.

“Hiss! It’s a little brutal!”

“Mm! He had the demeanor of the little devil from back then! However, that little devil is slaughtering humans, while this group of people are slaughtering beasts!”

Everyone exclaimed in admiration.

However, they didn’t think much of it and didn’t think much of this group of people.

After all, they had never heard of this Kun Lun. Perhaps it was just a small sect, and no matter how powerful it was, it was only a mid-tier sect. It only had some strength in the great void realm because of its body cultivation.

Such a force was completely beneath their notice.

Looking at the fragments that were constantly being dropped, they were a little envious.

However, the other party’s strength was not ordinary, after all, so they did not dare to act rashly.

After a while, there were more and more people. Many people heard that a new group of body cultivators had arrived and dropped countless fragments.

After watching for a long time, someone finally couldn’t help it.

“Hey! Wait a minute, that’s right, I’m calling you guys!”

A group of people walked out of the crowd and swaggered over.

The leader was a handsome young man. He was tall and had an extraordinary aura, but his face was a little arrogant.

The Taoist masters were about to get up and continue to push forward when they heard the shout. They stopped and turned around in unison.

The young man strode over and shouted, "I heard that you guys were quite lucky and got quite a lot of Platinum! What a coincidence, I have quite a bit of gold on hand. Five for one, give it all to me!"

Hearing this, everyone was in an uproar.

Five for one?

This was clearly a robbery!

However, they didn't dare to say anything, because this group of people were from the mountain moving sect, and the young man's background was not small.

"No!"

Shabby Taoist master rolled his eyes. He was smart enough to know the market situation when he was in the market.

Then, his expression changed and he sneaked a glance at the young man.

He had heard clearly that the silly boy had said that he had a lot of gold fragments.

The other Taoist masters' eyes also lit up, and a green light appeared in their eyes. Many of them even rubbed their hands together, feeling a little itchy in their hearts.

This guy had already reported his fortune. If they didn't Rob him, they would be a little embarrassed.

The young man didn't notice it either. He only felt that the group of people's gazes were a little strange. His face sank and he said angrily, "Not exchanging? Hmph! Do you know who I am?"

"Who is it?"

Shabby Taoist master asked.

"I'm from the mountain moving sect. Have you heard of the mountain moving sect? Moreover, my name is Xie di, and my brother is Xie Tian, the great genius of mountain moving sect! A nascent Soul Stage expert!"

The young man patted his chest and said proudly.

"Xie Tian? Xie di?"

The Taoist masters were stunned.

"That's right! You're afraid!" The young man said proudly, "if you're afraid, then quickly change. Otherwise, I'll ask my brother to destroy your Kun Lun."

The Taoist masters were stunned for a moment before they burst out laughing.

"Hahaha! Thank God! Xie di! What a weird name!"

"Aiyo! This kid is too funny, he even wants to destroy our Kun Lun!"

The Taoist masters laughed so hard that their stomachs hurt. They were overjoyed.

"What are you all laughing at!"

The young man was furious and his face turned ashen.

"Kid, of course I'm laughing at your stupidity!" Shabby Taoist master laughed.

"You ... How dare you! Just you wait, I'll teach you a lesson." The young man was so angry that he was trembling.

"Hey! Why are you being so long-winded? just kill this silly boy!" The shameless Taoist master mumbled and jumped out, throwing a punch at him.

“Ah!”

With a short cry, the young man was dead!

At first, the crowd was snickering, but when they saw this scene, they were dumbfounded.

Then, their expressions changed and they gasped.

Oh my God! Did this group of people not want to live anymore? they actually dared to slaughter the people of the mountain moving sect! This was a huge mess!

If the mountain moving sect was angered, an unknown small power like Kun Lun would be annihilated in the blink of an eye.

“This group of people ... They’re in big trouble!”

“Woof! There’s a good show to watch!”

Everyone started to gloat.

“Waa! There were indeed many gold fragments! He’s really a good person!”

At this time, the Taoist masters squatted down excitedly and picked up the shards. Then, they killed the remaining people and continued to move forward as if nothing had happened.

“Still not running! It seems like they don’t know what trouble they’ve caused!”

The crowd followed behind and discussed in low voices.

Not long after, a group of people charged over aggressively from the horizon.

“How dare you kill my mountain moving sect’s people! Hand over your life!”

“Kill!” The elder in the lead shouted and led his men to attack.

“F * ck! After beating the young one, the old one is here!”

“What are you afraid of? Let’s fight them! I’m not afraid of you!”

The Taoist masters were in high spirits. They rolled up their sleeves and rushed forward.

“Hmph! You’re overestimating yourself!”

The mountain moving sect elder snorted angrily, his face full of disdain.

I’ve never heard of this Kunlun Sect. How powerful can they be?

But then, he was dumbfounded. The other party directly smashed a fist at him, and all the spell techniques were smashed away. The fist then landed on his face.

Not good! It was a Paragon!

He was shocked. Then, his vision turned black and he returned to reality.

He was not the only one. The rest of the mountain moving sect members were all killed by the punch.

The crowd was still waiting to watch a good show, but this time, they were stunned again. Their mouths were wide open and could not close.

The entire mountain moving sect team was annihilated in one move?

How was this possible?

That was the mountain moving sect! A major force in the central region!

“This Kun Lun ... Where did he come from?”

“We’re finished! This matter is really going to blow up!”

After a moment of dead silence, the surroundings began to boil.

The news quickly spread throughout the ninth domain.

The ninth domain shook!

Everyone knew that a group of perverts had arrived and killed the mountain moving sect members. Countless people swarmed over and watched from afar.

The ninth domain became lively again.
