

## The Mightiest Little Peasant Chapter 1217

“Heavens! What kind of monsters were these? What a terrifying aura!”

“How did those souls turn into this thing?”

The old monsters were all shocked when they saw the changes in the souls.

The auras of those souls were originally ordinary, but now that they had changed, their might increased greatly, and they emitted a monstrous and ferocious might.

He was clearly just a soul, but his aura was almost on par with a real cultivator.

They had never heard of such a method!

After a brief moment of shock, they all activated their Dao energy and took out their treasures to resist.

啊啊啊啊 - !

Thousands of giant palms slammed down, causing the mountains to collapse and the earth to crack. Screams rang out, and the defenses of those mid Dao seeking old monsters were all broken. They spat out blood and were sent flying.

If it was one-on-one, those souls were definitely not their match. However, there were too many of them. There were thousands of them, and they only had a few hundred. Each of them had to face two or three souls.

In just a single exchange, they had suffered a crushing defeat.

The late stage Dao seeking cultivators were able to block the attacks, but then, the group of souls began to transform again. Ten or so of them collided with each other, accompanied by a bright golden light. With a Dragon's Roar, Dragons flew out.

“Late stage of Dao seeking!”

“Heavens! It’s unbelievable that these souls can still merge together!”

The old monsters cried out in alarm, once again shocked.

Aooo!

Dragon roars shook the sky.

Hundreds of Azure Dragons circled in the sky and roared. They pounced down and charged towards those late-stage old monsters.

“Quickly block it!”

“No! It can’t be blocked! It’s too fierce!”

Among these hundreds of old monsters, there were not many in the late stage, and they were also besieged. After resisting for a while, they showed signs of decline and were forced to retreat.

In the chaotic battlefield, everyone was in a somewhat sorry state. Only a group of people was as steady as Mount Tai, and that was the Jiang family.

“Hmph! It’s just a small trick!”

The old man, Jiang Li, stood with his hands behind his back.

His white hair fluttered in the wind, and his treasured clothes fluttered in the wind. A shocking aura burst out from his body, turning into a bright pillar of light that shot into the sky.

Golden light constantly shot out of those eyes, blasting holes in the bodies of the dragons.

This was an eye technique that possessed Supreme divine might!

“Little bugs! Get over here!”

He grinned hideously and stretched out his hand again. A huge Golden Palm appeared and grabbed over.

On the giant palm, there were also many mysterious runes.

The dragons wanted to escape, but as the Golden Palm came down, it produced a terrifying suction force that seemed to twist the surrounding void.

“It’s the Jiang family’s God-sealing hand!”

Seeing this, the square old monster immediately exclaimed.

As a titled family, the Jiang family had a long history and a deep foundation. They had countless divine powers and spells. The God-sealing hand and the God-suppressing eye were the best among them and shook the first continent.

“Hmph! You want to escape in front of me?”

The old man grinned hideously and clenched his fist. The huge palm grabbed down and firmly held the dragons.

Talismans flew up from the giant palm and turned into ropes, tightly binding the dragons, making them unable to move.

The old man immediately laughed out loud, feeling extremely carefree.

Four late Dao seeking soul bodies!

This was definitely a great harvest!

Moreover, there were so many of them here for him to take.

“All mine!”

He laughed and used the God-sealing hand again to grab the dragons.

The few old Dragons had no power to resist at all. They were caught in an instant and bound by the talismans.

Upon seeing this, the old monsters who were barely able to resist were all shocked. They were all struggling to resist, but this person had already caught a few. This method was really powerful.

“As expected of one of the nine elders of the Jiang family!”

They sighed inwardly.

“Elder Li’s God-sealing hand has reached the acme of perfection. Amazing!”

The Jiang family’s team also complimented him.

“Where? Where!”

The old man stroked his beard and smiled, but he was also a little proud. “Speaking of which, I have to thank that guy for giving me such a big gift! If I can see him, I will definitely thank him properly!”

“Hahaha! I should!”

The members of the Jiang family all burst into laughter.

At this moment, pa, pa, pa!

A round of applause suddenly rang out in front of them.

The applause was crisp and powerful. It pierced through the roaring in all directions and clearly entered everyone’s ears.

“Amazing! Amazing! As expected of the Jiang family! One of the ten great honored families!”

Then, a deep voice was heard.

Pada! Pada!

The sound of footsteps could be heard as a figure walked through the smoke and walked over.

In an instant, the fierce battle stopped. Everyone turned around and looked over.

There were footsteps. That was the real person. That guy’s real body had arrived!

At this moment, they were all filled with curiosity and doubt. What kind of expert was this person who could sever so many split souls and possess such remarkable abilities?

The members of the Jiang family also looked up in unison.

They were all stunned when they saw each other clearly.

It was a middle-aged man dressed in plain white clothes. He did not have any aura and looked like an ordinary person. He did not have the bearing of an expert.

He walked over with an indifferent expression and raised his hand to clap gently.

“State your name!”

“Die!” Jiang Li shouted.

The man was silent for a moment before he said coldly, “My name ... You’re not worthy of knowing it!”

“You ...”

Jiang Li was furious. His face was livid.

He was one of the nine elders of the Jiang family! A figure whose name shook the ninth continent. When had he ever been looked down upon like this!

“Impudent!”

“How dare you! You’re challenging the Jiang family!”

Behind him, the people of the Jiang family were also furious, and they shouted angrily.

The man stopped a thousand meters away and suddenly laughed, “The Jiang family? Buzzzzzz! In my eyes, the Jiang family is nothing!”

Hiss!

All the old monsters sucked in a breath of cold air when they heard this.

Who was this guy?

Where did this pervert come from? how dare he provoke the Jiang family like this!

Did he not want to live anymore after provoking a titled noble family?

At this moment, the man spoke again, “Oh! Right, I forgot to tell you that I like to kill people of the Jiang family the most. Today, none of you can leave!”

His tone was very light, but it was like thunder to the old monsters’ ears, causing them to feel dizzy and terrified.

This guy wanted to kill the people of the Jiang family!

Oh my God! Where did this peerless fiend come from?

Looking at that figure, their hearts trembled, and their legs went soft.

Throughout the first continent's history, there were very few people who dared to kill great sects and titled aristocratic families. However, every single one of them was a peerless fiend and was incomparably terrifying. This person was probably no exception.

“Mother! We're actually trying to catch a peerless murderer!”

Those old monsters groaned and felt their vision go black, almost fainting.
