

The Mightiest Little Peasant Chapter 1228

“Tsk! Old Yu Shi actually lost!”

“Yushi is injured and not in his peak condition. It’s normal that he’s no match for this kid.”

The sect Masters discussed in low voices.

Their expressions were grave. The strength that the kid had displayed had once again exceeded their expectations.

“This kid can’t be left alive. He must be completely obliterated!”

The Jiang family’s master said coldly, his eyes full of killing intent.

“That’s right! We can’t let him leave here alive!” The sect master of Luotian also had a face full of killing intent.

They were really afraid!

This kid was too freakish! Although he didn’t have Ji Wu’s amazing luck, he was far better than Ji Wu in terms of wisdom and ability. He was more terrifying.

Now that this brat had caught up to them, he would probably reach the Dao severance realm in a few more years.

At that time, there would be no way for them to survive.

“Kill!”

“Do it!”

At this time, they did not care about their face and attacked together.

Boom! Boom! Boom!

In all directions, pillars of light shot up into the sky. There were a total of nineteen pillars, representing nineteen sect Masters!

Then, a mark lit up between the eyebrows of each sect master.

At that moment, all over the first continent, Dao lakes churned and mountains crumbled. Supreme treasures rushed out of them and soared into the sky. This commotion alarmed countless people.

The great sects and families were all in an uproar.

Weng Weng Weng!

In the void, cracks appeared one after another as Supreme treasures shuttled through the void and descended.

They hovered in the air, exuding a world-shaking aura that suppressed the entire world.

Under this pressure, everyone's heart trembled. Many people could not stand and were forced to kneel.

Nineteen sect Masters, nineteen Supreme treasures!

This lineup was truly terrifying.

"Hurry up! Hurry up and run!"

They cried out in fear and frantically retreated, wanting to leave this place of trouble.

Without Dao pursuing cultivation, they would only be cannon fodder here. Even a single blast of Qi would be enough to crush them.

"What a huge formation!"

Tang Hao looked around and laughed coldly.

“Hmph! There’s no need to care about morality when dealing with people like you. Let me tell you, you won’t be able to escape today!”

The sect master of Luotian rebuked angrily.

A giant golden sword hovered above his head. It had an ancient style and an extremely ancient aura. It was the Supreme treasure of the allheaven sect, the ancient sword, the allheaven.

“Little brat, just stay here!”

The leader of the Yin Yang sect said.

An ancient mirror hovered above his head. The surface of the mirror was blurry and chaotic. Behind the mirror, half of it was black and the other half was white, with yin and yang mixed together.

It was the Supreme treasure of the Yin Yang sect, the Yin Yang treasure mirror.

“Hahaha!”

Tang Hao laughed out loud. His laughter grew louder and louder.

“You brat, what are you laughing at!”

The sect Masters were furious.

“Of course I’m laughing at you. You couldn’t stop me back then, and you won’t be able to Stop Me Now! If I want to leave, no one can stop me! With just you guys ... You can’t do it!”

Tang Hao’s face darkened as he spoke.

“Damn, this kid is too arrogant!”

“Go!”

The group of sect Masters was furious. With a loud shout, they activated their treasures and blasted forward.

Whoosh! Whoosh! Whoosh!

One after another, streaks of light shot over with terrifying momentum.

Tang Hao didn't Dodge. Instead, he charged forward. He raised his left hand, and the divine void banner flew out. With a Dragon's Roar, Azure Dragons flew out and circled around him.

One after another, they were uncountable.

These Azure Dragons were specially prepared by Tang Hao for this trip. Before he came here, he had swept through many places where Yin Qi gathered and killed these Azure Dragons.

Then, the dragons swooped down and burst into flames, rushing toward the eight desolations halberd.

The eight barren halberd trembled slightly, and its aura rose sharply.

“This is ...”

The sect Masters were all shocked.

“Break!”

When the Last Dragon charged into the halberd, Tang Hao raised the halberd and slashed it forward.

Whoosh!

With a sharp whistling sound, the halberd seemed to tear the void apart. The rainbow in front of it was split apart and sent flying.

Then, even the array that sealed the void was torn apart.

Hiss!

All the sect Masters sucked in a breath of cold air, revealing extreme shock.

The power of this halberd strike was truly terrifying!

“This stinky brat, where did he get so many late stage Dao seeking soul bodies!”

“It’s too extravagant to burn so much at once!”

They all exclaimed in shock.

“I’ve said it before, if I want to leave, no one can stop me! Everyone, we’ll meet again, we’ll meet again!” “Go!” Tang Hao shouted coldly. He took a step forward and dashed forward.

“Don’t run!”

“Quickly make him stay! We can’t let him go!”

The sect Masters shouted and hurriedly activated their treasures to attack again. However, they were too late. The figure was like a ghost and as fast as lightning. In a few flashes, it was far away.

In the blink of an eye, he had completely disappeared.

“It’s Yu bu! Damn it, this kid got away!”

The group of sect Masters chased for a while, but seeing that they couldn’t catch up, they had to stop.

“Let’s go! He’s really gone!”

“Even so many sect Masters can’t stop him. He’s too awesome!”

Everyone looked on from afar and was shocked.

Even though the figure had long disappeared, they still stood in place, looking at the distant sky, unable to come back to their senses for a long time.

“This battle will definitely shake the entire first continent!”

“Qin Wang is still alive, so the sect Masters will definitely not let this matter rest. Qin Wang is not someone easy to deal with. Our first continent will be in for a good time!”

A moment later, the crowd was in an uproar.

Everyone was extremely excited.

Very quickly, the news of Qin Wang’s return, his defeat of the Yushi family’s head, and his safe escape from the encirclement of the sect Masters spread like wildfire.

This piece of news shocked countless people and shocked the entire first continent.

“Qin Wang is still alive! How old is he, and he’s already at the sect master level? damn, this is too abnormal!”

“So it’s the Qin Emperor. I was wondering why those great sects had summoned Supreme treasures. So it’s to deal with this demon! Oh my God, twenty Supreme treasures have been activated at the same time. It has been many years since such a situation has occurred. ”

The first continent was in an uproar.

Everyone was talking about this.

This news had even spread to the divine mountains and the Divine Masters.

“Qin Wang? Isn’t it that little devil! How is he still alive?”

“Even old master Yu was defeated? Hiss! That kid seems to have become even more powerful!”

The various divine mountains were also in an uproar.

All the descendants of the untainted land knew that the King of Qin was an extremely brutal devil. Not only did he kill them, but he also dared to eat them. He was a great enemy of the descendants of the untainted land.

“Someone, send a message to the other God Lords and make an appointment with them to discuss the plan,”

On the divine mountains, the God Lords couldn’t sit still anymore. They all moved out to discuss this matter.

The great sects were also in action.

For a moment, the entire first continent was filled with a murderous atmosphere.
