

The Mightiest Little Peasant Chapter 123

Ma Fangfang felt a chill up her spine and took a few backward steps.

The disgust in her eyes became more intense.

Then, she straightened her brows and chided, "Leave Mom out of this! You're not worthy. You're a grown adult man, but all you do every day is eat, drink, gamble, and flirt with women. You squander Mom's hard-earned money but give nothing in return.

"A man like you is nothing but human scum and trash. You're not worthy to be my stepfather! Now, I want you to get lost! I, Ma Fangfang, have no relation with you, Huang Haijiang."

"You..." Huang Haijiang was instantly furious. His eyes were like bronze bells and his expression was ghastly.

He glared at Ma Fangfang viciously, then started to smirk. "You filthy b*tch, you think you can get rid of me just because you're grown up now. No chance in hell! I'm still your stepdad!"

Then, he turned and looked around him.

"Tsk ts! This is a nice place! Look at the decor here. It's a big company, and your salary should be high, right? I'm not asking for a lot. I'll be happy if you can give me half of what you earn.

"If you don't want to give me, sure! Don't blame me for what I'm about to do to you. I'll come here every day to make a fuss. I'll see how you survive here!" Huang Haijiang's face turned savage as he spoke.

"Half?" Ma Fangfang's face was incredulous.

“You might as well go rob a bank then!” She shrieked, “This is my hard-earned salary. What right do you have to take it from me? Go away from me at this instant. I will not give you a single penny.”

Huang Haijiang’s face turned dark, and his eyes flashed with violence.

Slap!

Everyone in the lobby heard the crisp slap on Ma Fangfang’s face.

They did not expect the man to assault another person in a public place.

Some people were angry. They rolled up their sleeves and ran toward him.

“What do you think you’re doing? She’s my daughter, and I’m her dad. Are you going to interfere with my family matters? Are you going to stop me from disciplining my child?” Huang Haijiang yelled at the people around him like a madman.

The people that were rushing over stopped and showed hesitation on their faces. It was quite troublesome to meddle in another family’s matters.

Huang Haijiang smirked and looked self-satisfied.

Ma Fangfang stumbled a few steps backward. “You dare hit me?” She shrieked as she covered her face.

“I’m your dad. So what if I hit you? You won’t die anyway. It’s not like I’ve never hit you before!” Huang Haijiang said viciously.

“Let me ask you one more time. Are you giving me the money or not?”

Ma Fangfang resolutely shook her head. “In your dreams! I will not give you a single penny.”

Huang Haijiang’s facial muscles twitched and contorted. “You b*tch. I’m your dad, and you dare disrespect me? Alright! Let’s go home then! It’s been a long while since I’ve talked to you.”

Then, he narrowed his eyes and looked at Ma Fangfang’s chest. “They’ve grown so big!” He said softly.

Ma Fangfang retreated frantically, showing panic on her face.

“Go home with me now!” Huang Haijiang pounced on her. He reached out and tried to grab her arms.

“Don’t come near me!” Ma Fangfang cried and her face turned pale.

She stumbled backward, then knocked into someone behind her. She was shocked and turned around to see who it was. She breathed a sigh of relief and looked pleasantly surprised when she discerned that it was Tang Hao.

“Don’t panic!” Tang Hao propped her by the shoulder while reaching out to block the hand that was attacking her.

“Who the f*ck are you? Mind your own business. I’m her dad, what right do you have to stop her from going home with me?” Huang Haijiang cursed angrily.

“Do human scum like you deserve to be called ‘father’?” Tang Hao chuckled. The disgust on his face was evident.

“What... What did you say? You dare to call me human scum?” Huang Haijiang was almost jumping out of anger. His face was contorted.

“You heard that right, human scum!” Tang Hao said coldly.

“I’ll kill you, you brat!” Huang Haijiang gritted his teeth. He wanted to pull his hand away but found out that Tang Hao was too strong. Instead, he lifted his other hand and swung it at his face.

Tang Hao’s glare suddenly became cold. He abruptly loosened his grip on Huang Haijiang’s hand, then took a step forward and swung an open palm on Huang Haijiang’s face.

Slap!

A crisp slap resounded in the cavernous foyer.

Huang Haijiang grunted. The slap had sent him flying, and he fell on the ground on his butt.

He was dazed. His entire body trembled as he sat there, covering his face.

“I’ll slaughter you, you damn brat!”

Huang Haijiang’s face contorted and became extremely savage. With a roar, he pounced from the floor and rushed toward Tang Hao as though his life was forfeit.

Tang Hao smirked. He lifted a leg and kicked it squarely on Huang Haijiang's abdomen.

Huang Haijiang's body curled up like a shrimp. He flew backward once again and fell face-up on the ground.

Tang Hao glanced at him and laughed coldly.

He had seen the incident with his eyes. Human scum like Huang Haijiang were worse than animals. Tang Hao would not show any mercy to him.

"You dare hit me, you damn bastard?" Huang Haijiang roared. His expression was manic as he got off the floor.

"What is your name? What's your relation with that little b*tch?" Huang Haijiang's eyes flashed with killing intent as he saw Ma Fangfang hide behind Tang Hao and hold his elbow tightly.

"None of your business!" Tang Hao smirked.

"None of my business? I'm her dad, you brat! Let me tell you, I'll never let my daughter be with someone like you!" Huang Haijiang said viciously.

"You little b*tch, so you're flirting with other men when I'm not looking! I'm sure that you've already lost your virginity! Follow me home, you shameless piece of trash!"

As he spoke, Huang Haijiang took several big steps and tried to grab Ma Fangfang.

Tang Hao lifted his hand and delivered another slap on his face.

The slap was more powerful than the last one. Huang Haijiang flew backward in a straight line.

“You’d better watch yourself. Scum like you don’t deserve to be called a father. You’re not related to Ma Fangfang. She doesn’t have a father like you,” Tang Hao took several steps forward and said coldly.

Huang Haijiang struggled to stand up. He looked almost insane.

Before he could say anything, Tang Hao delivered another slap to his face. Huang Haijiang’s frail body spun like a top, flew out of the entrance, and rolled down the stairs.

Both sides of his face were swollen. He looked pathetic.

Tang Hao walked down the stairs. “Listen carefully. Stay away from Ma Fangfang now, and never contact her again. If I see you in front of her, it won’t be just a beating next time.”

Tang Hao grunted coldly, then turned and walked back to the building. “Two of you, make sure that he stays out!” He ordered the security guards at the entrance, “If he comes back again, immediately call the police and arrest him.”

“Yes, Mr. Tang!” The two security guards replied politely. Then, they went out of the entrance, held Huang Haijiang one arm each, and carried him away.

“Stay away!” The security guards brought him away for some distance, then tossed him at the side of the road.

They did not have any respect for human scum like Huang Haijiang.
