

## The Mightiest Little Peasant Chapter 1259

“It’s so high!”

Tang Hao stood in front of the divine mountain and looked up. He could not see the end.

“Of course, this mountain is extraordinary. It’s a real divine mountain!” The eldest son of Kunwu said proudly from behind.

“There must be a lot of treasures!”

Tang Hao’s eyes brightened.

“That’s for sure. Why don’t you think about what kind of force my Kunwu is!” The eldest young master was even more proud.

“Mine! All of them are mine!”

Tang Hao’s eyes glowed as he rushed forward impatiently.

The eldest young master was speechless.

He was completely speechless!

He had originally thought that this was an upright, kind, and warm-hearted young man, but in the end, he realized that he was wrong, ridiculously wrong.

This fellow Daoist looks delicate and pretty, but in reality, he’s extremely brutal. He’s even called a devil by others.

This mountain was the center of Kunwu, so it naturally attracted the attention of many old monsters. As Tang Hao rushed up, he caused a huge commotion. There were cries of alarm everywhere, and the whole mountain was in an uproar.

Soon, Tang Hao was halfway up the mountain. This was where Kunwu's main hall was located, and a vast Hall was built there.

And this was also the place with the most people.

Tang Hao saw many familiar faces, including the flame immortal, the martial immortal, the people from the heavenspan sect, perfected Lord Yu Ling, the sect Masters, and the Divine Masters.

They formed groups of three to five and explored the palace.

From time to time, there would be rumbling sounds. They were bombarding the restrictions.

Although this place had a long history, Kunwu was a legendary place after all. The restrictions and arrays here were all set up by half-immortals, so they were not completely broken even after so long.

If they were not careful, their lives might even be in danger.

Of course, there were also sounds of fighting. Most of them were the old monsters of the human race fighting against the descendants of the primeval era.

The two clans had been in conflict for a long time and could be said to not see eye to eye with each other. Even a small conflict could cause a big fight.

"It's the King of Qin! He's here!"

Tang Hao's arrival caused a commotion.

Both the human race and the descendants of the untainted land looked up.

However, no one moved. Even true Lord Yu Ling, who hated Tang Hao to the core, did not move. Instead, he lowered his head and continued to attack the restriction.

"Hmph! This little rascal ... I'll deal with him later!"

He muttered as he attacked.

At the moment, the treasure was the most important thing. Furthermore, that kid was too slippery and had a void divine ability. It would be difficult to kill him.

“Let’s get the treasure first! We’ll deal with that kid later!”

Beimen Yi said as he looked away.

“Senior is right!”

The Jiang family’s master and the others agreed.

“Senior, quickly take a look. How do we break this restriction?”

“Senior, senior, come and take a look. How do we break this array?”

Then, they started shouting enthusiastically.

Beimen Yi stroked his beard and laughed. “No hurry, no hurry, let me look at them one by one! This restriction ... Was simple, too simple! You blast this place! It will be broken in a moment!”

“Let me see, this formation is simple, very simple! That’s right, I’ll blow this place up, and I guarantee you’ll get twice the result with half the effort!”

“Many thanks, senior!”

“Ah! No need! No need!”

North Gate waved his hand, but his whole body was floating.

The feeling of being sought after by others was simply too wonderful.

“Thanks to senior, our efficiency is the highest. Look, we’ve already taken down five or six palaces, but they’ve only taken one or two at most,”

“Hahaha! Look at the Three Pure Ones, not a single one of them has been destroyed!”

They looked around and laughed proudly.

With a half-immortal guiding them, they were very efficient in breaking the restrictive spells and arrays, and they also collected the most treasures.

Hearing this, he laughed and the people around him looked over with envy.

The soul of a half-immortal was too powerful!

“Why don’t I have the luck to obtain half a celestial’s soul?”

They were a little depressed.

“Tsk! Do you think you are Ji Wu? This kind of luck is shocking and can be called a cheater. It only appears once in a few thousand years!” Someone immediately shouted.

“F \* ck! This old man is so cocky!” Tang Hao said angrily as he looked from afar.

He rolled his eyes and came up with a plan. He muttered, “Hmph! Old man North Gate, let’s see who’s prettier.”

Then, he shouted, “Yo! Surnamed Jiang and surnamed Ji, your harvest is not bad!”

“Hmph! You little brat, you can be envious! You’re alone, I’m afraid you can’t even take down a Palace!”

The Jiang family head sneered.

“Hahaha! It’s true, brat, this place isn’t suitable for you, get lost! In case you get jealous!” Sect master Tongtian also laughed.

“Hahaha! This little bastard also has times when he’s at a disadvantage!”

When the other sect Masters saw this, they all burst out laughing.

Previously, they had been pranked too miserably. Now that they saw this kid finally suffer a loss, there was no need to mention how happy they were.

Tang Hao could not help but roll his eyes when he heard the mockery.””Is there a need to break this kind of restriction and array? we can just go in directly!”

When everyone heard this, they were all stunned.

Then, the whole Hall burst into laughter.

“Hahaha! Kid, you’re too funny! If you have the guts, go in and take a look!” They shouted.

“Let’s go in!”

Tang Hao shouted. Then, he walked toward an intact Palace.

This Palace had not been opened by anyone, and there was a layer of restriction on the outside. Many people had tried, but because the restriction was too strong and too dangerous, they had all given up.

Seeing this, everyone was stunned.

They were just saying it. They never thought that this guy would really try it. Wasn’t this clearly courting death?

That was an ancient restriction. Once it was touched, even a Dao-slaying Supreme might not be able to withstand it.

“Is he crazy?”

Everyone was in disbelief.

“Hey! He’s definitely just bluffing. He’s not stupid, how could he really go and die!” Someone laughed.

But then, they could no longer laugh.

The Qin Emperor really walked over and directly crashed into that layer of restriction.

They were all stunned.

Before they could recover from their shock, something even more shocking happened. Qin Wang passed through the restriction and entered the hall. However, there was no reaction from the restriction at all.

“This ... How is this possible?”

They were all dumbfounded.

“You see, I wasn’t wrong, right?”

Tang Hao turned around and spread his hands.

After that, he began to plunder. He released a group of golden armored men, and like a whirlwind, the entire Palace was emptied in the blink of an eye, not even a tile was left.

“Mother! This is too clean!”

The old monsters were speechless.

“Damn it, this damn brat! They’re simply locusts!” When True Monarch Yu Ling saw this, green veins popped out on his forehead.

This was how Yushi’s house was emptied.

Tang Hao moved on to the next Palace after emptying it.

“No way! He still wanted to try! This time, he would definitely not succeed! I’ve just tried that one, and it’s very powerful!”

However, before he could finish his sentence, Tang Hao stepped into the room. It was a light and simple step.

All the old monsters were dumbfounded, their eyes wide open.
