

The Mightiest Little Peasant Chapter 1271

“Mother of God!”

Daoist Chi Lian shrieked and ran.

The aura of the old locust tree in front of him was too terrifying, and he could not even think of resisting it.

With a Swoosh, he flew out of the sun Sky Valley and fled in a hurry.

In the distance, the other three people were waiting with their heads raised. They were stunned when they saw Daoist Chi Lian rushing over.

“What is old man Chi Lian doing?”

“Why does he look like he’s running for his life?”

The three of them were a little dumbfounded.

Daoist Chi Lian was full of confidence when he left, but after a while, he ran back in a panic. His expression was as if he had seen a ghost. He was clearly frightened.

But how was that possible?

Old Daoist Chi Lian was a Dao-slaying Supreme, what could have scared him like this?

“Al! Old man Chi Lian, what’s wrong? Why do you look like you’ve seen a ghost?”

The three of them went up to him and asked.

Daoist Chi Lian finally stopped. He panted and said with a lingering fear, “Hey! I’ve really seen a ghost. You will never believe what I just saw!”

“What did you see? Just tell me!”

“A demonic tree! An old demonic tree that has lived for tens of thousands of years is truly terrifying!”

The three of them were stunned when they heard this.

Then, he burst into laughter.

“Old man Chi Lian, you’re such a Joker!”

“A demonic tree that has lived for tens of thousands of years? Hahaha! This is too funny! How could there be such a thing in that small Broken Valley! I don’t think there’s one in the entire Qi Yuan planet!”

They didn’t believe it.

“It’s true!”

Daoist Chilian argued, his face flushed red.

Seeing that he didn’t seem to be lying, the grey-robed old man pondered for a moment and said, “Old man Chi Lian, have you been tricked? or have you been under an illusion? An old demonic tree that has lived for tens of thousands of years, don’t you think this is too ridiculous?”

“This ...”

Daoist Chi Lian hesitated.

After thinking about it carefully, it did make some sense. He began to feel that the demonic tree was bluffing and deliberately deceiving him.

The more he thought about it, the more he felt that this was the case.

His old face turned redder and redder, and he was so angry that his entire body was trembling.

“Preposterous! Preposterous! I’m going to cut that broken tree, cut it into eight pieces, and then burn it to ashes!” He said through gritted teeth.

“Since we’ve been exposed, we can only go up and seal the void. We’ll suppress the valley so that the kid has no place to escape!”

The gray-robed elder said decisively.

“Alright!”

The other two responded.

The four of them moved at the same time and quickly rushed to the sun Sky Valley. When they were in the sky, their auras suddenly burst out. Then, rays of light flew in all directions, sealing the void.

“What’s that?”

“Someone’s here again, and they’re going to fight! Everyone, run!”

In the distance, Nanping City was in an uproar.

Everyone was very calm. They rolled up their blankets and ran away.

It turned out that Nanping City was right next to the sun Sky Valley, but after so many disasters, they had learned their lesson and moved the entire city a distance away.

“Old demonic tree, you dare to strike me? I’ll burn you!”

“Stinky brat, get out here!”

The four old monsters stood in four directions and shouted loudly.

“Little guy, you’re back again! You even brought back three little fellows!” On the mountain top, the old locust tree shook its branches and leaves.

“Is this the one?”

“That’s right! It’s this detestable demonic tree!” Daoist Chi Lian said angrily.

“Woof! What a wild tree! You actually dare to call us little fellows!” The grey-robed old man sneered. He was also furious.

With their status, when had they ever been looked down upon like this?

This old demonic tree deserved to die!

“What’s the point of talking nonsense with him, just run!” The perfected Lord of the heavenly note sect snorted in anger. He raised his hand and a bolt of lightning struck down.

“Little doll! You dare to play with lightning in front of me!”

The leaves of the old locust tree shook, and a bolt of lightning shot out.

The opponent’s lightning was shattered in an instant, and he continued to rush forward, striking the old monster.

Ah!

The old man couldn’t avoid it in time and was struck. His body twitched and his hair stood up.

Hiss!

Seeing this, the other three people all gasped in shock.

Daoist Chi Lian, in particular, looked terrified.

This old locust tree was a genuine Dao-severing old monster, more powerful than any of them!

“This ... How is this possible?”

The grey-robed old man was completely stunned. He felt that this was a little crazy.

“What do we do?”

The few of them were a little dumbfounded and even more panicked.

They had never expected that such a great God would be hiding in this small Broken Valley. How were they going to kill that kid?

“Calm down! We still have a chance. As long as we can delay this old demonic tree, we still have a chance to kill that brat.” The grey-robed old man shouted in a deep voice.

“Yes, yes! Stall this old demonic tree!”

“Where’s that kid? Where did it go? Quickly find him!”

The others also reacted.

“Are you guys ... Looking for me?”

At this moment, a voice came from the valley.

The four of them were all stunned. They looked down and all revealed a stunned expression.

In the middle of the valley, a young man had appeared out of nowhere. He stood there with his hands behind his back, looking at them with a smile.

“This is the kid!”

The four of them were ecstatic.

“This kid is too stupid. He actually didn’t run away and even delivered himself to the door!”

“Brat, don’t think that just because you have a tribulation artifact, you can really fight against us Dao severing cultivators. You’re just a mere Dao seeking peak stage, we don’t put you in our eyes!”

Their faces were stern as they shouted.

Tang Hao’s smile became even brighter.

He raised his foot and stepped into the air.

His white clothes were fluttering in the wind, and his black hair was flying in the air.

“Who said I’m a mere Dao seeking peak stage?”

He said coldly, pausing after each word.

With that, a ring of faint light appeared behind him and turned into a ring of Dao that enveloped him, making him look even more divine.

The four of them trembled and their expressions suddenly froze.

At this moment, their minds went blank, and they couldn’t believe their eyes.

Wasn’t this ring a Dao ring?

But how was that possible?

How old was this kid! He had clearly just reached the great circle of perfection not long ago. How did he condense a Dao fruit in the blink of an eye and step into the half-step Dao severance realm?

One had to know that condensing a Dao fruit was a very difficult thing. It was normal to take decades or even a hundred years.

But this kid!

It wasn't even half a year, only a few months!

Also, what kind of Dao ring was this? Why was the aura on it so strange that it made them extremely frightened! What great Dao had this little pervert comprehended?

They felt like they were going crazy. First, it was an old demonic tree that had lived for tens of thousands of years, and now, it was a half-step Dao crusher in his twenties!

This was all too crazy!

That old demonic tree was terrifying, but this kid was even more terrifying!

“You've all come from far away, I have to entertain you well! Why don't you stay and be a guest?”

Tang Hao smiled. He raised his hand, and a bronze bow appeared in his palm.

He pulled the bow and drew the string. A Golden Arrow was formed, and the tip of the arrow was pointed straight ahead.
