

The Mightiest Little Peasant Chapter 1318

“Fellow Daoist, let’s go to the spirit snake planet too!”

“Alright!”

“Then let’s go!”

The group of people carried Tang Hao and flew into the starry sky.

“This guy ... He just left The Tiger’s Den and entered the Wolf’s Den!”

“He’s just unlucky! That’s old ghost you, he’s dead for sure this time!”

In the square, the crowd discussed in low voices.

They didn’t feel sorry for him, but rather gloated.

A guy who came from a remote corner like Qi Yuan, and he was also a cripple, there was no value in befriending him at all, so who would pay attention to him! They couldn’t wait to see him die!

This way, they could have something to talk about and laugh about.

They gathered together and discussed for a while before dispersing.

After flying for a few hours in the starry sky, the group of people arrived at the spirit snake planet.

“Fellow Daoist, why don’t we go to the mine first?”

Old ghost you said with a warm smile.

“Alright!” Tang Hao nodded.

“Sect fellow Shi, let me tell you, I’m very good at mining. I’ve dug out several pieces of top-grade ore before!”

Old ghost you boasted to Tang Hao as he walked ahead.

“Really?”

“That’s true. If you don’t believe me, you can ask them! Just wait and see, I’ll show you what I’m capable of!”

Old ghost you patted his chest and was very proud.

But after a while, he could no longer laugh.

He stood there with his eyes wide open and his mouth wide open. He was completely stunned.

In front of him, pieces of Stardust gold were being dug out, and the bright light dazzled his eyes.

The other three people were the same, flabbergasted.

“It’s boring! Let’s go up and take a look!” Tang Hao said after digging for a while.

“Alright, alright!”

Old ghost you and the others nodded their heads. They were all stunned by this guy’s luck.

They had thought that this guy’s luck would end there, but then they realized that they were wrong, so wrong. Even on the ground, this guy’s luck was still very good, so good that it was almost abnormal.

“Go! Kill him!”

Finally, they couldn’t help but make a move.

“You ... You ... This is not good! Quickly run! Ah, Yingluo!”

Tang Hao’s burst of power easily killed the four of them.

With a wave of his sleeve, the four people’s belongings flew over. When he opened them, he saw that there were many things inside.

He took out the stellar crystals and counted them. Together with the ones he had gotten from old plagues and his gang, he had a total of more than 8200 stellar crystals.

“It’s almost ten thousand!”

Tang Hao raised an eyebrow in delight.

It was not easy to earn stellar crystals. Even people like old man plagues only had about two thousand on them.

Digging a normal ore would only earn a few stellar crystals. Some people would only earn a hundred stellar crystals after a hard trip. Picking herbs would earn even less.

Of course, this did not apply to Tang Hao. He was extremely lucky now. He had a lot of top-grade ores, rare medicinal herbs, snake eggs, and the like. His value had long since exceeded ten thousand.

Tang Hao did not calculate the value of the items. He was planning to sell them later.

“Killing people and snatching their treasures is indeed a shortcut to wealth!”

Tang Hao grinned and left.

He spent another two days on planet spirit snake before returning to planet Gaoyang.

“Eh? How is this guy still alive?”

“Al! It was really strange! First, it was old ghost Wen’s group, then it was old ghost you’s group. He teamed up with these two groups one after the other, and yet he’s still alive!”

Everyone was in disbelief when they saw him.

“It’s like this. We went to the spirit snake planet to mine, but we didn’t expect that there would suddenly be a lot of snakes coming out. We couldn’t fight them, so we ran. You know that the terrain there is complicated, and we were scattered if we weren’t careful.”

Tang Hao explained.

“I see!”

Everyone came to a sudden realization.

“This guy is so lucky! He escaped death again!”

Everyone sighed.

They believed Tang Hao’s words without a doubt. After all, this guy had a defective Dao fruit. How powerful could he be? he was definitely no match for old ghost pestilence, old ghost you, and the others.

“Fellow Daoist, are you still going? why don’t you come with us?”

Someone else was interested in Tang Hao.

“Alright!” Tang Hao agreed readily.

The crowd looked at him and shook their heads.

“This poor guy, he’s on the same boat again.”

“I was lucky the first two times, but I don’t think I’ll be so lucky this time! You’re definitely going to die!”

Everyone was very certain that this time, this fellow from Qiyuan was definitely going to die.

But in the end, two days later, this guy flew back with a swagger and nothing happened.

“What kind of luck is this? He didn’t die even after three times on the pirate ship!”

“This guy is a little strange!”

Everyone was shocked.

“What’s going on this time?” They surrounded him and asked anxiously.

“It’s quite infuriating to talk about it. We were searching for treasure on planet spirit snake and found a Dragon Python’s egg. I found it, but they insisted that it was theirs. It was a little unpleasant, and they wanted to fight, so I threw the egg away and ran away!”

Tang Hao made up a bunch of nonsense. His face did not turn red, and his heart did not race.

“This guy is quite smart!”

After hearing this, everyone muttered to themselves.

“I think that group of people is too impatient. This guy is lucky. Otherwise, how could he escape from a sneak attack?”

“That’s true! This guy’s luck is really good, he escaped from the Tiger’s mouth three times!”

Everyone clicked their tongues in wonder.

They looked at Tang Hao with great interest. In their eyes, this guy was a legend.

“I don’t believe that this guy can be so lucky every time!”

“Let’s give it a try. If we really kill this guy, we can brag in front of old ghost plagues and old ghost you!”

Many more groups of people had their eyes on Tang Hao.

Tang Hao did not refuse. He quickly set off with the group.

“He was too impatient last time. This time, this guy must die!”

Everyone was convinced.

They didn’t go anywhere for the next two days. They just stayed here, looking forward to the stars, the moon, and the return of that group of people.

But in the end, after two days, there was not even a shadow of that group of people. And that guy actually appeared again, alive and well.

“F * ck! He’s still alive!”

Everyone was dumbfounded.

“Aiyo! I’m telling you, just now on the spirit snake planet, I met a terrifying snake with the cultivation of three severals. Fortunately, I ran fast, but fellow Daoist Ling and the others ... Sigh! It’s such a pity!”

Everyone was speechless.

They were completely speechless.

He encountered a snake that could kill three?

F * ck! What kind of luck was this!

Also, why did they all die and you’re the only one who escaped alive? you’re too lucky!

“This is strange! It’s so F * cking evil!”

The crowd looked at Tang Hao and felt a little scared.

This guy from Qiyuan seemed to have a little bad luck. He had boarded the pirate ship four times, and he was safe and sound all four times.

“Damn it, I don’t believe this!”

Another group of people stepped forward and left with Tang Hao.

“This is the fifth time. I’m going to die this time!”

Everyone was a little apprehensive.

But in the end, two days later, there was a sound in the sky, and that guy made a brilliant appearance again.

The entire square in the north of the city was dead silent. Everyone was petrified.

They stood there, dumbfounded.
