

The Mightiest Little Peasant Chapter 1319

“You ... You’re not dead?”

Everyone exclaimed in shock.

“Of course I’m not dead, I’m fine!” Tang Hao sighed. What’s wrong with you guys? Why do you all have such expressions?”

Everyone was speechless.

The more they thought about it, the more they felt that something was wrong. Once or twice was nothing, but five times in a row ... Something was wrong. This guy was really strange!

“This guy is definitely the first person in history to survive five times on a pirate ship!”

“A legend!”

Everyone sighed and clicked their tongues in wonder.

There were also people who noticed some problems.

“Don’t you think it’s strange? old ghost pestilence, old ghost you, and the others are still missing. Do you think they’re already dead? could this guy have ...”

When everyone heard this, they could not help but be shocked.

Indeed, ten days had passed, but old ghost pestilence and the others were still nowhere to be seen. Even old ghost you and the others were nowhere to be seen.

Their expressions changed, and the way they looked at Tang Hao changed.

Previously, it was disdain and contempt, but now, it had turned into fear.

Even though they didn't believe from the bottom of their hearts that this fellow could kill old ghost Wen and the others, something must have happened to old ghost Wen and the others, and it must be related to this fellow.

There was no problem with his realm. He had tested it with the Dao stone in the star Hall and it was a defective Dao fruit.

With such a cultivation base, even if he had a few good treasures, he would definitely not be able to kill old ghost and the others.

Since he was not strong enough, the only possibility was that he had used a dirty trick, a sneak attack!

At this moment, they all came to a realization.

This fellow wasn't a fool at all. On the contrary, he was a scheming and cunning old fox who had deceived all of them. Old ghost Wen and the others naturally fell for his trick and thought that he was a fool. In the end, they lost their lives.

"Hiss! This guy ... What a deep scheme!"

Many people took in a breath of cold air, their faces full of shock.

They could be considered old foxes, but they had never thought that they would still fall into this guy's hands.

Those who had wanted to fool this guy were even more shocked and broke out in cold sweat.

Tang Hao turned around, looked around, and smiled. "Why? no one is looking for me?"

Everyone's face turned black. They thought to themselves, "F * ck, even old ghost Wen and the others have been sold. Who would dare to partner up with a cunning old devil like you? do you think you have a long life?"

In their hearts, this was a vicious and cunning old demon.

“No, I didn’t! Then forget it!”

Tang Hao smiled, then turned around and left.

“Damn it, I really didn’t expect that there would be a day when I would be wrong!”

“This guy ... Is quite powerful! His cultivation base isn’t that great, but he’s too scheming!”

As soon as he left, the square was in an uproar.

Some of them were cursing angrily, some of them were sighing with emotion, and some of them were staring in the direction that Tang Hao had left with greed in their eyes.

“Old man Wen! Old ghost you ... These people have tricked so many people and are all quite wealthy. Now that they’re dead, wouldn’t all their things go into this guy’s pocket?”

“I have to find an opportunity to kill him!”

“It’s not easy! We can’t fight in the city, and if we leave the city, this guy is a cunning old fox, so it won’t be easy to catch him!”

They discussed in low voices.

Very quickly, this news spread, causing many people to be stunned.

The joke of Qi yuanlai!

They had all heard of him before and had often ridiculed him. But now, they heard that this fellow was not simple. He was a cunning old demon who had killed many people. How could they not be shocked?

However, they didn’t pay much attention to it. After hearing it, they just smiled and put it to the back of their minds.

A mere guy with a defective Dao fruit was really not worth their attention.

No matter how cunning this guy was, he wouldn't be able to cause any big waves. His strength was there!

On the other hand, after Tang Hao left the city's Northern square, he went to a shop and sold some of the things he had on hand. They were mainly the things that old man plagues and the others had.

"Twenty-three high-grade Dao artifacts, fifteen mid-grade Dao artifacts ..."

" 121 spiritual herbs ..."

The shopkeeper counted the items, then took out a large bag and tossed it to Tang Hao.

The so-called high-grade Dao weapon was a high-grade true treasure. It was just a different name used in two places.

On Qi Yuan planet, there were many senior true treasures. The cultivation world was at its peak here, so there were naturally many such treasures. The Dao severing experts each had one, so they were not considered good treasures.

In this place, Supreme-grade Dao weapons, which were also Supreme treasures, were considered treasures.

Only tribulation weapons could be considered true treasures.

However, there were very few tribulation weapons. For a Dao crusher, it was extremely difficult to own a tribulation weapon.

"Thanks!"

Tang Hao took the bag and opened it. It was full of shiny crystals.

These stellar crystals were different from ordinary crystals. They were light gold in color and were completely transparent. They were extremely bright, and each of them was only the size of a thumb. However, they contained an astonishing amount of spiritual energy.

Counting it, it was 5000 Yuan.

In addition to the money he got from those people, he had nearly 30000 Yuan.

“Thirty thousand! Not bad!”

Tang Hao was in a great mood with the money.

“Let’s find a place to stay first. How about ... I rent an immortal’s cave!”

Tang Hao pondered for a moment. He had just arrived and had no place to stay. He had to find a place to stay. It was not appropriate to live in the wilderness. Many people had their eyes on him now, and it would easily cause trouble.

The best choice was still in this city.

He raised his eyes and looked ahead.

In the distance, there was a mountain in the south of the city, shrouded in clouds and mist.

That was the cave dwelling, which was specially used for rent. Not only was it safe, but there was also an abundance of spiritual Qi inside, but it was very expensive.

“Go and ask!”

Tang Hao strolled over.

When he arrived at the foot of the mountain, he found the person in charge and asked.

“Our cave abodes are divided into three grades. The best one costs 20 yuan a day, has a large space, and is rich in spiritual energy. The inferior one costs 10 yuan a day, which is lacking in all aspects. As for the cheapest one, it costs five Yuan a day.”

That person said.

“Alright! That’s the best!”

With thirty thousand Yuan in his pocket, Tang Hao was naturally very generous.

The man was overjoyed. He enthusiastically led Tang Hao up the mountain.

“Then ... How many years do you plan to rent it for? five years? or one year?”

“Five years? It’s a little long!” Tang Hao was surprised.

“Hey! Those who can afford to rent such an expensive immortal’s cave are all here for the sake of safety, to comprehend the Dao, and to break through bottlenecks. These people usually stay here for a few years, never leaving their immortal’s caves. ”

“I see!”

Tang Hao suddenly understood.

For the Dao severing stage, the most important thing was to comprehend the Dao, which was a very long process.

“How about this, let’s set a year!”

Tang Hao thought about it and decided to fix it to a year.

“Alright! Then one year!”

The man nodded and led Tang Hao to the peak of one of the mountains.
