

## The Mightiest Little Peasant Chapter 1324

“Stop!”

The young man raised his hand and shouted.

“Young master!” The two of them said indignantly.

“Al! It’s not worth it to break the rules for a piece of trash!” The young man waved his hand.

Then, he glared at Tang Hao coldly. “Don’t blame me if you’re looking for death, Shi!” I’m not killing you now because your life is too lowly and not worth it!”

“But, don’t think that you’ll be fine just because you’re here. You’ve provoked me, so don’t even think about staying in Star City any longer. I have countless ways to drive you away!”

“As soon as you leave Star City, you’ll die without a burial place!”

“Is that so?”

Tang Hao said coldly.

This attitude made the young man even more furious.

A mere cripple, a lowly good-for-nothing, dared to speak to him like that!

To him, this was a great humiliation!

The anger in his heart was burning.

“Shi, you dare to provoke me? you will regret it!” He gritted his teeth and said in a cold tone.

Then, he turned around and said to the two, "First, destroy this shop, ruthlessly destroy it, until it's completely smashed. Then, go to lingguang peak and have the people there seal up the cave!"

Tang Hao's expression darkened, and his eyes were filled with killing intent.

"You're forcing me!" He took a light breath and said word by word.

The young man couldn't help but laugh.

"Force you? What a joke! Do you have the strength? I'm humiliating you. I'll let you know the consequences of messing with me. And you, you can't do anything about it!"

"Trash like you don't even have the right to carry my shoes, and you want to fight with me?"

He said ferociously.

"Yes! Young master!"

The two Dao slasher responded with excitement.

"What kind of broken shop is this? Smashed! Smash it!"

With a wave of their hands, their Qi energy surged and destroyed everything in the store.

Tang Hao's expression turned even colder.

"Shi, aren't you very gutsy? Come at me if you have the guts! Do it!"

"Hahaha! Did he dare to? Although he's also a Dao crusher like us, he's born with a disability. This kind of trash is only a little arrogant in his words, but in fact, he's a coward!"

As they smashed, they laughed and provoked him.

Peng Peng Peng!

The tables, chairs, and counters in the store exploded one by one, and broken wood flew everywhere. It was a mess.

Tang Hao took a deep breath. He could barely contain the killing intent in his chest.

“You guys ... Don’t force me, I don’t want to kill anyone!”

He said in a cold voice.

Hearing this, the three of them were stunned. Even the people outside were stunned.

Then, the entire Hall burst into laughter.

“Listen, this guy wants to kill someone!”

“Hahaha! Who could he kill? Besides, even if he had a hundred guts, he wouldn’t dare to make a move here!”

Everyone laughed out loud, feeling that this fellow was extremely laughable.

Once this guy was crippled, his strength wasn’t that great. His opponent was from the sun Moon Mountain. Which one of the people from the sun Moon Mountain wasn’t an expert? they could crush this guy alone.

Even that young master long, although he had yet to sever his Dao, he was a monster with powerful abilities. He could probably kill him by himself.

What right did he have to fight with these people?

As long as he dared to move, young master long would be able to kill him on the spot.

“Hey! He’s just a coward. Let’s forget about such ruthless words!”

The crowd burst into laughter and treated it as a joke.

The young man also laughed. He took a step forward and shouted, "Come on! I'm standing right here, why don't you make a move! If you don't make a move, then you're really trash, a coward!"

Tang Hao stood there, unmoving.

The young man sneered, "what? you're scared now?" Aren't you very gutsy?"

"Shi, don't worry. I won't kill you so quickly. Before I do, I'll torture you and let you know the consequences of provoking me."

"Oh right, you're from Qiyuan, right? You might have friends and family there. These people deserve to die!"

"I don't know where Qi Yuan is now, but as long as I capture you and search your soul, I will know. I will capture them one by one and kill them in front of you!"

As he spoke, his expression became more and more ferocious.

Tang Hao's expression darkened.

"Come on! Do it!"

The young man took another step forward, puffed out his chest, and shouted arrogantly.

Tang Hao finally moved.

"Since you want to die so much, I'll fulfill your wish!"

He suddenly raised his head, revealing a cold face. In his eyes, there was a bone-chilling killing intent.

He raised his hand and waved it gently. A golden light flew out.

Seeing this, the young man was not surprised at all. Instead, he was overjoyed. This guy had finally made his move. Now, he could kill him with a legitimate reason.

“They’re making their move!”

Outside, there was an uproar.

But everyone did not think that this guy would really make a move. Wasn’t this clearly courting death!

If he had admitted defeat, he might have had a chance to escape from Star City, but now, he was dead.

“Hahaha! Good!”

He laughed out loud, and the treasured clothes on his body glowed brilliantly. Golden dragons surged out to meet this golden light.

The two Dao-slasher didn’t panic. With their young master’s strength, even they couldn’t kill him easily, let alone this guy.

But immediately after, their expressions changed.

As the golden light flew over, it destroyed the Golden dragons and the light curtain. In the blink of an eye, it was in front of the young man.

The smile on the young man’s face froze, and then it changed drastically. It twisted crazily, revealing extreme shock and horror.

What kind of treasure was this?

How could he break through his defense with one strike?

He didn’t even have time to think as the golden light came straight for his throat.

Pfft!

With a soft sound, the golden light pierced through his throat. Then, the remaining force exploded, causing his entire body to explode.

The two Dao slasher were completely stunned and couldn't react at all.

In the sky filled with blood light, a ray of light flew out. It was that fellow's divine soul. It sat cross-legged on the platform and was about to rush in the direction of the two people.

"Hmph!"

Tang Hao extended his hand and activated the moon scooping ability. The divine soul flew over and landed in his palm.

"How did this happen?"

The young man was scared out of his wits.

He couldn't understand how a piece of trash could break through his defense in one strike. Also, what kind of spell was this? How did he suddenly end up in his hands?

"You ... You dare to kill me?"

He struggled madly and shouted, "you can't kill me. I'm from the sun Moon Mountain. I'm one of the nine great young masters. If you kill me, the sun Moon Mountain will never let you off."

"You've already committed a great crime, why aren't you putting me down!"

Tang Hao's expression was cold as he held the divine soul.

"Sun Moon Mountain? The nine great young masters?"

He mumbled to himself and sneered, "what the hell!"

"Even the heavens have never made me yield. Who Do You Think You Are?" Tang Hao smirked and crushed the divine soul and the platform with a soft bang.

"Ah!"

With a shrill cry, the so-called young master long was completely dead.
