

The Mightiest Little Peasant Chapter 1325

The shop was dead silent.

On the street not far away, it was so quiet that not a single sound could be heard.

Everyone was frozen on the spot, their faces blank.

“Young master long ... Is dead?”

They could not believe their eyes.

He was one of the nine great young masters of Mount Riyue, a famous monster. Even if he was only half a step into the realm of Dao severance, he could rival a severing one and had even killed many severing one cultivators.

But now, he was actually so easily killed by that trash surnamed Shi!

‘How ... How is this possible?’

Also, is that Shi guy really crazy? He even dared to kill the People of the Sun Moon Mountain!

“This ... This is a big problem!”

Many people mumbled.

That was the face of one of the nine great young masters, the Sun Moon Mountain!

The Sun Moon Mountain would definitely be furious. At that time, the entire star field would tremble.

In the shop, the two Dao-severing cultivators were also frozen in place with incredulous expressions.

When they came back to their senses, their bodies trembled and their faces were filled with fear.

It's finished!

Young master long had died in front of them, so they couldn't get away with it. They would probably be severely punished when they returned.

It was all this guy's fault! He was the one who harmed them!

Then, they glared at Tang Hao with hatred.

"Capture him! Bring him back to the sect!"

A Dao crusher shouted.

Their bodies trembled slightly, and their auras exploded. Their eyes burst with a blazing brilliance, like two blazing Suns.

Mount sun and moon had the sun and moon meridians. They cultivated different mantras, and these two people were from the sun Meridian.

"You dared to kill my young master. I'll make you pay with your life. Not only you, but everyone on Qi Yuan planet who is related to you will all die!"

They roared and urged the two flying swords to attack.

"Hmph! You're overestimating yourself!"

"Hmph!" Tang Hao flicked his hand, and the golden sword flew out again. With two clangs, the two flying swords were knocked away. Then, the golden light flickered twice.

Pfft! Pfft!

The two men's bodies trembled violently, and they spat out blood. They crashed through the wall and flew backward.

The golden light flashed again, and there were two more plops.

This time, it wasn't the sound of blood being spat out, but the sound of a flying sword piercing through flesh.

Then, with two bangs, the two figures exploded in the air before they even landed.

Blood splattered, dyeing the entire Street red.

The divine souls of the two people did not manage to escape either. They were caught up by the golden light and killed one by one.

Whoosh!

The golden light turned around and flew back into the store.

The surroundings became deathly silent once more.

Everyone was frozen and dumbstruck.

He could still find an explanation for killing young master long with a single blow. Young master long had underestimated his enemy. Moreover, young master long was not at the Dao severance realm. He was only at the half-step Dao severance realm. His cultivation was still a little weak.

In his state of underestimating his enemy, he was killed before he could even use his powerful techniques.

But now, in a direct confrontation, how could the two Dao-severing cultivators of the sun Moon Mountain lose to that Shi guy?

Didn't they say that the one surnamed Shi was only a cripple?

This ... How did this look like a cripple?

“It’s that sword! That’s a treasure sword, a Supreme-grade Dao artifact!”

Suddenly, someone exclaimed.

“It’s definitely not an ordinary Supreme-grade Dao artifact. It must be an ancient treasure! That’s right, it must be a treasure that guy obtained from the ancient cave mansion!”

Someone else shouted.

In an instant, everyone’s eyes turned red and their breathing became rapid.

It was an ancient treasure-level Supreme-grade Dao artifact!

It was an existence second only to tribulation artifacts, a treasure that all Dao severing cultivators dreamed of!

“The news is true! He really did find an ancient cave abode on the spirit snake planet!”

“If there’s even such a treasure, there must be other treasures in the cave!”

Everyone was gasping for breath, and their eyes were filled with greed.

Previously, they had some doubts about the news, but now, they believed it all.

They all activated their Dao energy and took out their treasures.

Before this, they didn’t dare to break the rules, but now it was different. This guy had already made a move and even killed the People of the Sun Moon Mountain. It was perfectly justifiable for them to make a move.

“Kill him! We’ll snatch the treasure!”

“He killed young master long. If we kill him, we will be avenging the sun Moon Mountain. We might even get a reward from the sun Moon Mountain!”

The crowd became even crazier.

“A!”

In the shop, Tang Hao put away the golden sword. He looked at the hole and the mess in front of him, and sighed.

Initially, he wanted to keep a low profile and live a good life. He wanted to earn money while cultivating and comprehending the Dao of life and death.

But the heavens didn't grant his wish!

If he killed these guys, it would be like poking a hornet's nest. The sun Moon Mountain would definitely hunt him down endlessly. He wouldn't be able to keep a low profile even if he wanted to.

“I really didn't want to kill anyone. You guys were the ones who provoked me!”

He muttered and sighed again.

“Forget it, I've already killed him! Besides, it's just a mere Sun Moon Mountain, what do I have to fear!”
“Hmph!” Tang Hao grunted coldly.

He, Tang Hao, had never been afraid of anyone!

“Since you've already killed him, then let's kill to our heart's content!” Tang Hao raised his head and looked around. His eyes were filled with murderous intent.

These people dared to covet his things, so they deserved to die!

He took a step and walked out of the shop.

In an instant, countless gazes were cast over and fell on him.

These gazes were filled with greed and madness.

Around the shop, there were countless figures, even the sky was filled with them.

Young master Long's arrival had caused a stir in the entire city, attracting many people to come and inquire about the situation.

Pada! Pada!

Only Tang Hao's footsteps could be heard.

Those people all held their breaths and stared at him with fanatical eyes, as if they were looking at some peerless treasure.

After five steps, Tang Hao stopped and turned around to look around.

"Good! Very good!"

He walked around and smiled faintly.

"Hmph! Surnamed Shi, to think you can still smile. You killed the People of the Sun Moon Mountain, and even dared to kill young master long. You have committed a heinous crime! Why don't you obediently surrender and let us take you to the sun Moon Mountain!"

"Shi, you're about to die, and you're still laughing!"

Curses were heard from all directions.

Everyone thought that this guy was really crazy. Not only did he dare to kill young master long and the others, but he could still laugh in front of so many people.

"Shi, you demon! Today, I'm going to enforce justice on behalf of the heavens and kill you!"

Someone jumped out from the crowd and shouted while pointing at Tang Hao.

“Do the work for the heavens?”

Tang Hao chuckled. He flicked his wrist, and a golden light shot out. It disappeared in the blink of an eye, and when it reappeared, it was in front of the man.

Pfft!

The protective light screen was shattered, and the golden light directly penetrated the head.

The head exploded like a watermelon. Red and white matter splattered all over the place.
