

## The Mightiest Little Peasant Chapter 1329

In the distance, a figure stepped through the air.

The Golden Boat above his head bloomed with boundless radiance. As he brandished the sword in his hand, clouds of blood-colored light exploded.

The escaping perfected Lords froze at first, then screamed in horror as they watched their bodies age and decay. Finally, they were killed by the sword.

Such a relaxed posture was as simple as cutting melons and vegetables.

“My ... My God!”

Everyone’s eyes were wide open in disbelief.

Was this guy in front of him really that Shi guy?

How could this be possible?

Wasn’t that Shi guy a good-for-nothing? he was an existence that they laughed at. He was the joke of their leisure time. Every time he was mentioned, they would sneer at him.

They had seen the real person before. In their impression, this person with the surname Shi was very low-key.

However, the person in front of him was shockingly sharp and fierce. This kind of elegant demeanor was clearly a peerless figure. How could it be that surnamed Shi?

At the entrance of the star Hall, Deacon Yun heard the commotion outside and walked out.

Looking into the distance, his body trembled and he was dumbstruck.

Pata!

The thing in his hand unconsciously slipped out of his hand and fell to the ground.

His eyes were wide open, and his heart was already in turmoil.

“This ... This ...”

His lips trembled, and he could not even complete a sentence.

The shock in his heart had already reached a point of no return.

That’s impossible!

He had clearly tested it himself, but the Dao stone had no reaction at all. This guy must be a defective Dao fruit. However, how could a guy with a defective Dao fruit have such divine power?

What was that Golden Boat?

Could it be a Dao fruit?

Oh my God! What was going on?

He was completely dumbfounded and more and more horrified.

A moment later, he sighed and muttered, “I was wrong! I’ve misjudged you ...”

He kept mumbling like he was in a trance.

From all over the city, more and more people walked out. Seeing this, they were all stunned.

Then, the entire city was in an uproar.

“The little Dragon king is dead! So many people had died. That Shi guy had gone crazy! He’s going to massacre the entire city!”

“Hurry up! Stop him! We can’t let him cause trouble on our planet!”

Furious roars erupted from all directions.

One after another, figures soared into the sky and pounced toward that figure.

“Demon, stop! This is planet Gaoyang, you can’t cause any trouble!”

“Kill him!”

They roared, their battle intent soaring.

“You’re looking for death!”

“Hmph!” Tang Hao snorted. The Samsara boat above his head trembled. At the same time, he raised his left hand and slapped in all directions.

Giant Golden Palms appeared one after another, accompanied by the light of reincarnation, and bombarded.

Ahhhh!

With just a single blow, several people were sent flying backward, spitting out blood.

“Hiss!”

The people who were rushing over all sucked in a breath of cold air. They were shocked by such a fierce might.

“Get out of the way, let me do it!”

Suddenly, a loud shout exploded.

A figure rushed into the sky and swept over.

“It’s patriarch heavencloud! The master of beheading two!”

“Hahaha! The master of beheading two had made his move! This guy is finished!”

The four sides immediately cheered, and those who were running away stopped, revealing a look of joy.

Although the man surnamed Shi was powerful, he could only show off his power in the realm of one severing. Once the realm of two severing was used, he would only be met with death.

There was a heavenly chasm between slash two and slash one that was impossible to cross.

“A mere one severing cultivator dares to be so impudent on planet Gaoyang! I, patriarch heavencloud, have never bullied the weak, but today, I have no choice but to act!”

The person shouted loudly, his voice rumbling and shaking the void.

“Choke!”

It was the sound of a sword being drawn.

An unparalleled golden light burst out, and the sword Qi turned into a long river that pierced through the nine Heavens.

The entire sky was covered by the sharp sword Qi.

“Kill him!”

The crowd roared, their eyes flashing with excitement.

The divine might of slash two was not something a mere slash one could withstand. With one slash, that guy would definitely be ground into dust.

“Hmph!”

Tang Hao snorted, but he was not afraid.

He stood in the air and kept his golden sword. With another flash of light, a bow appeared in his hand.

The bow trembled and exploded with a shocking divine might.

He pulled the string and drew the bow. An extremely bright golden light gathered on the bow and turned into a Golden Arrow.

In an instant, the world darkened and the wind and clouds changed.

“What ... What’s that?”

Everyone was shocked and looked at the bow in disbelief.

“This aura ... No! How is this possible?” Someone trembled as he mumbled.

No matter what, they could not believe their eyes. That divine bow was actually emitting a trace of tribulation weapon aura.

It was a tribulation weapon!

How could he have a tribulation weapon at the level of one cut?

“This ...”

When patriarch tianyun saw it clearly, his eyes popped out in shock.

Even he was afraid of the bow's aura.

Subconsciously, he wanted to retreat, but it was too late. With a Swoosh, the Golden Arrow was shot out, tearing apart the nine Heavens long river formed by the sword Qi and arriving in front of him in an instant.

Ah!

There was a scream.

A blood-red light exploded in the air.

A figure fell from midair. After falling for a distance, he stopped and then fled to the side in a panic.

"Patriarch heavencloud ... Ran away?"

Everyone was stunned.

"How could this be? Even slash two can't do anything to him!"

"It's a tribulation tool! That tribulation weapon is too powerful!"

Everyone shouted and began to flee again.

Tang Hao's body flickered as he attacked again. He killed his way from the East to the West, then to the South, crushing everything in his path.

"The firmament banner! The city is going to be massacred!"

Everyone cried out in grief.

This was the first time in the history of planet Gaoyang that something like this had ever happened. This was the greatest humiliation they had ever experienced!

“Is there no one who can do anything to him?”

Everyone looked around, looking for the masters who had slashed two and three.

However, no one stood up. There were very few people who had slashed three. They were either traveling the starry sky or cultivating in seclusion. As for slashing two, there were quite a few here, but after seeing what happened to patriarch tianyun, they didn't dare to act rashly.

Just as everyone was in despair, beams of light suddenly appeared in the sky and descended.

“Guys, look! It's the people from Mount riyue!”

“The people from the sun Moon Mountain are here, haha! We're saved!”

The crowd cheered.

In the sky, hundreds of lights fell like meteors. All of them were wearing sun and moon robes, and their faces were cold and murderous.

“Where is the murderer? Capture him, bring him back to the sect, suppress him for all eternity, and let him suffer the pain of ten thousand tribulations!”

Their gazes were like lightning as they swept down.

“Eh? What's going on?”

Seeing the chaotic situation in the city, they were all a little puzzled.

“Over there! It's definitely him!”

Their gazes soon locked onto Tang Hao.

“Just a mere cut of one?”

When they looked at it, they were stunned.

“That Dao fruit is a little strange. It’s a Supreme great Dao! He really did have some strength! No wonder these people can’t do anything about it!”

“Hurry up and capture him!”

The cultivators of Mount Riyue accelerated and descended toward Tang Hao.
