

The Mightiest Little Peasant Chapter 1340

“Look! Another patriarch three Slayers!”

In the sky of the abyssal ring star, another ray of light descended. Three Dao rings lit up the sky.

The person was dressed like a monk and was wrapped in cloth. His body was thin and his skin was red and gold in color, suffused with the luster of steel.

“It’s old ancestor raka!”

The crowd quickly recognized him.

He was another well-known master of slashing three!

“How many are there?”

“Hey! I’m not sure, there are too many!”

At first, the group of true Lords who had cut one was still excited, because it was not often to see people who had cut three. But gradually, they became numb.

There were too many slash threes, and each and every one of them was a famous figure.

“Guys, look! That’s the people from the green mist sect!”

Suddenly, 40 to 50 rays of light fell from the sky, attracting everyone’s attention.

Everyone’s faces revealed a look of respect.

The green mist sect was the number one force on planet Gaoyang. Back then, it was the green mist sect’s heavenly Lord Green mist who had acted and stopped old Demon Stone.

Soon, another group of people arrived.

“It’s the sunset sect! Another top force!”

On the nine main stars, almost all the top forces had come and sent many experts.

The sun Moon Mountain naturally came as well. Over a hundred rays of light, seven of them had killed three experts, leaving everyone speechless.

“Look, the one leading the team is old long! Hey! He was also miserable! It wasn’t easy for me to have a promising grandson, but he was killed by that old Demon Stone. ”

Everyone’s eyes swept around and fell on the person leading the team.

This man’s surname was long, and his name was tieya. He was the third elder of Mount riyue’s sun sect. He had cultivated for more than a thousand years and had reached the realm of three cuts. He was also a well-known figure at the level of an old ancestor.

Young master long, who had died a tragic death, was this person’s grandson.

He must have personally come to take revenge!

“Where is he?”

As soon as long tieya landed, he looked around and shouted.

“He’s in the cave!”

On the top of the mountain next to them, the elder leading the Qinglan sect’s team responded, “he hasn’t left!”

“Old long! It’s up to you guys!”

“Old long, we can give you the person, but we have to share the things! Your Sun Moon Mountain can’t keep everything to yourself!”

Mocking laughter came from all four directions. They were all from the sunset sect, a top force comparable to the sun Moon Mountain.

“Hmph! Don’t even think about it!”

Long tieya snorted in anger, “the person belongs to my Sun Moon Mountain, and so do the things. Don’t even think about snatching them!”

“Old man, you’re not being kind!”

There was another burst of mocking laughter.

“You bastards!” Long tieya cursed, his expression not looking too good.

“I won’t waste time talking nonsense with you. I’ll go in now and capture that fellow. At that time, if you want the treasure, you can come and snatch it!”

He looked around and sneered.

Then, he shouted to the cultivators behind him, “let’s go in! Capture that devil!”

After he finished speaking, he took the lead and swept out, rushing towards that cave.

“The show is starting!”

Everyone’s eyes lit up, and they were ready to follow.

Although the cave was dangerous, there was nothing to worry about with so many people around.

However, at this moment, a series of footsteps suddenly came from the cave.

Pada! Pada!

The footsteps were steady and powerful as they slowly walked out of the cave.

In an instant, the figures in the sky paused, and a trace of confusion appeared on their faces.

“These foots...It’s not a zombie, it’s a living person! He’s out!”

“He actually dared to come out. How dare he!”

Everyone was shocked.

There were so many people here, and that Shi guy still dared to come out? Wasn’t this clearly courting death!

“Alright! You still dare to come out!” Long tieya gritted his teeth, and a hint of anger appeared on his face.

He stopped and stood in the air. He narrowed his malicious eyes and stared at the entrance of the cave.

Pada!

The footsteps were getting closer.

In the White mist, a figure gradually appeared and stopped at the entrance of the cave. He stood there calmly, his eyes slightly raised as he looked around.

His eyelids didn’t even twitch when he saw the countless figures in the sky. There was only indifference in his eyes.

It was as if all these people were just air in his eyes.

“That’s right! It’s him!”

Everyone glanced at it and was excited.

Long tieya's Tiger-like eyes were wide open, shooting out a monstrous hatred.

"Demon, do you know who I am?"

He roared.

Tang Hao raised his head and glanced at him. "I don't know him! What, are you famous?"

"You ..."

Long tieya's face turned ashen.

This guy's tone really made him unhappy.

"My surname is long, and my name is tieya. The one you killed earlier was my grandson!" He said through gritted teeth.

"Oh!"

Tang Hao replied indifferently, "so what? That grandson of yours sought his own death and insisted that I kill him. How can you blame me for that?"

"You ..."

When long tieya heard this, he was so angry that he almost exploded. His eyes turned Scarlet.

"Demon, don't be so arrogant!"

"Hmph! A mere slash two dares to be so arrogant. If you didn't have a void divine power, you would have died last time!"

Behind him, a group of people from Sun Moon Mountain started to curse.

Tang Hao glanced at them and said mockingly, "A group of small fish, so noisy!"

As soon as he said this, the crowd fell silent.

Everyone's eyes widened, revealing a look of disbelief.

They had already trapped him here, yet this guy still dared to speak arrogantly, calling the people of Mount Riyue a bunch of trash?

This ... How arrogant was this! How arrogant!

"This guy ... He's overestimating himself!"

Then, they sneered.

Tang Hao glanced at them and said mockingly, "You guys are also trash! You're so noisy!"

Everyone was stunned again.

A moment later, the crowd was in an uproar.

"He dares to call me a small fish? Motherf*cker, he's asking for a beating!"

"I'm so angry!"

Everyone trembled with anger, especially those second and third slash old ancestors. They were all blowing their beards and glaring, about to explode from anger.

With their status, they had never been ridiculed like this before.

“You dare to call me a small fish? I’ll roast you into a salted fish first!”

“Wayaya! This guy was too detestable! Blast him to death!”

Everyone couldn’t take it anymore. They had wanted to take advantage of the situation, but now they were so angry that they had to attack.

Boom! Boom! Boom!

Beams of light shot up into the sky as a powerful aura burst forth, shaking the void.

The people from the sun Moon Mountain took the lead.

“I’ll first blast you to pieces, then I’ll capture your soul and bring it back to torture it!” Long tieya shouted and waved his hand. A Golden Wheel flew out.

The Golden Wheel glowed brilliantly like a blazing sun, cutting through the void and blasting forward.

Behind him, the People of the Sun Moon Mountain attacked in unison. Hundreds of beams of light shot toward Tang Hao.

“The void has already been suppressed, and he can’t shuttle through it. With this attack, this guy is dead for sure!”

“No matter how capable he is, he won’t be able to escape this time!”

Everyone laughed mockingly.

However, Tang Hao’s expression did not change when he faced the hundreds of beams of light.

His eyes were still indifferent. He raised his palms and held them in front of his chest. His upper and lower palms faced each other, forming a round shape.

Then, between his palms, a ray of light suddenly burst out.

The light suddenly brightened and was dazzling.

With a boom, his body shook and an unparalleled aura burst out from his body. His white robe and black hair all fluttered wildly.

Behind him, a ring of Dao appeared first. It was a huge ring, followed by another ring of the same size.

When the second Dao ring appeared, a round wheel appeared in his empty palm. It was half black and half white, but it was the yin-yang wheel.

The black half exuded an aura of death, while the White half exuded a vigorous life force.

He held the wheel in his hand and stepped forward to meet the light that filled the sky.
