

The Mightiest Little Peasant Chapter 1341

“What’s that?”

“Look ... His Dao rings are both the same size! How did this happen?”

Everyone exclaimed in shock.

However, they were puzzled. Most people’s Dao rings were the standard size, but this guy’s Dao ring was especially big. Moreover, both of his Dao rings were so big. It was really strange!

And what was that Yin Yang wheel?

They stared at the wheel, their hearts palpitating.

This wheel was actually emitting an aura that made them feel uneasy.

“Hmph! Who cares what he is, he still has to die!”

The cultivators of the sun Moon Mountain shouted fiercely.

However, the yin-yang wheel in Tang Hao’s palm trembled slightly and began to spin.

In an instant, an invisible and terrifying pressure spread out.

The entire void seemed to freeze for a moment.

“What’s going on?”

Everyone’s heart trembled, and they felt uneasy for no reason.

Something seemed to have changed in the void. The air was filled with an uneasy aura, but they couldn’t tell what was going on.

That figure held a wheel in his hand and stepped into the air, walking over step by step.

His white clothes were fluttering in the wind, his black hair was dancing wildly, and he had a peerless aura.

The wheel in his hand spun faster and faster, causing the surrounding void to distort.

Rays of light blasted out, and when they reached within ten feet of him, they all disappeared. Those doctrine artifacts, on the other hand, encountered an invisible barrier. They all stopped and fell.

These Dao artifacts were originally bright and resplendent, but as soon as they fell, they lost their luster.

The Supreme-grade and high-grade Dao artifacts were still intact, but the medium-grade and low-grade Dao artifacts were all shattered and turned into dust.

“Hiss!”

Seeing this, everyone sucked in a breath of cold air and revealed a look of horror.

“What’s going on?”

“What exactly is that?”

They couldn’t suppress the shock in their hearts and exclaimed in shock.

So many people from the sun Moon Mountain had attacked together, but they were all blocked. Even the attacks of the slash three were blocked. This ... How was this possible?

Didn’t he just cut two?

What was that?

What Dao did he cut in the second?

They stared at the yin-yang wheel, bewildered.

The rays of light disappeared silently.

The figure walked over with the yin-yang wheel in his hand. His face was cold, and even his eyes were black and white, flashing with a strange light.

“Wheel of life and death, life and death!”

He pursed his lips and spat out a cold voice.

As he spoke, his eyes turned and landed on one of the second-in-command elders in the Riyue Mountain Camp.

“Freeze!”

He let out a soft breath. Without any visible movement, the old ancestor’s body trembled and froze. Then, his body suddenly shriveled up. His life force had been sucked out, and he became a dry corpse.

Then, with a gust of wind, his body turned into fine powder and dispersed.

Everyone fell silent.

The exclamations just now were all gone.

Everyone was stunned.

Their eyes were wide open, and they were filled with extreme shock and disbelief.

That was an old ancestor who had killed two!

He had actually died so easily, and even turned into ashes!

What kind of method was this? How could it be so terrifying!

“This ... How could this be?”

Long tieya was dumbfounded. His eyes were also wide open, and he was in complete disbelief.

He had never seen such a strange and terrifying technique.

Could it be ... That this was the legendary divine curse?

“This ... No way! How is this possible?”

Suddenly, the old man from the Qinglan sect seemed to have thought of something. He exclaimed, his face full of shock.

A gulp.

He swallowed his saliva with difficulty, and his eyes were already filled with fear as he looked at the figure.

“Wheel of life and death! This was the wheel of life and death! The second Dao he slashed was the legendary Dao of life and death!”

His voice was hoarse as he shouted.

Hearing this, everyone’s hearts trembled and they found it hard to believe.

“The Dao of life and death? Impossible! Wasn’t his first Dao the reincarnation Dao! How can the second Dao be a great Dao of supremacy as well?!”

“This ... This is ridiculous! The first and second Dao were both the great Dao of supremacy? You must be joking!”

Following that, the entire place boiled over.

Everyone was in an uproar.

It was already unbelievable that the first Dao had cut off the reincarnation Dao. One must know that the reincarnation Dao was extremely difficult to comprehend and took a long time.

It was almost impossible to sever the life and death Dao with the second Dao!

“Such shocking courage!”

The old man from the green mist sect gasped and exclaimed in surprise.

The great Dao of supremacy was something that ordinary people would not dare to touch. If they could not slash out the great Dao, they would be finished. Without outstanding talent and courage, they would definitely not dare to touch it.

Not to mention, he had cut down two Supreme great DAOs in a row.

“Freeze!”

Tang Hao continued to walk forward. With a light breath, another slash two was killed and turned into ashes.

Then, another one.

As long as his gaze landed on them, they would be turned into ashes.

“The Dao of life and death ... Is too terrifying! As expected of one of the great Dao of supremacy!”

Seeing this, everyone was afraid.

Even those Masters who had cut three were shocked.

“Stop!”

Long tieya finally came back to his senses. With a thought, he recalled the Golden Wheel, activated it again, and slashed out in anger.

The wheel of life and death in Tang Hao’s hand was as solid as a rock. When the Golden Wheel flew over, it could not even get within three meters of him.

He walked step by step towards long tieya. Suddenly, a golden light flashed above his head, and the reincarnation boat flew out. With The Golden Boat above his head and the wheel in his hand, his divine might increased greatly.

Bang!

The Golden Wheel was sent flying.

Long tieya’s body trembled slightly, and his face turned deathly pale.

He was injured!

He gritted his teeth, his face ashen.

He was a mighty slash three who had dominated the starry sky for countless years. Today, he had actually suffered a loss at the hands of a mere slash two?

This was a great humiliation!

“Die!” He roared and activated his Dao energy. He used all his strength to activate the Golden Wheel and slashed again.

Whoosh!

The Golden Wheel tore through the air with unparalleled might, as if even the void was about to be torn apart.

Tang Hao was not afraid. He drew his red bow and fired an arrow.

This arrow carried the power of life and death, reincarnation, and more than 20 kinds of Dao fire.

Bang!

The Golden Wheel and the arrow light collided, creating a deafening sound.

With the point of collision as the center, circles of ripples spread out madly.

Then, in the boundless brilliance, a golden light was blown away. It was the Golden Wheel.

At the same time, Long Tieya's entire body trembled, and he spat out a mouthful of blood. His body was sent flying backward by the force of the Qi.

"Elder!"

Everyone from the Sun Moon Mountain cried out in surprise and rushed forward to catch him.

"The so-called three cuts are nothing more than this!"

Tang Hao looked at him and laughed coldly. He drew the red bow in his hand again and fired an arrow at the people from Sun Moon Mountain.
