

The Mightiest Little Peasant Chapter 1342

“Be careful!”

Everyone from the sun Moon Mountain cried out in shock. Many of them were so frightened that their faces turned pale.

Although this guy was in the realm of two beheads, his strength was comparable to that of three beheads.

“Dodge!”

An old man’s body flickered, and he blocked in front of everyone. With a wave of his hand, a ray of light flew out and turned into an ice-blue Shield, blocking in front of him.

This was an expert who had killed three!

Bang!

The arrow light hit the shield.

The shield shook violently, and the old man’s face trembled, turning pale.

He took a light breath, and a look of shock appeared in his eyes.

The power of this arrow was too shocking. No wonder even elder long could not block it.

Although this person was only at slash two, he had a tribulation weapon in his hand, and he also had two Supreme great DAOs and dozens of Dao flames. He was enough to cross the gap between realms and fight against slash three.

“This fiend is too fierce. Fellow Daoists, please attack together and kill him!” He said.

He shouted in all directions.

The three-slash experts looked at each other and nodded, their eyes full of killing intent.

This guy in front of him was really a bit powerful. With just a slash of two, he could fight against a slash of three. This kind of person must not be left alive.

“I’m very interested in those flames of his!”

Great ancestor Purple Lotus sat cross-legged on his lotus throne. He narrowed his eyes and glared at Tang Hao.

“I don’t want the Tribulation weapon either. I want his five-colored battle spear!”

Raka forefather also spoke.

“You guys don’t want to steal the weapon? Alright then, the green mist sect will kindly accept it!”

The old man from the Qinglan sect laughed.

“Who said I don’t want it? I want it!”

“Hey! What’s the use of saying it now, quickly kill him first, later whoever snatches it will have it!”

The group of slash three started quarreling.

Their expressions were relaxed, and they split the treasures as if no one else was around.

The man surnamed Shi was indeed powerful, but he was only one man. How could he stop so many of them? he was bound to be killed here today, and the treasures on his body would naturally belong to them.

“I’m not dead yet!”

Tang Hao grunted angrily.

“You’re not dead now, but you’ll be dead soon!” Raka said viciously.

“You do have some ability, but it’s a pity that you’re too arrogant!” “You can’t be too arrogant,” ancestor Purple Lotus sneered. “Otherwise, you’ll die early.”

“That’s right, he’s too arrogant! That’s not good! Besides, you’re just an old star with no background, yet you dare to be so arrogant and cause trouble on my planet Gaoyang. Aren’t you courting death?”

The people of the green mist sect also sneered.

They gathered their Qi and locked onto Tang Hao with their murderous intent.

Tang Hao’s cold eyes swept across them.

“Very good! You guys ... I’ll remember you all. ” He said in a cold voice.

“Hahaha! So what if you remembered it? you’re already a dead man! Do you really think that you can stop so many of us by yourself?”

Old ancestor Purple Lotus laughed, his face full of mockery.

Tang Hao glanced at him coldly.

“Old monster, just you wait. In the future, I’ll capture you, refine you into a pill, and swallow you!” Tang Hao said viciously.

“You ...”

Old ancestor Purple Lotus was furious.

Refine him into a pill?

No one had ever dared to say such words to his face!

“Hmph! You’re already at death’s door, yet you still dare to be so arrogant!”

Long tieya regained his composure and sneered at Tang Hao. “Everyone, don’t waste your breath on him. Kill him now, and the sun Moon Mountain will reward you handsomely!”

“Hahaha! Good!”

The group of three-Slayer sect ancestors laughed and responded.

Boom! Boom! Boom!

Rays of light burst forth as Supreme-grade Dao weapons were taken out one after another.

They spread out and surrounded the area. The void had long been suppressed by the array.

“Al! What a pity!”

“Quickly retreat!”

Those who had cut one and two immediately retreated.

They were all a little depressed. In their imagination, this guy should be killed very soon. At that time, it would be the various forces fighting for the treasures, and they would have a chance.

However, he had never expected that this fellow would slash the Dao of life and death. He was so ferocious that slash two was like paper in front of him. Only slash three could match him.

“This guy is quite the character, but it’s a pity! You still have to die!”

“One, two, three ... Look, there are so many slash threes. It would be a miracle if he could escape!”

Then, they started to discuss, gloating over his misfortune.

Tang Hao did not panic even though he was surrounded. Instead, he grinned.

“What are you laughing at?”

The old monsters were stunned.

Tang Hao’s smile became even brighter. “There are so many of you. I can’t escape by myself!”

“F * ck! Isn’t that nonsense?”

The old monsters cursed.

“But ... Have you all forgotten what this place is?” Tang Hao’s smile was inscrutable.

“Eh? What is this place?”

“Hey! It was the yellow Springs cave! So what?”

The three-kill old monsters didn’t react in time.

“That’s right, this is the netherworld cave!”

As he spoke, Tang Hao gently raised his hand. When his palm opened, a white fruit appeared in his palm. It was only the size of a walnut, but it exuded a shocking corpse Qi.

“This is ...”

The group of old monsters were stunned. The next moment, their expressions changed drastically.

“This is the corpse soul fruit! Not good! He’s trying to lure the zombies out from underground!”

“Hurry up! Hurry up! Kill him!”

They shouted loudly, all of them anxious.

They all recognized this fruit. It was the famous corpse soul fruit on nether expanse star. It was the favorite item of those zombies. A single corpse soul fruit was enough to make all the zombies in the underground go crazy.

And who knew how many zombies were hidden in this netherworld cave.

Tang Hao tiptoed and stepped back. He stood in front of the cave and smiled. “Everyone, I’ll give you this big gift, please accept it!”

“Corpse soul fruit? F * ck your mother!”

“This bastard! That was too cheap! Hurry up and run!”

After the slash one and slash two reacted, they all cursed loudly.

They did not expect this guy to have such a move.

At that moment, they were about to jump up and fly up, but it was too late. From all directions of the mountain range, there came the sound of air breaking, and a shocking zombie Qi surged.

In the cave, there was a concentrated sound. In the mist behind the fellow, pairs of Scarlet eyes lit up.

One pair, two pairs ... There were countless pairs.

Each pair of eyes represented a zombie.

“F * ck!”

The group of old monsters who had killed three all turned pale.

F * ck! How many zombies were there!

With a sweep of their spiritual sense, they could find countless third severing experts.

What made them want to vomit blood was that these zombies were clearly behind that guy, but they didn't seem to see him.

“Go!”

Tang Hao threw the corpse soul fruit at the crowd.

“Roar!”

In an instant, the entire mountain range was in an uproar.

From all directions, countless corpse fiends swarmed over. There were black-haired ones, white-haired ones, and colorful ones. They could not only run, but they could also fly. They swarmed over in an overwhelming manner.

From the cave, countless zombies also rushed out and pounced at the crowd.
