

The Mightiest Little Peasant Chapter 1348

“The inner world has opened, let’s go!”

The crowd watching the show began to move, fighting to be the first to rush over.

There were too many people this time. If they didn’t hurry, everything would be robbed.

Young master Lu’s movements paused as well. He turned around and looked in that direction with a look of frustration.

The opening of this entrance was really untimely. Even if he was very confident that he could easily kill this arrogant fellow, he still needed some time.

With such a delay, he would lose the opportunity.

“Young master Lu, let’s go!”

Behind him, a young man shouted.

This person was wearing a golden treasure robe with a Dragon embroidered on it. He looked mighty, and his body was quite thin. His face was cold and fierce.

This man’s surname was Wang, and he was the eldest son of the Wang family, the number one family on planet Dongling.

“This kind of person ... Is not worth wasting time on!” Then, he glanced at Tang Hao with disdain.

“Brother Lu, brother Wang is right. These people are just ants to us, so why waste time? It’s just a God origin fruit, it’s not worth it!”

A white-robed woman beside the Wang family’s young master spoke up.

She glanced at Tang Hao from the corner of her eyes. There was only indifference and cold arrogance in her eyes.

This kind of attitude was condescending and high and mighty.

The other people also had the same attitude and were extremely arrogant.

And they also had the capital to be arrogant. Each and every one of them was a heaven's pride, a monster, and had reached the realm of two cuts at a young age.

In their eyes, people who had cultivated for hundreds or even thousands of years to reach this realm were all mediocre and incompetent, like ants.

But they were different. They were noble heaven's favorites!

How could heaven's pride and ants be mentioned in the same breath?

Tang Hao furrowed his brows when he felt their gazes on him. He was a little upset. These guys were so cocky. They were asking for a beating.

"Hmph! You're lucky! I'll let you live for now!"

Young master Lu glared at him and left with a flick of his sleeves.

"This guy ... Is out of luck! Even if you don't die now, you'll die in the future!"

"What an idiot! In this place, no matter who you provoked, you could never provoke this group of little devils! Which one of them wasn't a lawless and unruly person? they were especially vengeful! Only death awaits those who provoke them!"

The crowd shook their heads and looked at Tang Hao with pity.

Then, they also rushed to the entrance.

“You’re crazy! You want to kill me!”

Old monster Cheng cursed, but he didn’t dare to enter his inner world and left in a hurry.

“Chaotic little devil?”

Tang Hao stood where he was. He mumbled to himself and suddenly laughed.

“Just based on their abilities, do they even deserve this title?”

His smile was a little teasing.

This group of heaven’s favorites were indeed arrogant. However, in his eyes, they were nothing. This was because he was even more arrogant. Compared to him, these people were child’s play.

“Today, I’ll show you what a real devil is!”

He sneered at the entrance and walked out.

The entrance was on the mountain wall of a Valley. After passing through the passage, the scene before them suddenly brightened up, and a vast world appeared. As far as the eye could see, it was a vast ancient forest.

In the distance, there were mountains that looked like giant Dragons lying on the ground.

The people who had entered before him had already started to search for treasures.

BOOM!

The sounds of fighting rang out, rising and falling one after another.

In this small world, there were many medicinal herbs growing, many of which were rare and valuable, causing everyone to kill each other for them.

“Get lost! This crimson sky grass is mine!”

“Bah! I clearly saw it first, you should be the one to get lost!”

In a corner of Gu Sen, two Taoist priests were fighting over a spiritual herb.

Peng Peng Peng!

The two of them took out their Dao artifacts in the air and fought each other fiercely.

“Sky Crimson grass, it has the effect of calming the soul, nourishing the spirit, and strengthening the soul. It has a wide range of uses and can be used in many kinds of medicinal pills. Not bad!”

Just as they were fighting intensely, suddenly, voices came from below.

The two of them were stunned. They stopped and looked down.

At some point, a figure had appeared beside the Crimson sky grass below. He raised his head and smiled at them. “You two, since you don’t want it, I’ll take it!”

As he spoke, he reached out and kept the sky Crimson grass.

The two of them were so angry that their noses were almost crooked. They had fought to the death, but in the end, their things had been snatched by this guy who had appeared out of nowhere.

“Preposterous!”

“Who doesn’t want it! Hurry up and spit it out!”

They raised their eyebrows and shouted angrily.

“Argh! By the way, there’s one more thing that I might need your cooperation with!” That person said.

“What is it?”

The two of them were slightly stunned.

The man grinned. His smile was a little bright, as if he was harmless.

However, the two words that came out of his mouth were not harmless at all.

“This is a robbery!”

“A robbery?” The two of them were stunned when they heard that.

“Yeah!”

The two of them were stunned at first, then they couldn't help but burst into laughter.

“You're going to Rob the two of us by yourself?”

“Hahaha! You must be dreaming!”

“Is that so?” Tang Hao's smile became even brighter.

His figure moved, and with a ripple, his figure suddenly disappeared. In the next moment, he appeared in front of one of them and struck out with his palm.

Bang!

That person didn't even have time to react before he was hit by the palm. The protective light curtain was like glass, and it exploded at the sound of it. The palm had hit his chest.

As if he had been struck by lightning, his chest caved in.

Then, the terrifying force spread out from his chest, causing his flesh, blood, bones, and bones to explode inch by inch. His entire body exploded into a cloud of blood mist.

In the blood mist, a ray of light shot up. A small person sat cross-legged on the platform. His face was twisted and he was extremely frightened.

Tang Hao reached out and grabbed the soul in the air.

“No... Spare me!”

The little person struggled and screamed in pain.

Tang Hao was unmoved. He squeezed it lightly, and the divine soul exploded.

Si si si!

The other Daoist was so terrified that he almost fainted.

To kill a slash two with one palm, what kind of terrifying strength was this!

This guy ... Who was he?

He wailed in his heart and made a prompt decision to turn around and escape.

“Hmph!” Tang Hao grunted coldly. He caught up to the man and killed him easily.

He took the ring and examined it. He could not help but nod in satisfaction.

As true Lord two slash, both of them had some wealth.

He put the things away, turned around, and continued to move forward.

“This is a robbery!”

Whenever he saw someone, he would roar and rush over with a palm strike. He would either blow them up or knock them unconscious. Then, he would strip them naked and throw them into the grass at the side.

It didn't matter if you were cut one or two, male or female, he wouldn't let them go and pushed them all the way.
