

## The Mightiest Little Peasant Chapter 1349

“This is a robbery!”

With the loud roars, the small world began to stir.

Many people knew that a ruthless man had appeared here. He was robbing people everywhere and was extremely brutal.

“Where did such a ruthless person come from?”

“I don’t know! He’s very unfamiliar!”

The crowd discussed animatedly, all of them somewhat apprehensive.

According to the rumors, this guy was not only powerful, but also extremely brutal. He didn’t like to kill people with Dao artifacts, so he would directly use his hands to smash people.

Moreover, he liked to strip people naked and throw them on the ground.

Up until now, who knew how many people had been killed? just by randomly rummaging through the grass, one could find a few unlucky people who had been stripped naked.

“This is too tragic!”

Looking at these people’s miserable state, everyone’s heart was filled with sorrow.

“I know that guy. He’s the one who provoked young master Lu outside!” Some people had seen that person and recognized him.

“What? It’s him?”

Many people were shocked. They all knew that guy.

“No wonder ...” Then, realization dawned on them. That guy even dared to provoke young master Lu, what else was he not capable of?

When those who didn't know what was going on heard them, they were all speechless.

There was actually someone who dared to provoke a monster like young master Lu. This was like an old man hanging himself, tired of living!

“This guy is really bold. He still dares to come in after provoking young master Lu. Isn't he afraid of running into him?”

“I hope they meet. That guy is too bold. He deserves to die in the hands of young master Lu!”

They were afraid of Master Lu.

They were also afraid of this guy.

However, in comparison, he was more afraid of this guy. Although young master Lu and his group would Rob, they would only look at those who cut two. They would not even spare a glance for those who cut one.

And that guy, no matter if it was one or two, he would snatch everything.

At this moment, in a corner of the small world, in a mountain range, a group of people were flying. It was young master Lu's group.

“It's that group of monsters!”

“Run! Young master Lu is here!”

Seeing this group of people, everyone's expression changed drastically, and they fled in panic.

This group of people was famous for being overbearing. As long as they had their eyes on something, they would get it. If they were not satisfied, they would get killed.

Over the years, countless people had died at the hands of this group of monsters.

All of them were little devils.

“Hmph! A bunch of trash!”

That young master Lu snorted in disdain.

“You’re just an ant!”

Wang gongzi sneered, “among these people, the only one who can be seen is that guy with the surname Shi!”

Young master Lu’s face changed when he heard the name ‘Shi’.

The sun Moon Mountain had a deep enmity with this man surnamed Shi. Young master long, who was also one of the nine great young masters, had died at the hands of this man.

The Woman in White’s expression changed slightly, and her red lips opened slightly, “That Shi guy is quite the character! He actually managed to cut down two of the great DAOs of supremacy!”

At this point, she paused for a moment and shook her head. Her bright and beautiful face revealed a bit of contempt.

“Unfortunately, that’s all there is to it. It is said that this person has cultivated for a thousand years. In a thousand years, he has achieved two Supreme great DAOs. There’s nothing to be proud of!”

“It is! If it were me, I would have become an immortal long ago after cultivating for a thousand years!”  
That young master Wang laughed.

The other people also echoed, their expressions full of disdain.

“Hey! I wonder if that Shi guy is here?”

Someone suddenly said.

“How is that possible? How can it be such a coincidence!”

The others all shook their heads and laughed.

Ever since the battle on planet abyssal ring, that man surnamed Shi had disappeared without a trace.

Moreover, this starry sky was very big, how could that Shi guy be on the sunset star?

“Hmph! If that guy really comes, I’ll just take care of him! Use his blood to wash away the shame of our Sun Moon Mountain!” Young master Lu snorted in anger.

“It’ll be great if they really come. That guy has a tribulation weapon, just in time to play with it!”

The others laughed.

They didn’t pay much attention to the man with the surname Shi. He was quite powerful, but they weren’t weak either. Even if they couldn’t defeat him alone, two or three of them together were enough to kill him.

They chatted along the way and kept collecting all kinds of medicinal herbs.

“Eh? What’s going on?”

Suddenly, the sound of an intense battle came from the distance ahead.

They all looked up and saw a giant snake that reached the sky, fighting with a group of perfected cultivators.

In that direction, there was a faint seven-colored radiance soaring into the sky.

“It seems like there’s a treasure! Hurry up!”

Their eyes were filled with fervour as they quickly rushed over.

“It’s the seven-colored Lotus!”

After seeing the treasure clearly, they were even more excited.

The seven-colored treasure Lotus was a famous treasure. Its lotus seed could be directly consumed to increase one’s cultivation.

“Hahaha! I didn’t expect to find such a treasure here!”

“Just in time! Let’s split these lotus seeds!”

They laughed in joy and were about to rush over.

“Wait! This thing has a Guardian beast, so it’s quite powerful. Let those people do it for us and wear down its strength. We’ll make our move when the time comes!”

Young master Lu called out to them.

They were stunned for a moment before coming to a realization.

“What a good” the Mantis stalks the cicada, unaware of the Oriole behind “! Brother Lu! Wonderful!”

They laughed again.

Young master Lu smiled smugly, feeling pleased with himself.

The group of people waited for a while. When they saw the giant snake begin to weaken, they all swept out.

“Get out of my way! This snake and the Lotus are both ours!”

The young master of the Wang family shouted out in an overbearing manner.

“Not good! It’s that group of little demons!”

“Aiya! This is bad!”

Everyone’s expression changed.

This group of little devils had come, so how could they have a share of the things?

They were even more depressed. They fought to the death and fought for half a day, but in the end, it was a waste of energy, which just happened to benefit this group of little demons.

However, they were helpless and could only retreat.

The six of them rushed forward and attacked together. After a moment of intense battle, they killed the giant snake.

When the snake fell to the ground, they all cheered in joy. Then, they rushed to Bao Lian’s side.

“Stop!”

At this moment, a loud roar exploded.

“That snake is mine. That treasure Lotus is also mine! Everything in this place is mine!”

A figure scuttled out and shouted loudly.

Young master Lu and the others were stunned. They stopped in their tracks and their faces were filled with astonishment.

Everyone was also stunned.

Everyone was unable to react in time.

There was actually someone who jumped out and snatched the things of this group of demons?

Oh my God! Where did this lunatic come from!

“It’s you!”

Young master Lu turned around and his expression changed. He recognized that the person in front of him was the arrogant person who had provoked him outside.

“Alright! You still dare to appear in front of me!”

Then, he gritted his teeth and his eyes were filled with hatred.
