

The Mightiest Little Peasant Chapter 1370

Who was this guy?

What was he doing?

This is a pot? Why did it have the aura of a Dao artifact? could this be a Dao artifact-grade pot?

No, that wasn't the main point. The main point was, what was he doing with a pot? And those bowls and ladles, Oh my God! There were actually seasonings, all sorts of seasonings.

This guy ... Could it be that he wanted to make a picnic?

That person was stunned!

His eyes widened so much that they were about to pop out of their sockets.

He couldn't believe his eyes at all. At one point, he even thought that his eyes were playing tricks on him and that he was hallucinating. However, he kept rubbing his eyes and even pinched himself, but the situation in front of him didn't change at all.

This is real!

This guy really went for a picnic!

His face twitched, and he felt like he was about to vomit blood.

F * ck! This was the examination of the equal heaven courtyard, and everyone was rushing with all their might. Even when they were resting, they would only sit down for a while before getting up and continuing to run. However, this guy was so carefree that he had started a picnic.

This was too F * cking absurd!

“This lion’s leg is braised! Or is barbeque better?” That guy took out a lion’s leg and muttered in a low voice, his face full of hesitation.

Red braised, your head! Barbecue your sister!

Is this the time for a picnic?

The man roared in his heart.

“Forget it, let’s just barbecue!” That guy mumbled and took out a grill. He set up the lion’s leg and started roasting it.

“I love to eat meat. I’m in a good mood!”

As he roasted the meat, he muttered to himself. He was in a very good mood.

The corner of that person’s mouth twitched even more. F * ck! Just how big was this guy’s heart to actually start roasting?

He stood there, his mind in a mess.

“Hey! Heyyo!”

Another person ran past and heard the noise. He also looked over. After seeing it clearly, his body trembled and his eyes widened.

He looked as if he had seen a ghost.

He was petrified, and just like the previous person, he stood rooted to the ground.

“Hey...Huh? What was this smell? It smells so good! Someone’s roasting meat?”

From behind, a group of people ran over.

“Hahaha! How is that possible?”

Someone retorted with a smile.

This was the examination of the equal heaven Department, and everyone was racing against time. How could anyone be roasting meat? it was impossible even if one used their toes to think about it.

“That’s true!”

The group of people all laughed.

However, as they laughed, they couldn’t laugh anymore. Their expressions gradually froze, and even their footsteps gradually stopped.

They were all dumbfounded!

There was really someone barbecuing meat ahead! The roasted meat was in full swing, and the fragrance was overflowing.

“This ...”

They opened their mouths and suddenly realized that they couldn’t say anything. The scene in front of them was too ridiculous. They were completely speechless.

“Eh? It smells so good!”

“Guys, look! There are so many people over there!”

The people behind kept catching up, and they were all attracted by the situation here. They stopped and walked over to take a look, all of them dumbfounded.

“Who is this? F * ck! This was too awesome! We’re having a picnic here!”

“What a peerless weirdo!”

Then, everyone exclaimed in shock.

“It’s him! It’s definitely him, that weird glutton!”

“Oh! Right! I’ve heard of this guy before. It seems like he’s really a foodie! You didn’t forget to eat it even during the assessment!”

Someone reacted and recognized this person.

They all found it very interesting and couldn’t stop laughing. Some even sneered.

“Let’s go! Let’s go! Don’t waste time!”

After watching for a while, they left one after another. After walking far away, there was still laughter.

“This guy is too weird. He can’t even pass the first round!”

“That’s for sure. It would be weird if this weirdo could pass!”

Batch after batch of people like this came, but they all stopped for a moment, laughed a few times, and left.

Tang Hao ignored them and continued to roast the meat. Soon, the meat was ready.

He immediately started eating, and his mouth was full of oil.

“It smells so good!”

“What kind of meat is this? it’s so fragrant!”

Many passersby couldn’t help but drool.

Many people shamelessly came up to ask for a piece of meat to eat.

“Delicious! It’s so delicious!”

“Brother, your roast meat is the best in the world!”

After taking a bite, their eyes lit up, and they revealed looks of surprise. They had never eaten such delicious meat before.

After they were full, they patted their stomachs and thanked him. Then, they stood up and prepared to continue running.

“Al! This test isn’t going to be easy. We’re a bit behind, and those people in front of us are already leading by a huge margin.”

“It’s fine. It’s just the beginning. We just have to finish within 24 hours. We’re not fighting for first place!”

“Al! Oh right, I heard that the first place in the exam has a reward, it’s a tribulation weapon!”

They were discussing in soft voices and very casually.

However, when Tang Hao heard it, it was a different story. His eyes brightened, and he stood up immediately. “What did you guys just say? Reward? A tribulation weapon?”

The group of people were startled. They turned around and were shocked when they saw Tang Hao.

F * ck! What’s wrong with this guy? Why are his eyes shining?

“Yes! That’s right!”

They answered in a daze.

“There’s a reward every year. However, as there are many good seedlings this year, heaven-equal Department is so generous! I heard it’s a very powerful tribulation tool!”

The person who mentioned the reward before added.

“A tribulation weapon! And very powerful?”

“I’m going to keep a low profile,” Tang Hao mumbled. He was fired up. He forgot all about keeping a low profile.

“Mine, it’s all mine!”

He kept his things and hurriedly went on his way.

With a whoosh, he ran far away and disappeared.

“He’s ... Crazy!”

The few of them stood rooted to the ground, dumbfounded.

A moment later, he laughed. How was that possible?

There were so many top geniuses, how could they stand a chance? moreover, they were already so far behind, so there was even less hope.

They shook their heads and continued to move forward.

“Hurry up! Faster!”

At this time, Tang Hao continued to accelerate. He activated Yu steps under his feet, and a golden light flashed in his eyes. He activated call the wind, and a gale of wind swirled around his body, increasing his speed by a few notches.

He was getting faster and faster, and his speed had reached a terrifying level. Wave after wave of people in front of him were overtaken by him, and then left far behind.

“Argh! That’s fast!”

“Who is this! This speed is too terrifying!”

“My dress, you hooligan!”

Everywhere he passed, everyone was dumbfounded, and there were even screams of women.

The figure was too fast, so fast that they couldn’t even catch a glimpse of it. It was like a gust of wind, and then it disappeared without a trace.

“Too amazing! He’s a man who’s like the wind!”

“He must be a top monster!”

Following that, the crowd gasped in admiration, their hearts filled with respect.

Whoosh!

Tang Hao kept sprinting and surpassing them. He rushed from the back of the group to the middle, then caught up with the group in front. In the end, he even left the main group in the front behind, leaving only the group of top geniuses in front.

Along the way, he shocked countless people, leaving behind gasps of surprise.
