

The Mightiest Little Peasant Chapter 1372

The group of elders looked at Tang Hao, and Tang Hao looked back at them.

The two parties stared at each other for a long time.

“Who ... Who are you?”

The group of elders were puzzled.

Even if he wasn't the brat from the Thunder clan that they had guessed he was, he should be one of those other famous monstrous talents! Where did this kid come from?

They looked at Tang Hao from head to toe.

“I don't have any impression of him. He's definitely not a famous person!”

After a while, they shook their heads.

“He's a Dark Horse!”

Then, they smiled bitterly.

Previously, they had been so certain that it would definitely be that brat from the Thunder clan. However, they had never expected that a Dark Horse would suddenly appear, causing them to be greatly taken aback.

“Bastard!”

With a loud shout, a figure rushed out from the exit. It was Lei zhentian.

He gritted his teeth in anger. As soon as he stepped out of the exit, his eyes swept across the room and landed on Tang Hao. In an instant, a dazzling golden light burst out of his lightning eyes.

The golden light surged, as if it was about to burst out, and the aura was terrifying.

“Stop!”

One of the elders shouted, “no fighting is allowed here. If you have any grudges, leave them for the second round!”

Lei zhentian unwillingly retracted the divine light in his eyes and gritted his teeth, “If you have the guts, report your name!”

Tang Hao rolled his eyes and ignored him. He looked at the group of elders. “Where’s the baby?”

The group of elders were stunned. “What treasure?”

“Didn’t they say that the first place would get a treasure?” Tang Hao said.

The group of elders were stunned and somewhat dumbfounded.

Then, they came to their senses and didn’t know whether to laugh or cry.

“You little rascal ... Who told you that there’s a reward for the first place, but it’s not just the first place in the first round. You have to be the first in the entire assessment to get a reward.”

An elder explained.

“F * ck! So that’s how it is!” Tang Hao was a little annoyed. “I shouldn’t have rushed to the top!” He mumbled. “I’ve worked so hard, but I didn’t get a fart!”

The group of elders were instantly in a state of confusion.

This kid had already gotten first place, so why did he still look so unwilling?!

Lei zhentian’s mouth twitched as he became even more furious.

He felt that this guy must be mocking him on purpose.

“Where’s that bastard?”

With a few loud shouts, a group of people rushed out of the exit, all of them with ashen faces and unkind expressions.

“What’s your name? state your name!”

“Bastard, just you wait. I’ll teach you a lesson in the second round!”

When they saw Tang Hao, they gritted their teeth and threatened him.

Tang Hao glanced at them but ignored them.

The group of elders looked left and right, their gazes once again returning to Tang Hao. They sized up Tang Hao, occasionally stroking their beards and nodding their heads, their faces revealing a happy smile.

“Very good! Another outstanding talent!”

They couldn’t help but praise.

To be able to surpass this group of monsters and take the first place, he must have something extraordinary about him. He must be another outstanding talent.

This was quite normal. Those who came to participate in the examination were basically all geniuses of their own region. Among so many geniuses, there would definitely be a few dark horses, which would be a good thing for the equal heaven Department.

“Young man, what’s your name?”

They all jumped down from the rocks and walked over, asking kindly and affectionately.

“Shi, Shi Ritian!”

Tang Hao said.

“Shi Ritian?”

The group of elders ‘bodies trembled. They were shocked by this name.

“What a domineering name!”

“Heavens! F * ck! Very imposing!”

The group of elders exclaimed in admiration.

But then, their expressions changed. This name ... Sounds familiar!”

“I also feel like I’ve heard this name before! Right, isn’t it that wondrous guy?”

They finally remembered, and their expressions became extremely strange.

That weird foodie had also spread among their circle of elders. She was quite famous.

“So it’s this kid!”

“I thought he was really an oddball and would be eliminated in the first round. I didn’t expect him to be a Dark Horse with real talent!”

They mumbled in low voices, all of them clicking their tongues in wonder.

“It’s him!”

The group of geniuses also came to a realization, and then became more and more depressed.

If they had lost to some peerless figure, it wouldn't be an injustice. However, they had lost to a weirdo. It was truly humiliating!

Their faces were ashen as they glared at Tang Hao.

After a while, another person came out of the exit. He looked around and was shocked when he saw Tang Hao. He recognized him as the person who had overtaken him.

Looking at the expressions of those geniuses, it seemed that this person had taken the first place, which made him even more shocked.

More and more people came out, and they were all shocked to see Tang Hao.

They were all from the second-echelon team. They had seen the group of top geniuses in front of them, except for Tang Hao. That was why they recognized him immediately.

“What? He's that glutton?”

After learning of his identity, they were dumbfounded.

They also knew about that glutton. They had thought that he was just a joke. They had never thought that he would be such a powerful person.

“This guy doesn't seem like a weirdo as the rumors say!”

“Be careful of this guy in the second round!”

They thought to themselves and became vigilant.

In the first round, speed and endurance were the most important factors. Winning didn't mean that he was the strongest, but at least it proved that this guy was definitely not ordinary.

The people who came out after him did not recognize Tang Hao, but they were also dumbfounded after they found out what had happened.

As time passed, more and more people came out, all in groups.

“I’m telling you, there’s a weirdo! He’s having a picnic over there! This is too funny! Who was it? It was that famous foodie! This guy is funny, he should still be struggling at the back!”

Someone came out of the exit and was talking to someone in high spirits.

“You’re an idiot! That Shi guy is already here, he’s already in first place!”

The people around him looked at him as if they were looking at an idiot.

“What?”

The man was dumbfounded.

“This ... This is impossible!” He was a little confused.

“Look ... Isn’t that it?” Someone pointed out to him.

The man’s eyes widened and he was stunned.

“It’s him! So it’s him!”

After a while, he mumbled to himself and finally realized that this glutton was the man who was like the wind.

Then, he gasped and revealed a shocked expression.

From the last place, he had finally surpassed everyone and taken first place. What a shocking strength this was.

“So it’s him!”

The people who came out later were all shocked when they heard the situation.

When they were inside, they were still discussing who the man who was like the wind was. They never thought that he would be the weirdo they had laughed at before.

More and more people came out, almost filling the entire Canyon.

“Time’s Up!”

Suddenly, one of the elders shouted, “seal the exit!”

With a wave of his hand, the exit closed, and the people inside were sent back to the entrance, losing their qualification to participate in the second round.

“Congratulations on passing the first round. Now, let’s begin the second round!”

The elder announced.
