

The Mightiest Little Peasant Chapter 1384

“Pfft!”

Another elder of the Gu family fell.

His entire body trembled and he spat out a mouthful of blood.

His family’s genius had also been stripped naked and beaten into a pig’s head!

“How did this happen?”

The elders of the Gu family who were still standing were shocked. They felt that this was ridiculous. There were so many top geniuses. How could anyone defeat them all?

That Thunder clan brat?

That was impossible!

Even if he had a pair of inborn divine eyes and the potential to become a saint, it was still impossible!

What about Xiao Yi from the Xiao family?

This person had unparalleled talent, but it was impossible. He didn’t have such strength!

There was also that rain clan’s little girl, which was also unlikely.

But who else could it be other than these few?

Could it be that a hidden peerless genius had appeared in this assessment?

The group of elders of the equal heaven Department were also dumbfounded, and cold sweat broke out on their foreheads.

“I’ve defeated so many top geniuses, my goodness! It’s too shocking!”

They wiped their cold sweat and muttered softly.

They had been working for so many years, but they had never seen such an explosive situation.

“Do you guys think it has something to do with the commotion just now?”

They thought of the chaos in the trial zone just now.

Thinking of this, they broke out in cold sweat even more.

“Hmph! You so-called geniuses can’t even withstand a single blow. You’re all trash! The monstrous genius of our Thunder clan is the real deal!”

Among the group of elders, there were a few who were rather calm. One of them was the elder from the Thunder race.

When everyone heard this, they were a little indignant, but they could not refute it.

This monster of the Thunder clan was indeed powerful, and it was unlikely that he would be defeated.

“Elder Wang, let them see and let them admire the heroic bearing of the number one monstrous genius of our Thunder clan! Who knows, this might be the doing of a genius from my Thunder clan. ”

The Thunder clan’s elder was extremely pleased with himself.

When the image appeared, he raised his hand and pointed in all directions,“Look, this is the difference!”

However, after he finished speaking, he was stunned. He realized that the expressions of the people around him were a little strange.

“What’s wrong?”

He was puzzled. When he looked up, his body trembled as if he was struck by lightning.

In the image, a group of people appeared. They were all stripped naked and beaten up until their heads looked like pigs’ heads. They were stacked together in an unsightly posture.

The one at the top was none other than the genius of his Thunder clan. That was because his eyes were easily recognizable. He was born with divine eyes, and there was only one of them.

The Thunder clan’s elder was stunned.

His entire body trembled violently. He couldn’t believe that his family’s genius, who had the potential to become a saint and was invincible, would actually be defeated by someone. It was such a humiliation.

His face turned red and finally, he couldn’t hold it in anymore and vomited a mouthful of blood.

In the past, the Thunder clan was very impressive. They had a demon with an innate divine eye who stood out in the Dong Lin star field. When people talked about him, they would have envious and jealous expressions.

But now, everything was over.

His Thunder clan’s face was going to be completely lost. In the future, when people talked about it, they would all be filled with ridicule. His Thunder clan was going to become a joke!

Everyone was stunned. They found it hard to believe that even a genius like Lei zhentian would be defeated.

“Heavens! Who is it?”

They were getting more and more confused.

It was hard for them to believe that there would be a monster who far surpassed Lei zhentian in this assessment!

“He’s a monster of our Lin clan! Oh my God! Why did he also suffer such a vicious attack!”

“That’s the Pearl of my rain clan! Oh heavens! Who is it? how could he do this?”

Then, another cry of surprise rang out. The clansmen of these people had recognized them.

“This is unbelievable! Even these people have been killed!”

“This time, I’m afraid a peerless figure has appeared!”

“Bah! What peerless figures? they’re peerless thorns and Devils. Look at them, the back of their heads is swollen. They were clearly knocked unconscious.”

The elders of the equal heaven Department were discussing.

“He’s a little devil!”

Elder Wang Yun sighed.

Then, he furrowed his brows and revealed a worried expression.

‘I don’t know whether it’s a blessing or a curse for the heaven-equal Department to have such a figure!’

Also, should the assessment continue?

If all these monsters were defeated, how was the assessment supposed to continue? was he supposed to eliminate all of them?

This definitely wouldn’t do. Almost all of these people had been internally locked, and they were destined to enter his equal heaven courtyard.

However, he did not have the authority to stop the assessment.

He cupped his hands at the group of elders and said, "Everyone, this matter is too important. I can't make a decision. I have to report it to the Deputy headmaster. Please wait patiently."

After saying that, his figure flashed and suddenly disappeared.

About five or six minutes later, he came back and said, "The assessment is suspended! Everyone, come with me!"

After he finished speaking, he flicked his sleeve, opened the entrance to the trial zone, and flew in.

"Let's go, let's go!"

The group of patriarchs of the ancient race couldn't hold it in any longer as they rushed over anxiously.

The group of people rushed into the trial zone and were stunned by the scene in front of them.

As far as his eyes could see, it was a mess, as if a shocking battle had just broken out. On the ground, from time to time, he could see young people who had been stripped and robbed.

"Heavens! What happened here?"

"There are people here and there ... They're all unconscious. They've been robbed!"

They were completely and utterly shocked.

He had thought that only a group of top geniuses had been killed, but he had not expected that there were so many more. It was impossible to count how many people had been killed.

"He's crazy!"

"How could there be such a chaotic devil!"

They all shouted.

Elder Wang Yun and the others were so angry that their faces twitched and they almost vomited blood.

“This is too much!”

They gritted their teeth and said angrily.

“Don’t let me find that brat, or I’ll beat him up first!” Elder Wang Yun was so angry that his face turned red and his beard trembled.

It was all this bastard’s fault for messing up the entire assessment.

What should they do next after such a big mess? Just thinking about it gave him a headache, and he wanted to catch the murderer and beat him up.

“Wake up! Tell me, who did this?”

He landed, grabbed one of them, and slapped him awake.

“I ... I don’t know! I don’t know anything. Did I faint? When did I faint?” The man woke up with a blank face.

“Trash!”

Elder Wang Yun threw one of them away, grabbed another one, and slapped him awake.

“I didn’t see anything clearly. It was too sudden. With a thump, I fainted!”

“I don’t know anything!”

The people who woke up were all at a loss.

“Trash! Trash! They were all useless! Is there no one who knows who did it?”

Elder Wang Yun was so angry that he was about to go crazy. He wanted to roar at the sky and overturn the world.

Meanwhile, Tang Hao had already finished looting the herb garden.

He was so excited that he wrote two lines on the wall and left a piece of paper with the word “thank you” on it. He dusted his hands and left in satisfaction.
