

The Mightiest Little Peasant Chapter 1385

“Speak, who did it!”

Elder Wang Yun grabbed one of them and slapped him until he woke up.

His face was as scary as a malicious ghost’s.

The man opened his eyes and shuddered, almost peeing his pants.

“I ... I ... I don’t know! I don’t know anything!” He said in a trembling voice.

Ah!

Elder Wang Yun finally couldn’t take it anymore. He raised his head and let out a wild roar. The roar spread out and caused the mountains to explode.

“Not good! Elder Wang was going crazy! He’s gone crazy!”

The surroundings were suddenly in chaos.

“You brat, don’t let me find you!”

Elder Wang Yun roared towards the sky and continued to ask. However, no one knew. Even those top geniuses didn’t know anything after they woke up.

They were all in a daze, as if they had lost their souls.

Some looked up at the sky, some looked down at the ground, and they were all speechless for a long time.

They still couldn’t believe that they had been knocked unconscious and robbed.

“Bastard!”

After Lei zhentian woke up, he was so angry that he almost went crazy. He kept roaring at the sky.

“I don’t know who he is. I didn’t even see his face clearly ... I think he has disguised himself and it’s not his original appearance!”

When elder Wang Yun asked, he replied dejectedly.

“What? You didn’t even see his face clearly?”

“This is unbelievable!”

The elders of the heaven-equal Department and the patriarchs of the ancient clans were all shocked.

In this group of people, Lei zhentian’s strength should be one of the best. They had originally placed their hopes on him to identify the murderer, but they did not expect that even he did not know.

“I don’t know either! That guy’s like a ghost, he’s a little scary!”

When the Lin clan’s geniuses woke up, they were equally dejected.

“Heavens! Even they had been killed! It’s too awesome!”

Those who had survived all gathered around, following the group of elders. Seeing that these top geniuses had all been killed, they couldn’t help but feel shocked.

Elder Wang Yun’s face turned ashen.

“Just you wait!”

He leaped and swept toward the nest of an immortal realm beast.

“I don’t know! I don’t know anything!” The devil bird jumped up and hurriedly flapped its wings, its expression somewhat panicked.

Elder Wang Yun was speechless.

Oh my God! He didn’t see wrongly, did he? This immortal realm devil bird was actually afraid? Was he afraid of that hooligan?

What exactly did that little rascal do to make such a Savage demonic bird afraid?

Coming out of the nest, elder Wang Yun’s heart was heavy. He had a feeling that he would not be able to catch that little rascal this time.

Sure enough, when he went to the other lairs to ask, those fierce beasts were all the same, and there was no result.

“Elder Wang, how is it?”

“Who’s that little bastard? He has stolen so many of our clan’s treasures. We must find him and make him spit them out!”

Seeing him return, a group of elders from the ancient race came up to him with anxious expressions.

Elder Wang Yun looked at them and sighed.

“Now, gather everyone and ask them carefully. Maybe we can find some clues!”

“That’s the only way!”

The group of elders discussed for a while and were all somewhat helpless.

They took people and went in all directions, waking up those who had fainted and asking for details.

In a Valley, they found Shi Ritian, the champion of the first round. He was also knocked unconscious and was lying in a crowd with a big swollen area on the back of his head.

“Ai! Even he fell!”

“It’s normal! Didn’t you see that even Lei zhentian and the others were defeated? in terms of true strength, I’m afraid that this Shi Ritian can’t even compare to them!”

The elders discussed in low voices.

After being pushed a few times, Tang Hao slowly woke up. He acted very naturally, and the elders didn’t suspect anything at all.

“I didn’t see anything clearly before I fainted. Elders, who did this? Did you find her? This guy is simply too inhumane!”

Tang Hao was indignant.

“No!”

The few elders shook their heads, frowning.

“What a pity!” Tang Hao sighed, but he was secretly happy.

“Elders, let me help you!” Then, he said enthusiastically.

“Ai! Good good! You’re such a thoughtful child!”

The elders praised him. They found Tang Hao more and more pleasing to the eye.

This Shi Ritian was the dark horse in the first round. To be able to win first place, his strength was obviously not ordinary. Now that he had come into contact with him, he had a good heart and was a good child who was eager to help others!

“This is what I should do!” Tang Hao said with a shy smile.

“Hahaha!”

The few elders all laughed heartily, their laughter unusually bright and clear.

Tang Hao followed the group of elders. He woke up everyone along the way and gathered them.

In the end, after gathering everyone together, the elders asked them one by one. However, they could not find any clues at all.

The crowd was in an uproar.

The crowd was in an uproar as they discussed this mysterious person.

“This person is too awesome! Even Lei zhentian had been knocked unconscious, and he was the one who had lured out those immortal demon kings! It’s simply unprecedented and will never be repeated!”

“Legendary! This was definitely a legend! It’ll become a legend that’ll spread throughout the heavenly Academy ... No, the entire planet Dong Ling!”

The young people were all very excited.

They knew that news of this would spread and shake the entire Dong Lin Starfield.

“No, I didn’t! Still nothing!”

“This little bastard! He’s too cunning!”

The group of elders shook their heads in unison, their faces all scrunched up like bitter melons.

“Actually, it’s not that bad. Not many lives were lost. Although that brat is a bastard, he knows what he’s doing!” Elder Wang Yun consoled himself.

However, as soon as he finished speaking, he heard a loud roar in the distance.

The howl shook the heavens and the earth, reverberating through the entire Qitian mountain range.

“What’s wrong?”

Everyone was shocked and looked in that direction.

Elder Wang Yun looked over as well. Suddenly, his heart skipped a beat. He had a bad feeling because that was the direction of the herb garden.

“Who did this? Get out here! I’m going to skin him! I’ll pull out his tendons! Chop him into meat paste!”

Along with the earth-shaking roar, a magnificent light flew over. It was an old man in a white robe. His hair was standing on end and his expression was crazy.

“It’s elder Xu, the person in charge of the herb garden!”

The group of heaven’s equal Academy elders recognized him, and they all had a bad feeling in their hearts.

“No more! There was nothing left! Dozens of precious herbs and tens of thousands of rare spiritual herbs are all gone!”

“Even the hoe, the water tank, these things are gone! The entire herb garden has been ransacked!”

Elder Xu threw his head back and howled with grief and indignation.

He was so angry. It was fine that the precious herbs and spirit herbs were stolen, but he didn’t even let go of the water tank and hoe. How insane was this?!

The crowd below was stunned. They couldn’t believe it.

“We’re finished!”

Elder Wang Yun mumbled to himself as his face twitched a few times. Finally, he could not hold it in any longer. With a pfft, he spat out a mouthful of blood and fell backward.
