

## The Mightiest Little Peasant Chapter 1392

“Senior!”

Tang Hao called her a few times.

The old man finally came to his senses. He looked around at the empty space with a dazed expression.

It’s over?

He looked at the dozen Tang Haos in front of him and was completely speechless.

This kid ... Was really not an ordinary pervert!

“Senior, do you think ... This is okay?”

“This ...”

The old man muttered to himself. This was the first time he had encountered such a strange situation, and he did not know if it was in accordance with the rules.

However, after thinking about it carefully, there was nothing against the rules. They were all split souls and it was still the kid himself. There was no problem.

“Alright!”

He nodded and waved his hand, causing another patch of vegetation to appear.

Tang Hao’s group immediately started moving. In the blink of an eye, all the plants disappeared.

The old man was speechless.

“Motherf \* cker!” He couldn’t help but curse inwardly. Then, he waved his hand and continued to conjure plants.

One batch after another, he gradually became numb and no longer felt surprised. He just waved his hand mechanically.

After a dozen rounds, Tang Hao encountered a few unfamiliar faces, but they were rare.

The old man was secretly pleased, thinking that this kid finally had someone he didn’t know.

“Wait! You’re still too slow!” After twenty rounds, Tang Hao looked at the hourglass. They had been walking for a day.

“F \* ck! You think this is too slow?”

The old man was speechless again.

Tang Hao split out many more souls to join in. Dozens of Tang Haos were together, and their speed increased dramatically. Soon, they had finished more than ten rounds.

“Congratulations, kid. You’ve passed the 35th round and recognized nearly 350000 types of plants. You can now enter the list. Of course, it’s not the overall list. Your current ranking can enter the top 100.”

“Please state your name! If you don’t want to use your real name, you can also use an alias, a title, anything is fine.”

“I’ll call you nameless!”

Tang Hao said after some thought.

The old man was surprised. He looked at Tang Hao with a strange expression. Everyone else wanted their names to be on the list so that they could stand out, but this kid was good. He had hidden his name.

“So be it if I’m nameless!”

The old man nodded.

Then, outside, at the entrance to the valley of pills, the Jade wall changed. The last name on it disappeared and was replaced by a new one.

Nameless!

No one in front of the Jade wall noticed this change. Their eyes were focused on the front, discussing those powerful figures.

After a while, about a minute later, the ranking on the Jade wall changed again. At the bottom, the nameless man quietly moved up one place to the 99th place.

Still, no one noticed.

Another minute passed, and the nameless man moved up another seat.

At this moment, someone finally noticed.

“Ai! Look at this name, did I remember it wrong? I don’t remember this name before!” Someone pointed at the word “nameless” and asked in confusion.

The others looked over and were also puzzled.

“Nameless? F \* ck! Who was this? I’ve never seen him before!”

“I’ve never seen it before either. I’ve seen it just now, but there’s no such name. He must have just come up!”

The crowd was in a heated discussion.

“Hey! Which brother had finally made it to the top! It’s not easy to get 98!”

“Ai! When will I be able to squeeze in!”

Most of them just laughed and didn’t care too much. After all, this kind of thing happened once in a while, so it wasn’t strange.

Many people had already shifted their gazes away, but there were still some people who took a few more glances. However, it was these few glances that made them stunned.

“Did I see it wrong? that name seems to have gone up another rank?”

Someone rubbed his eyes and asked in confusion.

“That’s right, there’s indeed one. This brother is quite powerful! It’s suddenly shot up to 97, four people in a row!”

Someone asked in surprise.

“Really? Let me see!”

“Four of you! Amazing!”

The crowd in front of the Jade wall was in an uproar. They excitedly guessed who this person was!

Before they could come to a conclusion, those with sharp eyes noticed that the ranking had started to change again. The nameless man had moved up another place.

“He went up again! Oh my God! Five in a row!”

“That’s amazing!”

The crowd became more and more excited, and the commotion attracted more people to come over and look at the Jade wall.

“He went up again! This time, I’ve charged three times and reached 93!”

“F \* ck! He’s too ferocious!”

The crowd shouted and shouted, their faces red with excitement.

It had been a long time since such a Grand occasion had occurred.

“I’ve risen again!”

As more and more people gathered around, the atmosphere became more and more heated. Every time the ranking rose, a loud cheer would burst out.

Ninety-something, then eighty-something, and then seventy ...

The nameless man was rising very quickly. It was as if he was riding a rocket. He was soaring up with an unstoppable momentum.

Everyone was even more shocked.

In the beginning, they had thought that it was someone who had studied hard for many days and finally avenged his past humiliation and made it onto the list. But now, it seemed that this was not the case.

If that was really the case, he would definitely not be able to make it up the ranks.

But now, dozens of nameless Warriors had rushed in. They must be new.

“It’s a newcomer, right? Didn’t she just enter the hospital yesterday?”

“Another unparalleled genius has appeared!”

Everyone sighed.

“I wonder where this newcomer will get. The demon from the Yao clan shot up to more than a dozen places in a short time. As for that fairy Yuchi, she’s even more ridiculous. She shot into the top ten in a short time and shocked half of the equal heaven courtyard.”

“Look, she’s already in her forties, and her momentum is still very fierce. It’s simply inconceivable. I think she’ll at least get into the twenties, or even the top ten. As for the top ten, I don’t think it’s possible. How can it be so easy to produce a second peerless genius like fairy Yuchi!”

“I think so too. They’re at the top in the tenth place. It’s impossible to go any further.”

They were even more enthusiastic in their discussion about which rank this person could reach.

As the atmosphere became more and more lively, many people even came out from inside. The news spread, and some elders came. When they saw the list, they were also speechless.

“Another Little King of medicine! Hahaha!”

The elder laughed out loud, extremely pleased.

But then, he frowned as he realized that something was wrong. That fellow was simply too fast. In just a short while, he had already killed one. It was unbelievable.

After some careful calculation, this didn’t seem very possible. This had never happened before.

“How could this be? Could there be a mistake? That’s impossible!”

The elder was puzzled.

“Another genius? That’s great! It’s a good fortune for our heaven-equal Department!”

“Hahaha! I’m also here to see which family’s kid he is from!”

In the sky, rays of magnificent light swept over. After they landed, they revealed figures. They were all laughing and their faces were red. They were all elders who had heard the news and came to investigate.
