

The Mightiest Little Peasant Chapter 1414

From the dusky sky, there were figures falling from time to time. There were human disciples and also giant beasts.

They were scattered all over the place, and after landing, most of them hid their tracks and acted carefully.

After all, this world was filled with danger. Not only were there threats from the other races, but there were also threats from their own races. No one dared to step out rashly.

The disciples of the human race were either hiding in the dark or traveling in groups. As for the giant beasts, they had all shrunk their bodies and concealed their auras, making them look unremarkable.

And among them, there was one person who was the complete opposite.

Others were careful, but he swaggered into the forest with a big bag. The bag on his shoulder was bulging, as if it was filled with a lot of things.

“Aiya! It’s so heavy!”

After walking for a while, he stopped and put down the bag on his back while panting.

“Al! Having too many treasures is also a form of trouble!”

He wiped the sweat off his forehead and looked at the bag with a troubled expression.

At this time, someone had already noticed him. After all, this guy was the most eye-catching in the ancient forest.

Seeing this scene, their faces could not help but Twitch.

F * ck! This was a blatant show-off!

They really wanted to jump out immediately, beat this guy up, and then Rob him.

However, they held back because they knew that they were not the only ones who had their eyes on this guy. It was not a wise choice to be the first to jump out.

“A!”

At this time, the guy sighed again and even opened a corner of the bag. In a flash, five-colored treasure light poured out of the bag, illuminating the whole forest.

The treasure light even turned into a pillar of light that shot into the sky.

Gulu!

In the dark of the forest, the sound of people swallowing their saliva rang out.

The eyes of those people turned red, and their breathing became rapid.

“Motherf * cker! I can’t take it anymore! All the treasures are mine!”

With a loud shout, a burly man jumped out. His body was like an iron tower, and his physical body was extremely tough. He was a disciple of war god mountain.

As soon as he jumped out, he rushed toward that guy aggressively like a Wolf or a Tiger.

“Hmph! Don’t even think about it, the treasure is mine!”

At this time, a cold snort exploded. In another direction, a figure appeared silently and also rushed towards that guy.

“All of you, get lost!”

Another disciple of war god mountain jumped out.

Whoosh! Whoosh! Whoosh!

In that short moment, five or six figures appeared and all of them rushed towards that guy, wanting to fight for the treasure.

“Get lost!”

“You should get lost! The treasure is mine!”

Before they even got close, the group of people started to curse at each other. As they cursed, their anger came.

“Brother, why don’t we kill these bastards from the primordial chaos Daoist sect first? we’ll split the treasures later!”

A disciple of war god mountain shouted.

“Good idea! F * ck! Kill these bastards from the primordial chaos Daoist sect!”

A few Disciples of War god mountain immediately formed an alliance and targeted the people of the primordial chaos dojo.

“Motherf * cker! Who’s afraid of who! Do you think our primordial chaos dojo will be afraid of your war god mountain?”

“Brothers, let’s go! Let’s kill this group of idiots from war god mountain! After that, we’ll kill this idiot from the equal heaven Department and split the treasures evenly!”

The people from the primordial chaos Daoist sect were not to be outdone.

The two groups of people immediately started a chaotic battle, and the battle was in full swing.

Tang Hao stood there in a daze. He did not expect the two groups of people to start fighting among themselves. He simply sat down and watched.

“Brother, that was a good punch!”

“Brother, give me some strength! Otherwise, you’ll lose to this group of Blockheads from war god mountain!”

He even clapped and shouted from time to time.

The two groups of people were a little stunned when they heard this. This guy actually didn’t run away, but sat down and watched. Oh my God! Just how stupid was this!

“Shut up, kid from the equal heaven Department. It’ll be your turn after we’ve dealt with these bastards from the primordial chaos Daoist sect!”

The people from war god mountain angrily rebuked.

The two groups of people fought for a while, and they were really angry. They used all kinds of methods, and the battle was extremely intense.

Finally, the people from the primordial chaos Daoist sect could not hold on any longer and took the initiative to retreat.

“Hahaha! This group of trash, they dare to fight with our war god mountain, they really don’t know their place!” The people from war god mountain sneered.

Then, they turned around and stared at Tang Hao.

“Brat from the equal heaven Department, it’s your turn now!”

“It’s a wise choice for you to not run! Now, obediently hand over the treasure! Otherwise, I’ll let you know why flowers are so red!”

They glared at him and said fiercely.

“Alright!”

Tang Hao grabbed the bag and threw it out.

The men were surprised at first. They did not expect Tang Hao to be so straightforward. They were confused for a moment, but they did not have time to think about it. They rushed forward and tried to grab the bag.

They were afraid that someone would kill their way out and steal the treasure.

Seeing that they were about to get the treasure, they all revealed looks of wild joy.

However, at this moment, Tang Hao moved. He activated his void god art and his figure disappeared in an instant. The next moment, he reappeared behind those people and quickly threw a few punches.

Those few people were caught off guard and immediately fell for it.

With a few bangs, they were all sent flying and fainted on the ground.

“Thirty-one!”

“Thirty-two!”

“Thirty-three!”

Tang Hao dusted his hands and grinned.

Then, he turned around and looked not far away. The group of people from the primordial chaos dojo were all frozen on the spot. Their eyes were wide open and filled with shock and horror.

They were all stunned by this sudden turn of events.

A few seconds later, they came to their senses and almost vomited blood.

F * ck! He had been tricked!

This kid was pretending to be a pig to eat a Tiger! It was all an act, and they were so stupid that they took the bait!

“Motherf * cker! This bastard!”

They cursed angrily and gnashed their teeth in hatred. At the same time, they wanted to slap themselves, wondering why they were so obsessed and fell into this guy’s trap!

Looking at the kid again, they felt that they couldn’t be blamed. The kid’s acting was too good. From the surface, he looked completely innocent and harmless.

Who would have thought that he was actually an extremely sinister and cunning bastard!

“Shi, I’ll wait for you!”

They left a few harsh words and were about to escape.

Tang Hao's figure flashed. He immediately chased after them and took them down one by one.

"Thirty-four ... Thirty-five ... Thirty-six!"

He muttered a few words and quickly stripped these people naked, threw them aside, and then left.

He still swaggered over, and soon, there were people who had their eyes on him. They couldn't resist the temptation of treasures and rushed over one after another, but they were all captured by him.

Just like that, he walked all the way, using his superb acting skills to trick one group after another.

"Fifty-three ... Fifty-four ..."

More and more people were being scammed by him, and there were almost 60 people.
