

The Mightiest Little Peasant Chapter 1423

“Lei zhentian is here!”

There was a commotion in the square.

Everyone turned around to look, their faces revealing a bit of awe. Even the group of prehistoric giant beasts opposite them also revealed a bit of fear.

Even they did not dare to look down on a human genius with an inborn divine eye.

“As expected of a Sage, he’s extraordinary!”

The disciples of the immortal sects exclaimed with envy.

“Al! There was a rumor that Lei zhentian was knocked unconscious during the entrance exam. Is that true?”

Amidst the gasps of admiration, there were also voices that did not fit in with the crowd.

“Shh! Do you want to die?”

The surrounding people’s expressions changed drastically as they berated.

Then, they lowered their voices and whispered, “There was such a thing, but if you bring it up now, Won’t You Be embarrassing him? Be careful of losing your life!”

The man was startled and closed his mouth, not daring to make a sound.

Lei zhentian strode over, enjoying the atmosphere of being the center of attention. When he heard someone mention the entrance examination, his face sank, as if he had swallowed a fly.

The admission examination was the greatest humiliation of his life!

He glared at her before continuing forward.

Before he could get rid of this bad thing, his eyes swept around and suddenly froze. His face became gloomier as he saw something even more terrible.

That Shi guy was actually here!

He clenched his fists, and the veins on his forehead bulged. So this kid had run here long ago. To think that he had searched all over the place, but it was all in vain.

When he thought about how the trap from before might have been set by this guy, his mood became even worse.

“Shi, you’re here!”

He walked up to Tang Hao and said coldly.

“It’s brother Lei!”

Tang Hao cupped his hands and called out to him with a fake smile. “What’s wrong, brother Lei? are you looking for me?”

Lei zhentian stared at Tang Hao coldly, trying to figure out something. However, after observing for a long time, he could not figure out anything. He was not sure if the trap was set by Tang Hao or if he had killed the man.

After all, he had not found any evidence.

“Hmph!”

He snorted in anger, and the anger in his heart grew.

Seeing this scene, everyone revealed a strange expression and began to discuss in low voices.

“These two people ... There seems to be something wrong!”

“This is interesting. One of them has the potential to become a saint, and he’s a Supreme monster. The other is an all-rounded genius who is extremely talented in the three DAOs of elixirs, weapons, and arrays. Both of them are treasures of the equal heaven Department, and they actually have a conflict with each other. It seems like it’s not a small matter!”

“Actually, I can’t blame him. I’ve heard that that guy surnamed Shi is in the limelight in the heaven-equal Department now. He’s even completely overshadowed Lei zhentian. Of course, he’s unhappy!”

The crowd discussed excitedly.

For them, the bigger the internal conflict in the equal heaven Department, the better it would be. After all, they were just here to watch a show, and they couldn't wait for the show to be as exciting as possible.

"Surnamed Shi, have you been up there?"

Lei zhentian glanced at the cyan Emperor stage and said coldly.

"Not yet, I'm just about to go up!" "I'll let you go first since you're here, brother Lei," Tang Hao said indifferently.

"Alright! I'm in a hurry. Once I get on the cyan Emperor stage, I still want to go there and compete with the Golden ROC!" Lei zhentian puffed out his chest proudly and looked up at the sky.

Then, he lowered his head and glanced at Tang Hao with a disdainful look.

“Someone like you shouldn’t go. I don’t think you’ll be able to win a few matches with your ability, and you’ll only be a disgrace to the heaven-reaching Academy. When the time comes, you can just watch from the side and see how I’ll crush everyone.”

“I’ll let you understand that I, Lei zhentian, am the number one in the heaven-equal Department, not you, Shi Ritian!”

“What’s the use of knowing how to refine pills and weapons? nothing can compare to my innate divine eyes! I, Lei zhentian, am the one favored by the heavens. The Azure Emperor stage will definitely favor me! Grant me a precious treasure!”

“Die!” He shouted as a peerless aura exploded from his tall body, shocking everyone.

All was silent.

No one made a sound. If it was another person who dared to say such arrogant words, they would have laughed to death. But this person was different. He was Lei zhentian, a monstrous genius with the potential to become a saint.

To be able to possess a pair of inborn divine eyes, this was a blessing from the heavens!

As long as such a person stepped onto the stage, the treasures he obtained would definitely not be bad.

Yuchi Xuan from the heaven-equal Department was also a Saint. As soon as she ascended the Green Emperor stage, she immediately caused a phenomenon and a tribulation weapon descended, causing a sensation for a while.

“Please!”

Tang Hao’s expression did not change. He pointed at the Green Emperor stage.

Lei zhentian looked at him coldly before leaping onto the stage.

The cyan Emperor stage trembled, and a cyan light shot up into the sky. The next moment, the clouds rolled and a five-colored light emerged, illuminating the heaven and earth.

“That’s a Lucky Cloud! Another treasure is about to be born!”

Everyone couldn’t help but shout, unable to hide their excitement.

On the stage, Lei zhentian stood proudly with a calm expression on his face. To him, this was all within his expectations, and there was nothing to be excited about.

A moment later, a ray of light fell from the sky. It was a box. After opening it, there was a precious medicine inside, just like the Golden ROC.

“Precious medicine? Very good!”

Lei zhentian laughed out loud as he grabbed the precious medicine and swallowed it.

Then, he turned around and looked at Tang Hao threateningly. “It’s your turn, Shi! I’d like to see what you can get and whether it can compare to this precious medicine of mine!”

Everyone’s eyes turned to Tang Hao.

“That’s a precious medicine, a true treasure. There’s nothing that can surpass it!”

“This Shi guy doesn’t have the potential to become a saint, nor does he have the bloodline of the Golden ROC. How could he have obtained such a treasure? The chances of that happening are too slim!”

The crowd discussed and shook their heads.

Many people assumed a posture of watching a joke.

The ancient clan disciples from the heaven-equal Department were especially sneering as they glared at Tang Hao.

“Hey! Brat from heaven-equal Department, hurry up and wash your face. Make it whiter. Only then will you have a chance!”

“Yes, yes! Before you go on stage, you must wash your face!”

The crowd jeered and laughed.

The entire square seemed to be very noisy.

Tang Hao’s expression turned strange as the crowd laughed. He was not as talented as Lei zhentian, but he had been doing well with his face lately.

“Wash my face? No need! My face has always been good!”

Tang Hao smiled and walked toward the Azure Emperor stage.

“Hahaha! This kid is too confident. You can't be sure about one's face. Who can always have a good face?”

When everyone heard this, they all laughed.

“Hmph! You're shameless!”

Lei zhentian also sneered. He stood at the side with his arms crossed, looking like he was watching a joke.

Under everyone's watchful eyes, Tang Hao jumped onto the stage and shouted to the sky, “Wretched heavens, you have to work harder and give me a good treasure!”

“Hey! This kid was even cursing the heavens! If this face can still recover, then it's really strange!”

The crowd burst into laughter again.

However, they could no longer laugh after that. Their expressions froze, and their smiles froze. Their eyes gradually widened, and some of them looked at the sky in a daze.

In the sky, the clouds began to surge, and a five-colored light shone down. This was the sign that a treasure was about to be born.
