

The Mightiest Little Peasant Chapter 1429

“What? Immortal-grade talent?”

When everyone heard this, they were all dumbfounded.

“F * ck! Is there any justice in this world?”

Their faces twitched a few times, and they couldn't help but curse out loud in anger.

This Shi guy was a super all-rounded genius with such a strong physical body. Now, he had an immortal grade talent. How could he live?

The disciples of the heaven-equal Academy were even more shocked. They never thought that Shi Ritian would be like Xiao Yan, also having the celestial grade talent.

This was a talent that was on par with the potential of a Saint and the reincarnation of an Almighty!

The ancient race geniuses' faces turned gloomier and gloomier.

Lei zhentian, in particular, clenched his fists tightly and his face was ashen.

On the stage, the monster from the clan was stunned at first, then, his eyes widened and he almost cursed out loud.

F * ck! This brat actually had a celestial grade talent? Wasn't this a trap?

He almost wanted to turn around and run away, jumping off the fighting ring.

However, he still held back. If he really jumped today, he wouldn't be able to raise his head in the future. He sized up his opponent again and saw that he only had four Dao rings. He was overjoyed.

This battle could be fought!

He was at the great circle of beheading five, while this person surnamed Shi was only at the great circle of beheading four. There was a difference of a whole small realm, so he definitely had a chance.

“Hmph! Shi, don’t think that you can scare me. I, Zong Yuan, am not a coward. Today, I will fight you for three hundred rounds!”

He raised his head, puffed out his chest, and suddenly became imposing and full of fighting spirit.

“Good job, brother Zong! Let’s fight him!”

“Look, this is the spirit of our primordial chaos Daoist sect. We are not afraid of difficulties and move forward bravely!”

A wave of enthusiastic cheers erupted from the primordial chaos Daoist sect.

The disciples were excited.

That Zong Yuan was secretly pleased and felt a little smug.

He had decided that even if he had to give up half of his life, he would fight to the death with this guy and spread his reputation.

“Is that so?”

Tang Hao smiled at him. A golden light flashed above his head, and a small Golden Boat flew out. It hovered above his head, emitting a dazzling divine light.

“What is this?”

Zong Yuan was stunned, his eyes staring at The Golden Boat.

He naturally knew that this was the great Dao of supremacy. He just didn’t know what kind of great Dao it was.

Suddenly, a bright light flashed in front of Tang Hao's chest. A yin-yang wheel appeared and slowly turned.

"What the hell is this?"

Zong Yuan was stunned once more, his eyes widening even more.

He did not recognize any of the two great DAOs. Furthermore, both of them were Supreme great DAOs. This was too shocking.

The great Dao of supremacy was too difficult to comprehend. If one did not inherit the Dao soul to comprehend it, it would take decades or even centuries.

This also caused such Dao souls to be extremely rare.

Didn't they say that this guy came from a remote Galaxy? how could there be so many Dao souls from the Supreme Dao?

His eyes were a little wide, and his head was a little muddled.

At that moment, another object materialized in front of Tang Hao's chest. It was a pitch-black Heart. As soon as the heart appeared, a bitter aura filled the air.

The atmosphere of the entire fighting ring suddenly changed, turning into a hell of slaughter.

In an instant, everyone's faces changed.

Just now, they could still remain calm. It was just the great Dao of supremacy. It wasn't like they hadn't seen it before. But now, they couldn't remain calm anymore.

"This ... Could this be ... The Dao of slaughter?"

"Heavens! He has actually cultivated the Dao of slaughter!"

Everyone gasped and exclaimed in shock. At the same time, their gazes all changed, revealing a strong sense of fear and dread.

The Dao of slaughter was the most fearsome Dao among all the great DAOs. Anyone who cultivated this Dao would be a peerless brutal person who had killed countless people.

“Wait, that’s not right! Wasn’t this guy a good young man? I heard that he’s known for being kind and helpful in the equal heaven Department. Those elders really like him!”

“Yes, yes! I’ve also heard about him. My master also mentioned him and told me to learn from him and be a good young man!”

Everyone was in a daze.

In their impression, this was clearly a kind and friendly young man. He had nothing to do with that kind of peerless fierce person.

The members of the equal heaven Department were completely dumbfounded.

They had always thought that he was a good young man. But now, this guy’s style had suddenly changed and he had become a peerless brutal man. This really caught them off guard.

Lei zhentian was also dumbfounded. Then, his body trembled and he broke out in a cold sweat.

This guy ... Had hidden himself too deeply!

Such a scheme was truly terrifying!

“That’s right, that trap ... Must have been set by him. He must have killed the person!”

He thought of the trap. He had some doubts before, but now, he was convinced.

Then, he seemed to have thought of something, and his heart trembled.

This level of scheming, this level of strength, could it be that this person surnamed Shi was that bold brother?

He wasn't the only one. The other people also had the same thought.

"Shi, you're that bold brother, right?"

Someone asked sternly.

"Brother Dadan?"

Hearing this, the others were stunned. Then, they remembered who this audacious brother was.

"No way! He's the audacious guy who knocked out countless monsters, robbed the herb garden, and made the elders spit blood in anger in the entrance exam of the heaven-equal Department, brother audacious?"

Everyone was in disbelief.

"Yes, so what!"

"Yes!" Tang Hao admitted.

As soon as he finished speaking, there was a commotion all around.

"Heavens! He's brother Dadan!"

"That's too awesome!"

Everyone was excited.

However, the people from the equal heaven Department couldn't get excited at all. Their faces were all dark, and they gritted their teeth with blue veins popping out of their foreheads. They were so angry that they were about to vomit blood.

It turned out that this hateful gadan had always been under their eyes, and they had never noticed it, not even a trace of suspicion.

“The one surnamed Shi!”

The rain clan’s Mingzhu gritted her teeth, and her beautiful eyes were about to spew fire.

“You ... You’re that big bro Dadan?”

On the stage, that clan’s demon’s legs turned to jelly, and his voice began to tremble.

In reality, when the Dao of slaughter appeared, he was already scared out of his wits. Following that, he was shocked to discover that this fella was actually the legendary expert, brother audacious.

Damn heavens, you’re playing with me!

He really wanted to curse at the sky.

“Come on!”

Tang Hao ignored the commotion. He took out the final ultimate fire Dao fruit and looked at the monster from the clan.

“That ... Haha! Brother Shi! I was just joking just now, don’t take it seriously. Well, I still have something to do, so I’ll take my leave first. Next time, if you have time, let’s have a spar!”

The demon from the clan rubbed his head and laughed.

He waved his hand at Tang Hao, then quickly slipped away and jumped off the stage.
