

The Mightiest Little Peasant Chapter 1431

Whoosh!

A white sword light slashed out, carrying more than 30 kinds of Dao fire, the light of reincarnation, and the Qi of slaughter ... It rushed up.

The power of the sword seemed to be able to split the sky and earth, split the sea and cut the mountains.

“What’s that?”

Everyone raised their heads and looked in shock at the flames that shot up into the sky.

“That’s the Dao fire...One, two, three...Oh my God! There are more than 30 types of Dao flames!”

“More than 30 types? You must be joking!”

Everyone was speechless.

Dao fire was an extremely rare item even on the Donglin sacred planet. It was already considered a lot for a person to have four or five types of Dao fire, but this guy had more than 30!

This was truly unbelievable!

Just as everyone was still in shock, the sword slashed forward and collided with the palm of the Thunder God.

Bang!

A deafening explosion rang out.

A bright light bloomed on the stage and illuminated the sky.

Everyone raised their hands subconsciously to cover their eyes. When they focused their eyes again, they saw the sword light cut through the giant palm of the Thunder God and continued to slash upward.

“Heavens! It’s split open!”

They couldn’t help but exclaim.

At this moment, Lei zhentian’s expression changed slightly, and a look of shock appeared on his face.

He had not expected his opponent to have so many flames of the way.

He snorted in anger and raised his palm again. The Thunder God behind him raised another giant palm and slapped down. At the same time, a golden light flashed in his eyes and a Golden Dragon rushed out. It roared and pounced down.

It was the Golden Dragon scissors, the Tribulation weapon that the courtyard had given him when he had gotten first place in the assessment.

BOOM!

There was another loud sound as the sword light and the giant palm collided, and a bright light burst out again.

However, it was still cut open.

The sword was sharp and unstoppable.

Immediately after, with a deafening clang, the ancient sword and the Golden Dragon scissors, the two tribulation weapons, collided.

With the point of collision as the center, circles of golden ripples spread out madly and swept in all directions.

“Shi, go to hell!”

Lei zhentian roared into the sky as he activated his Dao energy. The Golden Dragon scissors trembled and its aura continued to rise.

“Die!” Tang Hao roared in anger. His eyes shone as he channeled his Dao energy into the ancient sword in his hand and slashed upward.

Clang clang clang!

The sword and the scissors clashed at a terrifying frequency.

Ripples spread out, shaking the fighting ring below. The dazzling light shot up into the sky and illuminated the sky.

“Heavens!”

Everyone was extremely shocked.

After exchanging blows for a moment, Lei zhentian let out a muffled groan and showed signs of defeat. He found it hard to believe that with his ability to slash five, he would not be able to suppress this fellow who had just slashed four.

He flew into a rage out of humiliation and let out a shrill cry. Divine light suddenly bloomed in his pair of golden eyes, and he spat out a terrifying aura.

In the next moment, two beams of golden light shot out toward Tang Hao.

Tang Hao’s expression changed. He raised his sword to block the attack.

The next moment, his body trembled, and the ancient sword in his hand fell out of his hand. His body fell down as if he had been hit by a heavy hammer, and he fell heavily on the fighting ring.

Cough cough!

He coughed violently and spat out a mouthful of blood. His face was slightly pale.

Seeing this, the four sides broke into a commotion.

“Al! We’re still going to lose!”

“It can’t be helped. That pair of divine eyes is too strong. That’s a pair of inborn divine eyes, and its divine power is unparalleled!”

Everyone sighed, feeling a little regretful.

“Hahaha! How is it? the taste of my God’s eyes is not bad, right?” Lei zhentian laughed arrogantly, “Shi, kneel down and kowtow to me three times and I’ll let you go!”

Bah!

Tang Hao spat on the ground and stood up. “In your dreams!”

“Woof! It seems like you won’t shed a tear until you see your coffin. Alright, I’ll beat you until you kneel down today!” Lei zhentian roared in anger.

Tang Hao flicked his wrist and chuckled. “You really think you’ve won?”

Lei zhentian was stunned for a moment before he chuckled, “what? you still want to beat me?” Hahaha! What a joke, I have a pair of inborn divine eyes, what do you have! What do you have to fight with me!”

At the end of his sentence, he roared.

The sound waves rolled and shook the world.

Everyone was silent.

That’s right! This Lei zhentian had a pair of inborn divine eyes. Coupled with his Thunder clan’s innate talent, he was practically invincible. What did that Shi fellow have to fight him with?

Defeat was just an inevitable matter!

“On what basis? Just based on this!”

Tang Hao smiled coldly. He raised his hand and pressed it against his chest. In the next moment, a dazzling golden light burst out from that spot, leaking out from the gaps between his fingers.

Then, he wiped it again.

Beams of golden light shot out.

It was as if there was a small sun in his chest, giving off endless light and heat.

His clothes and black hair fluttered in the wind. At the same time, a terrifying pressure, vast and ancient aura, spread from his body.

Sensing this aura, Lei zhentian’s body trembled and he blurted out in shock, “What is this?”

Then, the aura spread to the four stages, and everyone was shocked. They were almost suffocated by the aura.

“What’s going on?”

They couldn’t help but exclaim in shock and confusion.

At this moment, with a boom, the figure on the stage trembled. A shocking aura exploded from his body, turning into a huge golden pillar of light that shot into the sky.

The dark sky was lit up as if it was daytime.

Even the clouds were torn apart by the pillar of light.

The figure stood in the pillar of light, and the golden light from his chest continued to spread to his limbs. It was as if his entire person had turned into a golden furnace. Every inch of his flesh and blood, every inch of his skin, had turned golden and flowed with divine light.

At the same time, the terrifying pressure became more and more intense.

“Dragon might! This is the Dragon’s might!”

Suddenly, someone shrieked with extreme shock, “he’s evolving! His true dragon Bone is about to evolve again!”

As soon as he finished speaking, everyone trembled in shock.

“Evolution?”

Their minds were blank.

How could this be possible!

As everyone knew, it was very difficult to evolve God’s bones. Whether it was to evolve to the second or third form, it would require a huge amount of spiritual essence.

As for the fourth form, the amount of spiritual essence required was even more terrifying. It was almost impossible!

This was also the weakness of God’s bones.

This Shi guy’s body was strong enough to wash war god mountain with blood. His godly bones must be in the third form, so it was impossible for them to evolve further.

Perhaps after a few decades or a hundred years, he would have the chance to evolve, but it would definitely not be now.

However, the situation on the stage was real. The Dragon’s might on that fellow surnamed Shi’s body continued to rise, and his aura became more and more terrifying. He was really evolving.

His godly bones were about to evolve to the fourth form!

“This ... How is this possible?”

Everyone in the arena muttered in shock.
