

The Mightiest Little Peasant Chapter 1439

"I really didn't expect that it was this kid who took first place!"

"So, he's the big bro who caused a sensation! Damn, this kid is too cunning and good at acting! I really believed him, he's just a silly boy!"

The area in front of the cyan Emperor mountain was in an uproar.

The elders of the various sects sighed that they had made an error in judgment.

They were all elders who had lived for hundreds or even thousands of years. They were actually deceived by a young boy. It really made them feel ashamed.

At the same time, they were extremely envious.

This kid with the surname Shi was simply a treasure. Not to mention his talent in alchemy, weapons, and arrays, he was second to none in the younger generation of the entire Donglin sacred planet.

More importantly, he was so powerful. With his celestial grade talent and the true dragon Transformation, his combat power was unparalleled. Even a Sage and the Golden-winged ROC were defeated by him.

Given time, he would definitely become a terrifying giant.

"F * ck, the heaven-equal Department is so lucky this year. There are three top geniuses, and now there's another one! He even took first place and swept the trial!"

They muttered in low voices, feeling indignant.

Elder Wang Yun had been in a bad mood, but when he heard these people envying the heaven-reaching Department behind their backs, he was instantly delighted. He felt very comfortable and in a good mood.

The more he looked at Tang Hao, the more he liked him.

The untainted clan was also in an uproar. However, after a while, they fell silent. The elders also withdrew their auras and landed.

They felt ashamed. So many giant beasts had taken turns to challenge him on the fighting ring, but they had all been killed. Even the Golden ROC had been defeated so badly. They really had no face to deal with this kid.

“This kid ... Is truly extraordinary!”

“In my opinion, he has the appearance of a Saint. This time, the human race has produced another world-shocking figure!”

They were discussing in low voices as they stared at him coldly.

This was obviously not good news for the untainted clan.

“What? That Shi brat also obtained a peerless treasure on the Green Emperor stage?”

Suddenly, a cry of surprise rang out from the crowd of the primordial chaos Daoist sect.

In an instant, the surroundings fell silent, and everyone’s eyes swept over in unison.

Elder Wang Yun was stunned. He could not believe it. Then, he stepped forward and grabbed Tang Hao’s hand. “Is this for real?”

The faces of the group of Masters also changed.

Tang Hao nodded.

“Why didn’t you say so earlier! Let’s go!”

Elder Wang Yun quickly summoned his flying boat and pulled Tang Hao onto it. “Quick, count the disciples and let’s go!”

The group of elders hurriedly counted the disciples and led them onto the swift Boat.

“A peerless treasure! This kid ... How can his luck be so good!”

“I heard it’s a scroll, but I don’t know what it is. It could be a cultivation technique or a formation!”

The elders of the various sects raised their heads to look at the swift Boat and discussed animatedly.

They were all shocked. This was the third time a peerless treasure had appeared in history. Anyone who could obtain a treasure of this level would definitely have a very strong fate.

Luck was something that was illusory, but it did exist and was very important. With a strong luck, one’s future achievements would definitely not be bad.

“I’m afraid this kid will be amazing in the future!”

They couldn’t help sighing as they watched the Flying Ship take off and leave quickly.

Under elder Wang Yun’s urging, the swift Boat burst out with its fastest speed. They returned to the equal heaven courtyard in half a day, and elder Wang Yun brought Tang Hao into the Great Hall.

Deputy headmaster Bai had already received the news and was waiting for it.

“Alright! You little brat, you’ve really hidden yourself well, even I didn’t notice!”

Deputy headmaster Bai’s face darkened when he saw Tang Hao.

“Hehe!”

Tang Hao rubbed his nose awkwardly.

“Forget it!” Deputy headmaster Bai waved her hand and sighed. “You’ve already swallowed the precious medicine and digested it. What can I do to you? besides, you’ve done well this time and brought honor to the heaven-equal Department. I won’t hold you responsible for this!”

“Thank you, deputy headmaster!”

Tang Hao quickly thanked him.

“You little brat, you better behave yourself in the future!” Deputy headmaster Bai said, “by the way, show me that peerless treasure. Don’t worry, I won’t take it from you. Just show it to me!”

Tang Hao wasn’t worried, and he took out the scroll.

“What is this? Why does it look a little shabby?”

Elder Wang Yun could not help but ask.

Deputy headmaster Bai took it and looked at it carefully. Then, she placed it on the stage and gently unfolded it.

When he saw the lines of strange words, he trembled as if he had been struck by lightning. His face changed instantly. He immediately closed the scroll and stuffed it back into Tang Hao’s hand.

“Hold it well! This thing must not be taken out in front of others! Remember! Remember this!”

Deputy headmaster Bai warned with a serious expression.

“And you guys, you didn’t see anything. This is just a formation diagram, do you understand?” Then, he looked at elder Wang Yun and the others.

Seeing this, the elders’ expressions changed. They knew in their hearts that this scroll was definitely an incredible treasure.

“What ... What is this?”

Tang Hao asked as he put away the scroll.

Deputy headmaster Bai hesitated for a moment, then said, "A God's treasure!"

"A divine treasure?" Tang Hao was surprised. "Why does that name sound so cool?"

As for elder Wang Yun and the others, their bodies trembled violently as they revealed an expression of extreme shock.

"Heavens! How could there be such a treasure?"

Elder Wang Yun took a deep breath and his face was filled with disbelief.

He looked at Tang Hao as if he was looking at a monster.

"My dear disciple, your luck ... Is really invincible!" Wang Liang's master and the others sighed.

"As the name implies, a godly Spirit's treasure is the treasure of a godly spirit. Gods are no longer around, and they only exist in the ancient times. Don't you think their things are powerful?"

Deputy headmaster Bai said.

Tang Hao came to a sudden realization.

He had heard of ancient gods before. After all, he came from earth, which was also the ancestral star. There were ancient gods in all kinds of myths and legends, such as the Thunder God and the rain god.

"That's right, there's also that Dragon count, he's also considered a God, right? Back then, that big guy shouted that Immortals and gods can't exist together!"

Tang Hao pondered, and he could not help but think of the giant God Dragon count who was suppressed on the Qi Yuan star.

If he wasn't afraid of that guy's strength, Tang Hao would have gone there again to understand what had happened in the ancient times.

"You can't tell anyone about this, understand?" Deputy headmaster Bai reminded him again.

"This time, you won first place beautifully. You've really given our principal Qitian face. You should be rewarded," he said after a moment of silence.

"However, you Rascal, you previously plundered the medicine garden and swallowed so many precious medicines, so I can't reward you with treasures that are too good. How about this, I'll take you to a place, and you can take whatever you can pick up!"

With that, he walked out of the hall.
