

The Mightiest Little Peasant Chapter 1446

“Look! Fairy Yuchi is here!”

In the sky, a ray of light swept over, and a graceful figure appeared in front of him.

She was dressed in colorful clothes, her figure graceful and beautiful.

With a whoosh, the entire Valley was in an uproar.

Not only was this fairy Yuchi extremely beautiful, but she was also known as the number one beauty of the heaven-equal courtyard. Her talent was also peerless, and she was born with a piece of divine bone, so she was known as the number one beauty of the outer courtyard.

Moreover, before Shi Ritian’s arrival, she was known as an all-rounded genius.

Her radiance alone had overshadowed all the outer court disciples. Even in the inner court, there were not many people who were more dazzling than her.

For such a person, entering the inner court was a sure thing.

Looking up at the graceful figure in the sky, the male disciples all revealed looks of awe and adoration.

Listening to the enthusiastic cheers below, Yuchi Xuan’s face was still indifferent, her eyes were cold, and her clothes fluttered in the wind, making her look like a fairy.

She floated down and stood on top of a mountain, waiting quietly.

People continued to pour in, and the valley became more and more lively.

When Lei zhentian arrived, the valley was once again in an uproar.

“This Lei zhentian is really pitiful! If it wasn’t for that perverted Shi guy, I would definitely be the number one among the newcomers. But now, I’m a little miserable!”

“I heard that he’s going to take revenge this time. I wonder if he’ll succeed!”

The crowd whispered to each other.

Lei zhentian had changed a lot. He was no longer as arrogant as before, and his temperament was a lot more restrained. His expression was a little gloomy.

When people like Xiao Xiao and Yu Shijie arrived, there was also a burst of excitement, especially Yu Shijie, whose commotion was no less than that of Yuchi Xuan.

When Tang Hao arrived, it was even more lively.

“Look! It’s that Shi guy! He’s here!”

There was a commotion in the valley, and everyone looked up.

Even Yuchi Xuan raised her eyes and looked over. In her pair of clear and cold eyes, there was a divine light that was shining like lightning. An intense battle intent rose from her body.

She did not have many opponents in the outer court and Shi Ritian was one of them.

Looking at this guy, her heart was a little unsettled.

If this guy had not appeared, she would still be that all-rounded genius. However, this guy had snatched the title away the moment he came, and now, he was even in the limelight over her.

She had always been proud and thought highly of herself, so it was hard for her to accept this.

In the valley, Lei zhentian’s expression changed. He clenched his fists tightly and shouted, “Shi, just you wait. This time, I will defeat you and wash away the shame!”

Tang Hao only glanced at him coldly and ignored him.

After they landed, many grassroots disciples surrounded them and greeted them enthusiastically.

After a while, a group of elders flew over from the horizon. It was still the familiar elder Wang Yun leading the group.

Elder Wang Yun had a smile on his face. When he saw his disciples, he would nod and smile. He was very graceful and cultured. He had the image of an amiable and friendly master.

He was also in a very good mood. Every competition was a grand event for the equal heaven Department.

Until he saw a figure in the crowd, all his demeanor and self-restraint were thrown to the back of his mind.

“You little brat!”

His face turned black, and blue veins popped out on his forehead.

“Elder Wang, how are you?”

Tang Hao grinned at him.

“Good, your head!” Elder Wang Yun’s face turned extremely black, “kid, I’m warning you. If you cause trouble for me again, I won’t let you off!” Even those old fogeys can’t protect you!”

“Elder Wang, the last time was just an accident. Do you really not believe me?” Tang Hao’s smile was simple and honest. He looked innocent and harmless.

When everyone saw this, their faces could not help but Twitch.

Motherf * cker! This guy was simply a movie King!

If they didn’t know this guy’s true nature, they would have been fooled by his pure and innocent appearance.

Elder Wang Yun was also in a daze.

Then, he scolded, "you little brat! Don't try this on me! Be honest! Do you understand?!"

After he finished speaking, he looked around and coughed lightly. "Alright, let's get down to business! I'm sure you all know the rules of this trial. Each of you can come up and collect a heaven-equal token. The time limit is two days, and the ranking will be based on the number of heaven-equal tokens you grab."

"There are only about two hundred people who can enter the second round. I hope you all can work hard. As for your methods, there are no restrictions, but you are not allowed to harm your lives. Do you understand?"

"Understood!"

Everyone responded in unison.

Then, elder Wang Yun and the others took out bags of tokens and started to distribute them.

After receiving the token, all the disciples were excited, rubbing their hands, eager to try.

Tang Hao squeezed through the crowd and also received a token.

"Brother Shi, you have to be careful this time. Lei zhentian and the other Gu family disciples have received the support of their families. They are all well-equipped!"

While they were waiting to enter the mountain, a grassroots disciple said to Tang Hao.

"Yes, yes! I've also heard that Lei zhentian seems to have gotten his hands on an especially powerful tribulation weapon. It's the most precious treasure of their Thunder clan."

The other grassroots disciples also chimed in.

Tang Hao did not mind. He waved his hand and said, "I'm not afraid! Do you think I'm afraid of them when it comes to equipment?"

"Woof! Surnamed Shi, you're quite arrogant!"

"Surnamed Shi, I think you don't know the heritage of us ancient race! That's true! You're just a country bumpkin. How do you know how powerful we Aborigines are?"

The ancient race disciples chided with cold smiles.

"Forget it. Don't talk to such an ignorant person. The most powerful calamity weapon of our ancient race is of a high grade. The one that brother Lei is currently carrying is a 5th tribulation weapon. The others have plenty of 3rd and 4th tribulation weapons."

"Shi, what do you have that can be used to fight with us?"

They sneered, their tones sharp.

At this moment, everyone looked over.

Tang Hao patted his chest and said boldly, "What do I have? I have a big iron stick, it's really big, and it can even destroy a fifth tribulation weapon."

As soon as he finished speaking, everyone was stunned.

They stood there in a daze, their faces full of shock.

"Bah! You hooligan!"

A female disciple in the crowd spat and cursed.

The male disciples' expressions turned strange.

"F * ck! I was talking about the Tribulation treasure, why did he say this!"

“Tsk! I don’t believe that his thing is really that big. In terms of this, who can be bigger than me? It’s a foot long!”

Someone was unconvinced. He raised his hand and gestured the length.

“Only one foot? Tsk! This is nothing, I’m two feet tall!”

Another person was unconvinced. He raised his hand and gestured an exaggerated length.

“You might not believe me, but my ... It’s so long that it can wrap around my waist. Don’t you think it’s awesome?”

All the male disciples were excited when they heard this.

They gestured excitedly, each one more exaggerated than the other. They were almost blowing their own trumpet to the sky.

“Shut up!”

Elder Wang Yun couldn’t take it anymore and roared.

“You little brats, are you itching for a beating? get lost! And you little brat, you’re stirring up trouble again. Hurry up and get in!”

He pointed at Tang Hao and gritted his teeth in anger. The veins on his forehead were throbbing.
