

## The Mightiest Little Peasant Chapter 1467

“Not enough! It’s far from enough!”

Tang Hao mumbled to himself. His expression grew crazier and crazier. He began to activate the blood in his body, and it gushed out in a frenzy.

Weng Weng Weng!

The scroll in his hand trembled violently and flew out of his hand. It flew into the air and floated in the center of the formation.

All the blood flowed towards the formation and then into the scroll.

A beam of light shot up into the sky, tearing the dark sky apart. It lit up the entire place as if it was daytime.

At the same time, an ancient aura spread out and filled the entire world.

In an instant, everyone in the entire mountain range was alarmed.

“What’s wrong?”

“What is this aura?”

They stopped fighting and turned around to look in their direction.

Even the group of Saints at the top of the sky stopped fighting and leaned down.

When they saw it clearly, their bodies trembled, and a look of horror appeared on their faces.

“That’s ... My God! Is this kid crazy?”

“He’s using the decree! Isn’t this just looking for death!”

Exclamations of shock erupted from all directions.

“Hmph! This kid ... Really overestimates himself! How can a Dao-severing cultivator like him use such a divine item?” War god Mountain Master sneered.

“Aiyaya! This kid is too impulsive!”

The Daluo Swordmaster shouted.

His eyes were fixed on the decree, shining with a fiery light. He muttered, “Good treasure! It’s really a treasure!”

Under everyone’s gaze, the pillar of light grew brighter and brighter, and its aura grew more and more majestic. But suddenly, the pillar of light trembled violently, as if it was about to disperse.

Then, it started to dim.

“Hahaha! I’m finished!”

Seeing this, everyone’s expression showed that it was as expected.

They had long predicted that with that brat’s strength, it was absolutely impossible for him to activate a law decree. Now, it seemed that it was indeed as they had expected.

“Brat, don’t waste your energy. Give it to me!”

The Yuchi race’s heaven monarch roared and was about to rush out to snatch the scroll.

The heaven monarchs of the other forces were also ready to make their moves. Such a divine item must not be given to others.

Tang Hao trembled as he raised his hand. His hand was as dry as firewood. The ring on his hand glowed, and a palm-sized Jade bottle flew out.

As soon as the bottle cap was opened, drops of blood flew out.

“That’s ... God’s blood!” He exclaimed.

Everyone’s breathing suddenly stopped, and they revealed extremely greedy expressions.

The decree and the divine blood were both divine items that could make anyone go crazy!

But immediately after, their expressions changed.

“You brat, what are you trying to do?”

“Stop!”

They shouted and rushed out.

However, it was too late. Tang Hao opened his mouth and sucked all ten drops of divine blood into his mouth.

BOOM!

As soon as the God’s blood entered his stomach, an extremely powerful force burst out, almost making him explode. He gritted his teeth and held on.

As the power of the God’s blood spread, new blood began to grow in his body. It gushed out and was absorbed by the ancient heaven worshipping formation. Finally, it was all integrated into the decree.

Buzzzzzz!

The decree trembled violently and suddenly burst into a shocking brilliance. Then, the decree spread open, and the lines of Divine Spirit characters on it began to light up.

The moment the decree was released, a circle of golden ripples suddenly spread out.

Peng Peng Peng!

The surrounding heaven monarchs who were about to rush up and snatch the treasures were all shocked as if they were struck by lightning. They groaned and flew backward.

“It’s open!”

“Heavens! He swallowed the God’s blood!”

There was another wave of exclamations from all four sides. Everyone’s faces were dumbfounded. They had never thought that this kid would still have such a move.

Wasn’t it courting death to swallow ten drops of blood at the same time? He definitely wouldn’t be able to hold on and would explode to his death.

Seeing that the group of people had been shaken away by the Golden ripples, they didn’t dare to move forward rashly. They all waited for the kid to explode and die.

However, after waiting and waiting, he still didn’t see that brat explode. Instead, the law decree’s aura became more and more terrifying. That pillar of light pierced through the sky, illuminating the heavens and earth.

“This doesn’t look good!”

“Don’t tell me it really worked!”

They started to feel nervous. Even the Saints didn’t look too good.

As the pillar of light grew brighter and brighter, they could no longer see what was going on inside. They could only feel that the power of the decree was increasing rapidly, and a powerful aura was slowly awakening inside.

Clang clang clang!

Weng Weng Weng!

In all directions, the Tribulation weapons and doctrine weapons in everyone's hands trembled slightly and let out a soft cry, as if they were shocked by the aura.

Everyone was suffocated by the pressure, and the whole world seemed to have frozen.

Suddenly, an earth-shattering roar came from the light pillar.

This howl carried a shocking pressure and suddenly spread out. Anyone who heard it groaned and their minds were greatly shaken, as if they had been hit by a hammer.

Some people lost their balance and almost fell. Some even spat out a mouthful of blood.

Hiss!

Countless people gasped in shock.

It was truly terrifying to have such divine might with just a long howl!

"I am Emperor Jun. I refine this dharmic decree and bestow it to the divine messenger ... Wherever the dharmic decree is, it will be as if I am personally here!"

From within the light pillar, a loud and clear voice rang out. The voice rumbled like thunder, shaking the world.

Everyone's body trembled, and their expressions changed drastically.

The decree was activated!

Then, they widened their eyes in shock as they saw a huge figure slowly rising from the pillar of light. It was a giant, silver in color and shining with a dazzling divine light.

What was even more mystical was that there were Five Eyes on the giant's face. There was one in the middle of the eyebrows, two on the left and two on the right. Looking down, there was an even larger eye on the chest.

In the middle of his raised palms, and even on his forehead, there was an eye.

There were exactly nine of them!

It was a nine-eyed God!

"Heavens!"

Everyone was stunned.

This God was different from the previous one. It looked even more powerful and terrifying. Its Nine Eyes were all closed, and each of them contained a terrifying aura that seemed to be able to destroy the world.

"F \* ck! He really summoned it?"

In the sky, the Daluo Swordmaster's eyes almost popped out of their sockets in shock.

Mountain Master war god was stunned at first, and then his face began to turn red. He had laughed at this kid for overestimating his ability, but he had not expected that this kid would really succeed.

"My ... My God!"

In the square in front of the palace, the heaven monarchs looked up at the silver nine-eyed God spirit and couldn't help but tremble, their faces turning ashen.

This was the clone of a God, and it possessed a heaven-shaking divine might!

They wanted to run away, but their bodies were no longer under their control. They were suppressed by the aura of the God and couldn't move.

The Yuchi race's heavenly Lord and the battle God mountain's elder's faces were also deathly pale. Their legs were shaking so much that they went soft. Their hearts were filled with fear, and they no longer had the arrogant and smug expressions they had before.
