

The Mightiest Little Peasant Chapter 1480

“He’s from the equal heaven courtyard? No way! How come I’ve never heard of such a figure in the equal heaven Department?”

“This isn’t strange. There are many disciples in the heaven-equal Academy, and all of them are monstrous geniuses. As long as they have a lucky encounter, they’ll be able to soar into the sky!”

The crowd discussed and felt a little emotional.

As expected of one of the three great pure lands, the heaven-reaching Academy had a profound Foundation and numerous geniuses. In its former glory days, Saint-grade and immortal-grade geniuses could be found everywhere.

Now that it had declined, a peerless genius with a God spirit bone jumped out and shocked the world.

The elders of war god mountain and primordial chaos dojo had ugly expressions.

“Overturn the Yuchi race and make them pay the price? Hmph! This kid ... Was really laughable! It was extremely stupid! The heaven-equal Department had already passed away, yet it still wanted to avenge them! With his strength, isn’t he here to die?”

The elder of war god mountain sneered.

“This God spiritual bone of his is not bad!”

The primordial chaos dojo elder’s tone was cold as he looked at the bone with greed in his eyes.

There were also a few people who frowned. They sensed that something was wrong with that sentence.

“Take back what belongs to you? This is a little strange!”

However, they didn’t pay too much attention to it and quickly forgot about it. They laughed with the others, laughing at this brat for overestimating his own strength. A mere Dao crusher dared to say that he would overturn the Yuchi clan.

Although the patriarch of the Yuchi clan was not here, there were still many heaven monarch elders in the Yuchi clan. There was no lack of perfected heaven monarchs. A mere Dao crusher could be crushed to death easily and wouldn't be able to cause any trouble.

On the stage, the black-robed man didn't make a sound. He only coldly scanned the surroundings. First, his gaze swept across the Yuchi race, then war god mountain, primordial chaos dojo ...

In the crowd of people from the two great pure lands, Lei zhentian and the others avoided his gaze, not daring to meet his eyes.

They had all been disciples of the heaven-equal Department, but when they saw that the heaven-equal Department had fallen, they immediately left and joined other pure lands, which was a kind of betrayal.

"Hmph! What betrayal, that's all hypocritical benevolence and morality. I'd like to see how you're going to overturn my Yuchi clan today!"

That Yuchi family's patriarch snorted angrily and shouted in all directions,"men! Take him down!"

"Yes! Master!"

Sounds of agreement immediately came from all directions."Swish, swish, swish," one figure after another flew out from all directions and pounced onto the central fighting ring. All of them released their auras, like a rainbow piercing through the sky, and their bodies were covered with a brilliant immortal radiance.

These were all Lords of Heaven at the immortal realm. There were more than a dozen of them, and all of them looked fierce and fierce.

In all four directions, many powerful ancient clans and the elders of the two pure lands were looking at each other with a strange expression. They seemed to be communicating with each other.

They also had their eyes on the God spirit bone.

A piece of God's bone was a divine item that far surpassed a real Dragon's bone. It was not up to them not to be tempted.

“Kid, you still want to overturn my Yuchi race? Buzzzzzz! Watch how I’m going to deal with you!”

An elder of the Yuchi race was the first to arrive. He extended his hand and a giant Golden Palm appeared, grabbing towards the stage.

The attack of the celestial Lord of heaven was unparalleled. Before the palm reached him, a terrifying pressure pressed down. It was a wisp of immortal might from the celestial Lord of heaven.

Becoming immortal, becoming immortal, naturally touched a trace of the immortal realm.

Seeing this, the elders of the two pure lands and the other clans were ready to take action.

Although the kid was strong, he was no match for a heavenly Lord who had become an immortal. There was a huge gap between Dao severance and immortal Ascension that could not be crossed.

This brat simply couldn’t take this palm strike. Other than running, he had no second choice.

However, to their surprise, the kid did not run at all. Instead, he took a step forward to face the giant palm.

In an instant, they were all stunned. Even the elder from the Yuchi race who had attacked was stunned as well. Even his Qi froze for a moment.

“This kid ... What is he trying to do?”

Everyone had the same question in their minds.

“He can’t be trying to take this heaven monarch’s attack head-on, right?”

“Is he crazy?!”

Everyone was dumbstruck.

To fight a heavenly Lord at the Dao severing stage was simply courting death!

Many people were about to sneer, but at this moment, the figure on the stage suddenly trembled. With a bang, a majestic aura shot up into the sky, turning into a pillar of light that pierced through the sky.

Within the pillar of light, Dao rings appeared one after another. Every single one of them was extremely huge and shone with a brilliant light.

“This ... This is ...?”

Everyone was stunned.

Then, their eyes widened, revealing a look of horror.

“Celestial grade! That’s a celestial grade talent!”

“Heavens! He’s actually a celestial grade talent!”

They couldn’t help but exclaim in shock.

Not only did this person have a piece of divine spiritual bone, but he also had the talent of a celestial grade. He was at the level of nine beheads. What kind of monstrous talent was this!

What Yuchi Xuan, she was simply incomparable to him.

This was truly an unprecedented, unparalleled, and Supreme monster!

Throughout the history of planet Dong Ling, there had never been such a monster. He was truly unprecedented.

“My ... Heavens!”

The elder from the Yuchi race who had just attacked had a dazed look on his face. He couldn’t help but let out a cry of surprise, completely stunned by the nine gigantic Dao rings before him.

“Heavenly Lord! What’s there to fear!”

At this time, the black-robed man let out a loud shout. He stomped his foot and burst out, punching the giant Golden Palm.

Bang!

A loud bang!

Under everyone’s shocked gazes, the giant Golden Palm was blown apart. The punch continued to fly forward and smashed into the protective light screen of the Yuchi race’s elder.

Although he managed to block it, the elder still grunted and was sent flying, landing heavily on the ground.

There was a deathly silence.

Everyone was stunned.

A heaven monarch was blown away by a Dao-cutting cultivator?

This was simply too shocking!

“Hiss! This kid is too terrifying!”

“I’ve never heard of someone who can fight a heavenly Lord at the Dao severing stage. ”

They gasped and said in horror.

On the high platform, Yuchi family’s patriarch was also in a daze. Following that, his face contorted and revealed an extremely embarrassed and angry expression as he roared, “Kill! Kill him!”

He was extremely furious. This stinky brat had once again caused his Yuchi race to lose all face.

The rest of the elders moved at the same time and pounced on the fighting ring from all directions. They attacked at the same time, blasting out beams of light, trying to kill the kid in one fell swoop.

“We’re finished!”

The crowd exclaimed.

With so many heavenly Lords attacking, there was no lack of experts in the middle and late stages of immortal transformation. No matter how powerful that kid was, he would still be defeated.

But at this moment, a green light flashed on the high platform. A platform flew out from the boy’s head. It shook slightly, and a ripple spread out.

In an instant, the space seemed to have frozen.

The rays of light that were blasting over were all frozen there.

Then, rays of light flew out of the kid’s body. They were Dao fruits.

“What does he want to do?”

Everyone was stunned at first. Then, as if they had thought of something, they looked horrified and screamed, “he ... He’s trying to become an immortal here!”
