

The Mightiest Little Peasant Chapter 1481

On the square, everyone revealed a look of panic.

“He ... Is he crazy?! I’m trying to become an immortal here!”

“Motherf * cker! He’s a lunatic!”

Everyone cursed.

Many of them shivered and broke out in cold sweat as they hurriedly retreated.

There was a Heavenly Tribulation during the process of becoming immortal. As long as the Tribulation lightning fell, this place would be razed to the ground, and they would be affected.

They finally understood why this guy had the confidence to say that he wanted to overturn the Yuchi race.

That Yuchi family’s patriarch was also greatly shocked and immediately after, he burst out with a shout, “You dare!” He was about to make a move to stop the fellow on the stage.

But at this time, among the retreating crowd, someone shouted, “Look, his Dao fruit ...”

“Hey! What’s there to see! Hurry up and run!”

“Look, look, look, your sister!”

Around him, those people were all running away, trying to get as far away from here as possible.

However, there were also people who looked up curiously at the stage.

It didn’t matter if he didn’t see it, but the moment he saw it, it was as if he was struck by lightning, and he was stunned on the spot.

“Al! What’s wrong with you guys?”

Seeing their strange behavior, the people who were running away were stunned and felt it was strange. They also turned around and looked at the stage. When they saw it clearly, they had the same reaction.

“How ... How is this possible?”

“I’ve seen a ghost!”

They mumbled to themselves as if they were in a trance. Many of them even raised their hands and slapped themselves a few times, causing them to cry out in pain.

That Yuchi family’s patriarch took a closer look at the stage and his entire body trembled as he was instantly stunned.

He was completely dumbfounded!

He was very familiar with the Dao fruits on the stage. One was reincarnation, one was slaughter, and one was life and death ... These Dao fruits were exactly the same as the boy surnamed Shi.

However, that was impossible! That kid is already dead!

Back then, that brat forcefully activated the divine decree and even swallowed ten drops of divine blood. In the end, he even exploded the decree. How could he still be alive after that!

Even if he didn’t die, he was definitely crippled. How could his cultivation improve so much and even reach the ninth severing stage? more importantly, where did he get such a piece of God spirit bone?

He stood there in a daze, his mind filled with countless questions.

“This ... This is ridiculous!”

The elder of war god mountain slapped himself a few times, but he could not believe his eyes.

“He ... Is Shi Ritian?”

Lei zhentian and the others were all dumbfounded as they stood there in shock.

They couldn't believe that not only did this guy not die, but he also had a fortuitous encounter, and his strength rose to another level.

“Al! What's wrong with you guys?”

There were also people who didn't recognize those Dao fruits. Seeing everyone's expression as if they had seen a ghost, they were all extremely puzzled.

“He ... He is that Shi Ritian!”

“Shi Ritian? F * ck! It must be fake!”

When they asked, they were also dumbfounded.

All around the square, the fleeing crowd all stopped and froze there, looking at the stage in a daze.

On the stage, the figure stood still. The green Dao platform above his head bloomed with a brilliant light that made the world lose its color. Around it, nine Dao fruits were spinning.

Under everyone's gaze, he raised his hands and formed a complicated seal.

He pursed his lips and muttered a few words. Then, the nine Dao fruits shattered one by one.

The first one to break was the reincarnation Dao fruit. The Golden Boat cracked open and turned into a series of golden ancient runes that surged towards the Dao platform and fused into it.

Then, it was the life and death Dao fruit ...

Each Dao fruit cracked and turned into a string of talismans, which merged into the Dao pillars. The Dao pillars continued to expand.

When the ninth Dao fruit shattered and fused into it, the Dao platform shook violently. With a boom, a beam of shocking light burst out and shot into the sky.

The clouds were torn apart, and a huge hole was poked in the sky.

Following that, a series of rumbles sounded, and the sky darkened. The clouds churned, and lightning appeared.

“Hurry up! Stop him!”

The crowd finally reacted.

However, it was too late. From the sky, a brilliant heavenly might pressed down, covering the entire square. Everyone’s heart trembled.

“It’s too late! Hurry up and run!”

“The heavenly Tribulation has already moved. If we attack again, we’ll be courting death!”

Everyone looked up, and their expressions changed drastically.

The heavenly Tribulation had already moved, so it was impossible to stop it. Even if he could kill this brat, he would also be affected by the heavenly Tribulation and blasted into pieces.

“Retreat!”

Yuchi family’s patriarch made a prompt decision and led his men to retreat.

“Mother! Quickly run!”

The square was in chaos. Everyone turned around and fled frantically, trying to leave the area shrouded by the heavenly Tribulation.

They only stopped when they had retreated far away.

“No harm! However, it’s just a tribulation, it’s not very powerful and the scope is not large. It won’t cause much loss to our Yuchi family!”

After he stopped, Yuchi family’s patriarch waved his hand and had a very calm appearance.

“Mm! That’s true! It’s just the first immortal transformation tribulation!”

War god mountain’s elder nodded and responded, “this kid is too naïve. He wants to overturn the Yuchi race with just an immortal tribulation, Hmph! What a delusion! After he passes the Tribulation, we’ll personally take him down!”

“Hahaha! This kid ... Is really too naive!” The elder of the primordial chaos dojo also laughed. “Speaking of which, this kid’s life is really tough. He didn’t die even after that. It seems like he had a fortuitous encounter and obtained a piece of God spirit bone!”

As he spoke, he revealed a somewhat emotional expression.

“Hey! This kid’s luck has always been good, but this is good. No matter what treasures he has, they’re still ours! This kid was actually a very good person! You’ve come all the way here to give us treasures!”

The elder of war god mountain said.

“Hahaha!”

Everyone laughed, their expressions extremely relaxed.

They were just waiting for the immortal Ascension tribulation to end, and then they would split the treasures together.

That kid had so many treasures on him that it made them drool.

However, as they laughed, their faces gradually froze and they looked puzzled. Look, why is that lightning golden? is there a mistake?"

"Eh? That's strange! How could the lightning of the immortal Ascension tribulation be golden? That's not right! No matter what tribulation it is, it can't be golden!"

They discussed in low voices, all puzzled.

Boom! Boom! Boom!

The lightning became more and more intense, and streaks of golden lightning surged in the clouds like giant Dragons. A terrifying aura of destruction was born between heaven and earth.

"This aura ... Something is wrong!"

Everyone was a little panicked and their hearts were scared.

Suddenly, the elder of war god mountain seemed to have thought of something. His expression changed as if he had seen a ghost. He cried out in shock.

"That's ... That's a F * cking life Dao pillar! This is the world-ending lightning tribulation Kasaya!"

When everyone heard this, they were all stunned. Then, their faces suddenly turned pale.
