

The Mightiest Little Peasant Chapter 1500

Tang Hao walked to the well and peeked inside.

The ancient well was so deep that one could not see the bottom.

“At this rate, it’ll probably take another two days for something to come out!” Daoist Lingshan said from the side.

He was surprised to see Tang Hao’s curious expression.””Fellow cultivator Wang, this can’t be your first time here, right?”

“I’ll be honest with you,” Tang Hao said.”It’s true. I’m not from planet Dong Lin. I just arrived not long ago.”

Daoist Lingshan replied with an “Oh” and looked enlightened.

He wasn’t surprised. Planet Dong Lin was called the Holy planet and was the center of the entire Dong Lin astral world. All the Dao severing and immortal cultivators would come here.

When the people around them heard this, their eyes lit up and revealed a look of eagerness.

Heaven monarchs from other planets were the best targets to rope in. Furthermore, he was a mid-stage heaven monarch who had just arrived.

“Senior Wang, I’m from the five birds mountain. You’re new here, so you might not be familiar with this place! You can come to my five birds mountain!”

“Senior Wang, I’m from the Li clan. My li clan is one of the 3000 ancient clans. You can come visit my li clan!”

They rushed up and were extremely enthusiastic.

“Hey! Senior Wang, take this, this is my great lightning sect’s guest elder token!”

Someone squeezed through the crowd and handed over a token. It was simple and crude.

The others were all stunned, and then they came to a realization. Sit my ass, wasn't it more direct to stuff tokens in.

All sorts of guest elder tokens were stuffed into their hands.

"This ... I don't think there's a need!" Tang Hao was shocked by their enthusiasm.

"I want it! I want it!"

"Senior, it's fine. Just accept it first. Just treat it as fate!"

They insisted on pushing him over, and their enthusiasm was unstoppable.

"Alright then! I'll take it first!"

Tang Hao had no choice but to nod.

"What? There's a heaven monarch who just came from another star, and he's in the middle stage?"

Soon, the news spread and caused quite a stir.

More and more people came, fighting to meet this heavenly Lord Wang. They all wanted to be on good terms with him. For many small and medium-sized forces, they would be able to rest easy if they could get close to a middle-stage heavenly Lord.

In a short while, this place was filled with people. It was a sea of people and extremely lively.

These people came from various forces, including many famous elders of ancient clans and celestial sects. They also wanted to be on good terms with Wang Tianjun and build a relationship with him.

After all, he was a middle-stage heaven monarch, a giant in a region that no one dared to ignore. It was definitely right to get on good terms with him first and get familiar with him.

“Aiya! ‘Wang Tianjun, you’re really extraordinary!’ I’m an elder of the night race. Yes, yes, I’m from the night race. I’m very famous.”

“Wang Tianjun, I’m an elder of the rain clan. Whenever you’re free, you can come visit my rain clan. If you have any trouble, you can always come to my rain clan.”

The elders of the night clan, rain clan, and even ancient clans like the Lin clan had appeared. They fought to get in front of Tang Hao and make him their acquaintance.

“You’re welcome! You guys are too polite!”

“Definitely, definitely! If I have time, I’ll definitely pay you a visit.”

Tang Hao didn’t show any of that. He talked and laughed with these people.

For a time, the place was filled with laughter, and the atmosphere was very harmonious.

“Wang Tianjun? It sounds a little familiar!”

The few Lords of Heaven who had come to the great Xuan mountain to investigate had also come to the treasure Mountain. When they heard about this Wang Tianjun, they immediately thought of him.

They also rushed over and looked from afar. They were excited. It was indeed that senior!

“I know this Wang Tianjun! An expert!”

They were very excited and said to the people around them as if they were showing off.

Then, they tried their best to squeeze through the crowd and move forward.

“Senior Wang!”

“Senior Wang, do you still remember us? We meet again!”

They squeezed their way to Tang Hao, their faces red with excitement.

They didn’t know that he was a heaven monarch from another star. Now that they knew, they wanted to make friends with him.

Moreover, they felt that they had met this senior once before, so they definitely had an advantage over the others.

“Oh! It’s you guys!”

Tang Hao recognized them immediately.

“Senior Wang, you still remember us!” They were even more excited.

“Al! How do you know Wang Tianjun?”

At the side, many elders of the Gu family were puzzled and asked.

“Oh! I know, didn’t these few people go to investigate that boy surnamed Shi? They must have investigated the identities of those heaven monarchs and found out that it was senior Wang. ”

Someone suddenly said.

Then, he revealed a gloating expression.

This senior Wang had just arrived and his identity was unknown. When these people were investigating, they must have offended him.

He sneered, “you guys are blind. Can’t you see that senior Wang is a middle-stage master? How could it be that Shi guy? even a fool knows that it’s impossible!”

When the others heard this, they all roared with laughter.

They also knew that these people didn't know about senior Wang's cultivation level beforehand, but this didn't stop them from gloating.

"Exactly! How is that possible?"

"He's really too stupid!"

They all jeered.

The few of them blushed and argued, "We didn't know at that time!"

"Senior Wang has already forgiven us, so what are you all kicking up a fuss for!"

"Senior Wang is a broad-minded person. He won't be like you petty people who are calculative over every little thing! Senior Wang is a good person. Not only did he not care, he even told us to work hard to find that kid's whereabouts. "

The group laughed even more happily.

"Did you guys find it?"

They shouted.

The few people's faces turned even redder, and they stammered, "No... No! Aren't you guys the same! You didn't even find a single clue and you still dare to laugh at us!"

"That's not the same. We're not as stupid as you guys to trace it to an expert like senior Wang. "

Everyone laughed.

"No clues yet?"

Tang Hao finally spoke.

“Hey! Wang Tianjun, you don’t know! We have so many people, but we’ve been searching for him for seven to eight months, and we haven’t found a single clue.”

“Senior Wang, this boy surnamed Shi is very cunning. It won’t be easy to find him!”

Everyone said one after another, all frowning.

Because of this, they were laughed at by the world.

They had so many forces and spent so much time, but they couldn’t even find a single person. It was really embarrassing.

“Oh,” Tang Hao said, “that’s true! However, don’t be discouraged. As the saying goes, where there’s a will, there’s a way. As long as you don’t give up, there’s definitely hope!”

“Well said, senior Wang!”

“Senior Wang, we’ll definitely continue to work hard. We won’t stop until we find that brat!”

When everyone heard this, they were a little excited and touched.
