

The Mightiest Little Peasant Chapter 1568

“Who is this?”

“I don’t know him!”

The people around Tang Hao were pointing at him with disdainful eyes.

“Did you hear that? he called our Chairman Qin his wife. How disgusting!”

“I think! His brain was not normal! What kind of person is our Chairman Qin? why would he take a fancy to a pretty boy like him?”

They sneered in low voices.

In their eyes, Chairman Qin was a fairy-like figure. In the company, many people admired him, but they all knew that they were not worthy of him.

It was said that Mr. Qin already had a crush on the chairman of Haotian group. However, the man seemed to have disappeared for more than ten years. No one knew what had happened to him.

Over the years, many people had tried to take advantage of the situation, but Chairman Qin ignored them. He probably wouldn’t even spare a glance at a pretty boy like him.

“It’s true! You have to believe me!”

Tang Hao was not annoyed and continued.

Everyone rolled their eyes, thinking that this guy was really shameless. Who would believe this kind of nonsense?

“You’re here to make trouble, aren’t you? get lost!”

Someone shouted impatiently.

Tang Hao rubbed his nose.”My surname is Tang. I’m tang Hao. I’m sure you know me!”

“Tang Hao? Why does this name sound so familiar ...”

Many people revealed puzzled expressions.

This name was quite familiar, as if he had heard it somewhere before, but he couldn’t recall where.

“Haotian group!”

Tang Hao said.

“Haotian! Oh! I remember now. There’s a person named Tang Hao in Haotian group. He’s the missing Chairman.”

Everyone finally remembered.

They were all shocked. Tang Hao was not an ordinary person. As the owner of Haotian group, he had great power not only in Westridge but also in the whole of Huaxia. Moreover, he was the person that Chairman Qin used to like.

Could it be that this person had returned?

However, when they took a closer look, they were suspicious.

He was too young!

This guy looked twenty-one or twenty-two at most, while Tang Hao was at least thirty or forty years old!

“It can’t be him!”

“You don’t say, they really do look alike!”

Some people took out their phones and searched for photos of Tang Hao.

But then there was a problem. These photos were from 20 years ago. Who would not change their appearance for more than 20 years?

“Fake! It’s definitely a fake!”

They said with certainty, even feeling a little indignant.

This guy was too despicable. He was probably using his resemblance to Tang Hao to trick Chairman Qin!

Perhaps he would not only cheat her of her feelings, but also her money!

The men’s eyes were filled with hostility. Chairman Qin was their goddess. How could they let such a guy with bad intentions get close to her?

“Throw him out!”

“Right! Hurry up and chase him away! Throw this liar out!”

They shouted and rushed toward Tang Hao, trying to push him away.

Tang Hao did not know whether to laugh or cry. How did he become a liar?

He didn’t want to lower himself to the same level as these people. They were all Almighty immortal tribulations, and it wouldn’t be good to fight with a group of mortals. Otherwise, it would be embarrassing!

“Al! Why don’t you guys believe me?” Tang Hao was helpless.

“Bah! Believe your sister!”

“How can you be so shameless? who is Tang Hao? he’s a legend in the business world. If he were still alive, he would be the richest man in China. You’re just a pretty boy. How dare you pretend to be him? who gave you the courage?”

They were pushing and shoving as they cursed.

They only felt that this brat was too shameless. Where did he get the courage to impersonate such an awesome person?

Tang Hao’s expression turned strange. Were they scolding him or complimenting him?

In the blink of an eye, he was pushed to the door.

“What’s going on!”

At this moment, someone came from the elevator and asked when he saw the commotion at the gate.

“Chairman Qin!”

In the hall, everyone’s expression changed.

The people who were shoving Tang Hao stopped when they heard that.

Tang Hao was terrified.

“Chairman Qin, it’s nothing much. There’s just a scammer, and we were just about to kick him out!”

“A liar? Where did this scammer come from! What did he lie about?”

“He said his name is Tang Hao, the one from Haotian group. He looks a little like him, but he looks like he’s in his twenties. Tell me, if he’s not a scammer, what is he?”

Pada!

The person’s body trembled, and the document in his hand fell to the ground.

She raised her head and looked at him in disbelief. When her gaze passed through the crowd and landed on the young man, she froze and stared at him without even blinking.

She began to tremble, and a layer of mist gradually appeared in her beautiful eyes.

Tang Hao stood there and smiled at her. He felt sorry for her, but he also felt guilty.

The woman in front of him was still as charming and moving as she was fifteen years ago.

“I’m back!”

Tang Hao said gently.

She could no longer hold it in when she heard that. She sniffled and ran forward. Under everyone’s shocked gazes, she threw herself into Tang Hao’s arms and hugged him tightly.

Everyone was dumbfounded. Their eyes were wide open, as if they had seen a ghost.

Pada! Pada!

It was the sound of something falling to the ground.

They couldn’t believe their eyes at all. Chairman Qin, who usually didn’t care about any man, had actually jumped into the arms of this liar!

Those men’s hearts were about to break.

“Chairman ... Chairman Qin, he ... He’s a liar!” Someone mumbled.

“What liar!”

Qin Xiangyi stopped sobbing and chuckled. She grabbed Tang Hao’s hand tightly and did not let go. Her beautiful eyes curved into a beautiful Crescent as she looked at Tang Hao without blinking.

“Him? that’s the Tang Hao You guys are talking about. He’s also my Lil Tang!”

She pursed her lips and smiled.

“What? He is?”

“It can’t be!”

Everyone was stunned again, unable to believe what they had just heard.

The person in front of him was Tang Hao?

The legendary figure who created countless magical prescriptions, benefited countless people, and almost changed the world?

They trembled and almost peed their pants.

He was a legend!

They had actually disrespected such a person and misunderstood him. They wanted to throw him out.

They were extremely remorseful and wanted to slap themselves a few times.

At the same time, they felt a little aggrieved. The man was too young. Who would have thought that he was Tang Hao? if they had known, they would have tried to curry favor with him!

“I told you, why didn’t you believe me?”

Tang Hao said.

Everyone’s face twitched and turned red.

“Don’t blame them. You’re just too young ...” Qin Xiangyi chuckled.

Then, she pulled Tang Hao up and walked out.

“Al! Chairman Qin, your documents ...”

Someone picked up the document and shouted.

“No, I don’t want to work. Let’s go, Lil Tang!”

She grabbed Tang Hao’s hand and ran away in her high heels, leaving the group of people in a mess.
