

The Mightiest Little Peasant Chapter 1599

“What? That F * cking brat appeared? And it was trapped? Hahaha! The heavens have really opened their eyes!”

“Hurry! Let’s go send that little thief off!”

When the news spread, the entire mountain range was in an uproar, and everyone rushed over.

The people who were on the road and rushing to the mountain range heard the news and rushed over as if they were on steroids.

Speaking of Tang Ritian, who on planet South parting didn’t know him?

This man was despicable, shameless, sinister, and especially good at beating people from behind their backs. Over the years, countless people had fallen into his vicious hands, and countless sects had their treasure troves emptied by him. It was simply outrageous.

This little thief was The Public Enemy of planet South parting, and everyone had the right to kill him.

However, this little thief was quite capable and especially slippery. In order to deal with this little thief, they had organized countless encirclements and set up countless traps, but they had failed to catch him. Instead, they had been played by him time and time again.

Now, this little thief was finally going to suffer. It was simply the heavens opening their eyes.

At this moment, somewhere in the mountains, a black shadow was squatting in a corner.

His eyes were sneaky as he looked around.

A moment later, he fixed his eyes on a person. It was a Lord of heaven in the early stage of immortal realm. He was flying in from the outside and was about to go in.

“A fat sheep!”

His eyes lit up, and he raised an especially thick stick in his hand.

His figure flashed and disappeared like a ghost. The next moment, he appeared behind the Lord of Heaven.

The heavenly Lord immediately sensed it and turned around. He was shocked, and his face was twisted.

“You ... It’s you ...”

He cried out in shock, his soul almost leaving his body.

“Hehe! Of course, it’s me!”

Liu heihu grinned and swung his club.

Thump!

The heavenly Lord's eyes turned white and he fell to the ground.

"Wahaha! We've killed another fat sheep!" Liu heihu put the big stick on his back, squatted down, and started to search.

"Not bad! Not bad!"

After he was done looting, he stood up, satisfied.

"Hahaha! To be able to come up with such a good idea, I, the black Tiger, am indeed a genius!"

He patted his chest and said in a narcissistic manner.

What treasure light? of course, it was him. All the treasures in the Dragon King Mountain had been dug out by him. He only threw a few pieces of garbage to cheat people. He didn't expect that there were so many fools and they were so easy to fool.

He stripped the heaven monarch naked and threw him into a nearby ditch. Then, he picked up the big stick and continued to search for his target.

A moment later, he noticed that the atmosphere in the mountain was a little off.

"Eh? What's going on over there? Did something big happen?"

Liu heihu was confused when he saw those people running to the center of the mountain like crazy.

After listening carefully, his expression became strange.

Those people were all calling Tang Ritian and saying that he was trapped in the middle of the mountain. But how was that possible? Tang Ritian was him. Wasn't he perfectly fine here?

"I've really seen a ghost!"

He mumbled and prepared to investigate.

He immediately changed his appearance and followed the crowd to the center of the mountain range.

"Could someone be impersonating me? But that was impossible! Isn't this just looking for death!" He mumbled as he moved.

Soon, he arrived.

"F * ck!"

He looked up and was shocked. This place was packed with people. He had no idea how many people had gathered.

He subconsciously panicked a little when he saw this.

Perhaps it was because he was afraid of being hunted down, he subconsciously wanted to get up and run away, but he quickly realized what was going on.

“F * ck! They’re not here to kill me, what do I have to be afraid of?”

He gathered his courage and was about to squeeze forward.

“Wait, could this be a trap?” Suddenly, his expression changed, and he became vigilant.

After observing for a while, he heaved a sigh of relief. This situation didn’t seem like a trap.

“A! Move aside!”

He split the crowd and squeezed in.

There were too many people, and they were all squeezing forward. He spent a lot of effort to squeeze to the center. When he looked at the center, he was stunned.

F * ck! There really was someone who looked exactly like him.

Where did this idiot come from? he actually dared to impersonate him!

Liu heihu laughed.

However, as he laughed, he couldn’t laugh anymore. His entire body froze.

Wait a minute, this expression, this action, why is it so familiar, there’s a sense of deja vu, could it be ... Him?

Liu heihu’s expression changed.

His instinct drove him to run.

This guy was his natural enemy!

Liu heihu wasn’t afraid of anything, and he had never been defeated by anyone before. But this guy was like his nemesis. Every time he met this guy, he would be defeated.

He had fallen for too many things, and there was a shadow in his heart.

But then, he calmed down and muttered, “F * ck! What’s there to be afraid of? that was in the past. The current me is no longer the me of the past. The current me is not afraid of anyone! This bastard is the same!”

“This bastard is actually still alive and even ran here, Hmph! That’s good. The reason why I pretended to be him was so that one day, I could set him up!”

“Hahaha! You didn’t expect this, did you, Tang kid? To think that you would have such a day!”

Liu heihu was overjoyed and proud.

If it wasn’t for the fact that there were too many people here, he would have started dancing with joy.

He, Liu heihu, was finally going to take revenge for all the humiliation he had suffered.

“Down with Tang Ritian!”

“Tang Ritian, you bastard! You’ll die a horrible death!”

He took the lead and roared.

“Al! Brother, you’ve also been screwed over by him?” Someone beside him looked over and gave him a look of appreciation.

“Exactly! We’ve been screwed over badly!”

Liu heihu gritted his teeth, but he was showing his true feelings.

When he thought of all the humiliation and pain he had suffered in the past, he almost cried.

“Al! Brother, we’re all pitiful people. Today, we finally caught this little thief, so we must kill him!”

“Right! Kill him!”

Liu heihu shouted in excitement.

Under his lead, the crowd’s mood was getting higher and higher, and they were all shouting to beat Tang Ritian.

“Hahaha! This guy must be in a daze right now!”

Liu heihu shouted, feeling proud of himself.

This feeling of revenge was simply too satisfying!

But at that moment, Tang Hao turned around, looked around, and shouted, “I’m tang Ritian. So what? I’m not afraid of anything. Why would I be afraid of trash like you?”

“Come on! Who’s afraid of who! I might as well tell you that I’ve already emptied the Dragon King Mountain. I made that treasure light to trick you. Who knew you would really come? A bunch of fools!”

Tang Hao's tone was arrogant.

Liu heihu was stunned.

'Shouldn't this guy be depressed and panicking? he should be running now. Why is he still so arrogant and provoking these people?

Did he really not want to live?

One had to know that almost all the major forces on planet South li were gathered here. There were countless heaven monarchs hidden in this crowd. No matter how powerful this guy was, he couldn't possibly be a match for him!
