

The Mightiest Little Peasant Chapter 1602

The surroundings were deathly silent.

Everyone was dumbfounded, as if they were petrified.

They couldn't believe their eyes. The great ancestor of the eastern Shi mountain, a veteran Saint who had been a Saint for a long time, was actually no match for this little thief who had just advanced?

This was too ridiculous!

"It's ... It's fake!"

Liu heihu shivered and almost knelt down again.

F * ck! Just what had this bastard gone through all these years? how did he become so abnormal?

"Things are not looking good!"

He became nervous, and cold sweat broke out on his forehead.

"Fellow Daoist! Ai! We're all fellow Daoists of the same generation. If you can talk nicely, don't hit me!" Seeing that Tang Hao was about to charge over, the forefather of the eastern Shi mountain panicked and shouted hurriedly.

However, he was afraid. He didn't know what was going on with this little thief. He had suddenly become a saint, and he had become so fierce. Even he wasn't his match.

At this moment, another ray of light came from the horizon.

"Son of a B * tch, how dare you provoke my constellation mountain! Today, I'll exterminate you on behalf of Tian Xing Dao!"

The person shouted loudly with a righteous look.

"Ai! Old man xingxiu, wait a moment ..."

The forefather of the eastern Shi mountain shouted.

However, it was already too late. The constellation mountain's old ancestor rushed over with a murderous aura. With a wave of his hand, four flying swords were summoned and blasted out.

"Die!" Tang Hao shouted. He stabbed four times in the blink of an eye. With four loud explosions, the four flying swords were all sent flying.

The constellation mountain's patriarch was dumbfounded.

"I ... I've seen a ghost!"

He let out a strange cry, but it was filled with shock and despair.

He almost cursed when he looked at Tang Hao again.

You call this a recent promotion? What a joke! He was clearly a super old monster who was even more powerful than him!

“Heavens! Even the constellation mountain’s old ancestor wasn’t his match!”

“How can this F * cking little thief be so powerful?”

The crowd was in an uproar again. They were even more shocked.

“Son of Heaven, I’m here!”

At this moment, the sky poison mountain’s patriarch arrived. He was furious and filled with killing intent.

“Al! Old man sky poison, wait a moment ...”

The forefather of the eastern Shi mountain shouted again.

“What are you doing? You’re all here? Why aren’t you doing anything? how can we let such a Savage brat live? let’s join forces and kill him!”

The sky poison mountain’s old ancestor shouted and couldn’t wait to make a move. He took out a small black Cauldron. Black smoke rolled out of the cauldron and turned into countless flood Dragons that pounced forward.

The two patriarchs were speechless.

Then, they all sighed in unison.

Tang Hao did not use his spear. The Golden pattern between his brows opened, and the ancestor of technique’s divine eye opened wide. He shot out a beam of divine Light of Destruction.

Wherever the divine light reached, all the flood Dragons were torn apart as if they were dry weeds and rotten wood. Then, they bombarded The Black Cauldron.

The Black Cauldron trembled and flew back, crashing heavily into the sky poison mountain’s old freak’s chest.

The old monster groaned and fell back, heavily smashing into a mountain peak and sliding down in a sorry state.

“Cough cough!”

He clutched his chest and coughed violently. When he raised his head, his expression was one of fear. His eyes were wide open as he stared at Tang Hao.

Then, he looked at the other two patriarchs and screamed, "Who ... Who the hell is this?"

The two patriarchs rolled their eyes. How would they know who this guy was? he looked just like that brat RI Tian. However, it was impossible for him to be that brat because not long ago, that brat had just become a perfected immortal.

Even if that guy had taken a divine pill, he couldn't have become so powerful.

The crowd below also began to realize that something was wrong.

"Isn't this kid RI Tian? No way! He even admitted that he looks the same!"

They were getting more and more confused.

"I'm not the Tang Ritian you know!" "The Tang Ritian you know is just a fake," Tang Hao said.

"What?"

Everyone was shocked.

That detestable brat RI Tian was actually impersonating this person?

"No wonder!" Then, they came to a sudden realization. They finally understood why they had caught this kid this time. It turned out that they were not the same person.

But then, they were puzzled again. They thought to themselves, since it's not him, why did you admit it? You're an old senior, is it fun to play with us?

"So it was all a misunderstanding! Hahaha! Then it's fine!"

The three great ancestors heaved a sigh of relief.

"What do you mean by fine?" Tang Hao's face darkened. "They attacked me. That's disrespectful. The three of you attacked me too. We'll have to settle this score!" He said coldly.

The three of them were stunned, their faces full of astonishment.

"Come! This is a list. Each of you, take out one of the nine materials on it, and I'll let this matter go. Otherwise, don't blame me for being impolite!"

Tang Hao threw a list at him.

The three of them took a look, and their old faces twitched.

"Purple ... Purple gold Grand Duke? This is a rare spirit medicine, where can we find it!"

“Heavens! The fruit of fortune! This is a Supreme divine fruit that has long gone extinct. ”

The nine materials on this list, which one of them wasn't a rare treasure?

“No? Then don't blame me for being impolite!”

Tang Hao said coldly.

The three of them weren't stupid. They were all smart people. After thinking for a while, they realized why this senior had deliberately admitted it even though he clearly knew it was a misunderstanding. He was clearly trying to trick them!

“That's too sinister!”

“Damn it, why is this senior even more sinister than that little thief? this is too much of a scam!”

Everyone came to their senses and had the urge to vomit blood.

Initially, they thought that the little brat was cunning and cunning enough that day. However, they did not expect that the main body was even more cunning and cunning. Furthermore, his strength was so abnormal!

“Damn it, I knew that this bastard was up to no good. It turns out that he was just trying to extort a sum of money!”

Liu heihu's face twitched. He was extremely depressed.

He had originally wanted to trick this guy, but who would have thought that this guy would be so cunning, beating them at their own game, and ruthlessly trick these people instead.

The three patriarchs looked at each other, their old faces flushed red.

Although the spirit herbs on this list were rare, they were all top forces and had a few stalks. However, they were a little unwilling to hand them over just like that.

“Motherf * cker! I'm just unlucky!”

After struggling for a long time, they still admitted it.

“Senior, what a coincidence! There's a small piece of this purple gold taisui in my constellation mountain!”

“Senior, the three treasure Ruyi flower, my sky poison mountain just so happens to have it! Senior, please wait a moment, I'll get someone to go back and get it!”

After the three of them finished speaking, they called their elders back to retrieve the items.

“Very good!”

Tang Hao nodded. Then, his gaze swept across the crowd and landed on one of the people. He smiled and said, “Brother Liu, long time no see!”
