

The Mightiest Little Peasant Chapter 1632

“Say it!”

Tang Hao looked at the Tai-Shu elder in front of him with a mocking expression.

“No... No...”

The elder’s body trembled as his eyes widened in extreme fear. It was as if he had seen the most terrifying thing in the world.

This guy’s aura was too terrifying!

The feeling he gave off was the same as that of the head of the Tai-Shu family. However, how was this possible? the head of the Tai-Shu family was a Saint, an expert whose might shook the central sacred planet. He was also the divine Minister of the great Qin divine dynasty, with power that could rule the world.

And this guy, wasn’t he just a small character from Qi Yuan, that useless star!

The Tai-Shu clansmen on the side were stunned for a moment before they finally came back to their senses. Their expressions changed one after another, and they revealed angry expressions.

“Stop! Quickly put him down!”

“How dare you touch my tai-Shu family’s people!”

They all shouted.

“Put him down!”

The green-robed young master took a step forward and shouted sternly, “I admit that I was wrong. I didn’t see that you had some skills. However, no matter how powerful you are, you are no match for my tai-Shu family. If you cooperate obediently, I can spare your life. Otherwise, I will make you die without a burial place.”

“Woof! You’re quite arrogant!”

Tang Hao glanced at him and laughed.

“Hmph! My young master is a true dragon among men, a great genius whose name has shaken the central sacred planet. As for you, you’re just a pile of mud, and you dare to speak to my young master like this!”

“I think you’re the one who’s talking big. A mere trash from Qiyuan dares to go against my tai-Shu family! My family’s young master promised to spare your dog life because he was kind. Not only do you not appreciate it, but you also dare to be so presumptuous. You simply don’t know what’s good for you.”

Immediately, a few elders jumped out and scolded him sternly.

The young master smiled smugly. He put his hands behind his back and raised his head to look at Tang Hao.

“You, put him down!”

Tang Hao smirked. “I’m the type of person who doesn’t like to listen to threats. Also, what’s with the Tai-Shu family? are you all that powerful?” I really don’t care!”

With that, a menacing look appeared on his face. He clenched his fist, and with a bang, the elder of the Tai-Shu family was crushed to pieces. He didn’t even have time to scream.

Red and white blood splattered all over the deck.

Tang Hao’s face was also stained with blood, making him look like an Asura.

At this moment, there was a raging fire burning in his heart.

This group of people from the Tai-Shu family were simply disgraceful. Not only did they want to kill him and covet his treasures, but they also enslaved those cultivators. They didn’t treat those people as humans at all. They were completely inhumane and extremely vicious.

If he hadn’t seen it, it would have been fine. But now that he had seen it, he couldn’t just ignore it.

Moreover, he and this flame immortal both came from Qiyuan, so they could be considered to have some relationship.

Everyone in the Tai-Shu family was stunned and in disbelief.

The flame immortal was also stunned. He didn’t expect that the King of Qin would be so bold to kill the people of the Tai-Shu family.

“We’re finished!”

The blood drained from his face.

How overbearing was the Tai-Shu family? whoever killed their people would have to face a life or death situation. Moreover, the Tai-Shu family was extremely powerful, and there were as many experts as there were clouds in the sky. Once provoked, only death awaited.

He felt even more guilty and remorseful. If it wasn’t for him, Qin Wang wouldn’t have boarded this ship so easily, and things wouldn’t have developed to this point.

“You ...”

The green-robed young master was so angry that his face became distorted and extremely ferocious. "Men, take him down!"

"You have guts!"

Everyone in the Tai-Shu family was instantly enraged and furious.

How dare a mere ant like him kill a member of the Tai-Shu family? he was simply courting death!

"How dare you, Tang kid! Die!"

"Those who dare to offend my tai-Shu family will only face death!"

One figure after another rushed out, each of them with a sky-high aura. They cursed angrily and used all kinds of methods to attack.

"Be careful!"

The flame immortal cried out. There were so many powerful beings who had become Immortals, and there were even a few perfected heavenly Lords. How could the King of Qin hold them off?

However, the next moment, his cry came to an abrupt end. He froze there, his eyes wide open and his face full of shock.

However, he saw a scene that made him almost horrified.

"You're too noisy!"

In the face of so many heaven monarchs, the Qin King merely shouted softly. His voice was like thunder as it exploded. The sound waves spread out as if they were real, causing all the spell techniques to explode.

The figures all trembled as if they had been hit hard.

Some of the weaker ones spat out a mouthful of blood.

At this moment, their minds were blank and they could not react.

Then, the figure moved. It raised its foot and took a step forward.

The moment his feet touched the ground, the giant ship under him sank. With the landing point as the center, a terrifying aura swept out and covered the entire deck.

Ga la! Ga la!

The ship couldn't withstand the force and started to explode.

As for the people of the Tai-Shu family, they were all frozen in place. Their bodies seemed to be fixed in place, unable to move at all.

“What ... What’s going on?”

“My ... My body, why can’t I move?”

They screamed in fear.

They struggled with all their might, but the power that bound them was too strong. They could not break free at all.

“Pa da! Pada!”

Light footsteps could be heard.

They raised their eyes and looked forward, revealing a look of horror.

What was going on with this guy?

Didn’t he come out from that broken place at Qiyuan like tai-Shu Li? how could he have such terrifying power?

Monster! This was simply a monster!

It was extremely terrifying!

The young master in green had lost his arrogance. His face was pale and his body was shaking. If he had not been restrained by that force, he would have been paralyzed on the ground.

“Heavens! This guy ... Who was he? This aura ... It’s not a perfected heavenly Lord ... It’s ... It’s a Saint!”

He wailed in his heart, completely in disbelief.

A Saint actually appeared in a broken place like Qiyuan?

This was unbelievable!

And he actually wanted to Rob a Saint. How stupid was this!

He moved his mouth and wanted to beg for mercy, but he could not even open his mouth. He could only make muffled whimpers.

Tang Hao strolled over to him and stared at him coldly.”A true dragon among men? I think it’s just a worm!”

With a sneer, he reached out his palm and clenched it in the air toward the young master of the Tai-Shu family. With a few creaks, the young master in Green's body twisted as if he was being kneaded by a big hand.

First, his limbs were broken, then his flesh and blood exploded, and finally, even his divine soul was crushed.
