

The Mightiest Little Peasant Chapter 1637

“Your Majesty, please make your move!”

Tai-Shu Yuntian shouted in the direction of the Imperial Palace.

Very quickly, from the depths of the Imperial Palace, two sharp gazes peeked over and scanned the area.

The next moment, the void suddenly rippled, and two figures stepped out one after another.

The person at the front was a young man in a dazzling Golden Dragon robe. The person behind him was a burly man in pitch-black armor. He gave off a shocking, murderous aura. Both of them were sainthood experts.

“The Qin Emperor!”

Tang Hao’s gaze fell on the young man.

It was obvious that this person was one of the five sovereigns of the central sacred planet, the Qin Emperor.

He had heard many rumors about this person. It was said that when he was young, he was also an unparalleled monster. He had become a saint long ago, and his strength was unfathomable now.

The person behind him was definitely great Qin’s Marquis Wu.

Tang Hao was not unfamiliar with the structure of this dynasty. It was the same in Qiyuan, the fifth continent. He had come into contact with spirit emperors.

“Your Majesty, this fiend is too powerful. Your Majesty, please help us suppress it!”

Tai-Shu Yuntian said hurriedly.

He was overjoyed. The Emperor, Wu Hou, and himself would definitely be able to keep this guy here.

“Saint is here!”

“That’s great!”

There were also cheers below.

With an indifferent expression, the Qin Emperor looked around and then looked at tai-Shu Yuntian, saying, “Yuntian, let’s end this matter here!”

Tai-Shu Yuntian was stunned.

“Your Majesty ... This ...”

The crowd below was also stunned, and the cheers died down.

“Brother tai-Shu, let’s just drop this matter!” That Wu Hou also opened his mouth and said in a muffled voice.

Tai-Shu Yuntian was even more bewildered and confused.

What was going on?

This fellow had challenged great Qin’s dignity, so why was his Majesty not doing anything and asking him to let it go?

The Qin Emperor turned around and looked at Tang Hao with a kind smile on his face. He cupped his hands and said, “Alchemist Tang, nice to meet you! Nice to meet you!”

“Tang ... Alchemist?”

Tai-Shu Yuntian muttered to himself. He was a little confused.

As for the crowd below, they were already dumbfounded.

The dignified Qin Emperor, such a distinguished figure, would actually be so polite to someone. This guy...Who exactly is he?

“Alchemist ...”

Tai-Shu Yuntian mumbled to himself again. Suddenly, his body trembled violently. As if he had thought of something, his expression changed drastically, and he exclaimed, “It’s him?”

“That’s him!” The Marquis nodded.

Great-uncle Yuntian’s mouth was wide open as he stared at Tang Hao. He was incomparably shocked. This was The Alchemist Tang who had won the first place in the eternal elixir gathering and shocked the starry sky a while ago.

Today, this was the number one Alchemist on the alchemy roll, the most powerful Alchemist in the universe!

No wonder! His cultivation was so profound, and even the Emperor was so polite to him.

“So it’s him! So it’s him!”

He mumbled to himself and laughed bitterly.

He knew that he would never be able to take revenge for the Tai-Shu family.

He was the first on the eternal alchemy roll and a Saint. Such a peerless figure was on the same level as the Qin Emperor, so the Tai-Shu family couldn't touch him.

Moreover, the power of such a powerful Alchemist was too terrifying. It wasn't something his tai-Shu family could compete with.

Thinking of this, he broke out in cold sweat.

The death of the eldest young master and a few clansmen was not a big deal. At least they didn't suffer any serious injuries. If they really continued to fight, his tai-Shu family would be gone.

He was decisive. He cupped his hands and bowed deeply in Tang Hao's direction. "Sorry for the offense, Alchemist Tang! If I have offended you, please forgive me, Alchemist Tang!"

Seeing this, the people below were even more dumbfounded.

They had never thought that things would suddenly turn out like this.

"Alchemist Tang? Who is he?"

"Why is the clan head so polite to him? he's even a little afraid of him?"

The Tai-Shu clansmen were in an uproar.

The flame immortal was a little dumbfounded at this scene. The Qin Emperor, the Marquis, and the divine Minister of the great Qin were all so polite to the King of Qin, and even showed some respect to him. This was unbelievable.

"It seems that the Emperor of Qin has not only become a saint! I'm afraid that his alchemy Dao has also reached the acme of perfection, which is why he can obtain the respect of these people!" He sighed to himself.

"The Qin Emperor actually recognizes me!"

Tang Hao returned the gesture.

"Hahaha! Alchemist Tang, you've defeated Marquis Wutian and won first place in the gathering. Your name has spread all over the sacred planet. Everyone knows you now!"

The Qin Emperor laughed heartily and said, "I heard that you broke the ranking in one fell swoop, creating a miraculous result of more than 2.5 million. In the last round, you only used one day to refine a Supreme spiritual pill. All these achievements can be called legends!"

"You flatter me, Emperor Qin!" Tang Hao smiled.

The Qin Emperor laughed and glanced down, saying, "Alchemist Tang, what do you think about ending today's matter here?"

“Alright!” Tang Hao nodded. “However, I still need to ask for something from fellow Daoist tai-Shu!”

“Oh! What is it?”

The Qin Emperor asked in surprise.

“It’s like this. I have a friend whose soul and spirit were taken away by the Tai-Shu family. I’m here to get them back.” Tang Hao said.

After hearing this, the Qin Emperor’s expression turned a bit strange.

How could he not know that the Tai-Shu family was taking in slave Immortals? this kind of thing happened in many large clans. Usually, they would take away a soul and a spirit to control these slave Immortals.

“So it’s like this! This tai-Shu family is so unlucky!”

The Qin Emperor muttered to himself, feeling that the Tai-Shu family was really unlucky.

It’s one thing for you to take in a slave immortal, it’s not something to be proud of, but you actually dared to take in someone related to a Saint. Aren’t you asking for trouble?!

“I ...”

Tai-Shu Yuntian almost wanted to curse out loud. After all this, it was because of this?

A slave immortal was just a small matter, but he ended up like this!

“F * ck! I’m so unlucky!” “What are you waiting for?” he mumbled to himself. “You idiots, why are you still standing there? hurry up and take out the soul and spirit. Return them to Alchemist Tang’s friend respectfully!”

“Also! You bunch of idiots, go to the treasure vault, bring out a few boxes of treasures, and then send them over respectfully! And you, don’t just stand there. Go and apologize to Alchemist Tang and his friend until they’re satisfied!”

The more grand-uncle Yuntian shouted, the angrier he became. He was furious.

All of them were a bunch of trash who could not accomplish anything but were good at ruining things!

If he was smarter, there wouldn’t be so many problems!

The people of the Tai-Shu family were stunned for a long time before they woke up with a start. They wiped their cold sweat and hurried away.
