

## The Mightiest Little Peasant Chapter 1701

“Motherf \* cker!”

“F \* ck!” Gu tuo cursed.

The losses this time were too great. If they didn’t get Jin Lu’s body back, it would be a huge loss.

He immediately charged toward the thousand spirit sect with murderous intent.

Behind him, more people rushed up one after another. Their clothes were tattered, and they all looked miserable. They all cursed angrily and then rushed toward the thousand spirit sect with murderous intent.

Venerable myriad spirit was also among them, but he had long since changed his appearance. Although he was also a little disheveled, he was in a good mood. So many people had searched the entire place, but they had not found him. That elder must have run back to the sect.

“Too smart!”

Venerable myriad spirit couldn’t help but praise.

This elder was simply too powerful. First, he had successfully seized the corpse in the midst of the chaos. Then, he had used this cave to successfully shake off his pursuers. He did not even know that there was such a talent in his own sect.

“Amazing! It was too amazing! He’s really a talent. I’ll definitely reward him greatly when I return!”

Venerable myriad spirit was extremely excited.

He also followed the group and flew back to his sect.

He sneered in his heart as he looked at these people with murderous intent. He was somewhat disdainful. As long as the treasure entered his thousand spirit sect, there was absolutely no reason for him to hand it over. These people wanted to force him to hand over the treasure?

Buzzzzzz! In your dreams!

The thousand spirit sect had some Foundation and wasn’t afraid of these people.

He had already begun to fantasize about how he would deal with the corpse of the Golden centipede when he returned to the sect.

Soon, they arrived at the thousand spirit sect’s Mountain Gate. The formation had been activated long ago, and the old man Gu tuo and the others were surrounding the formation and cursing.

“Old man Wanling, hand over the item!”

“Whoever sees it will have a share, don’t even think about taking it all for yourself!”

Venerable myriad spirit approached the formation and wiped his face, revealing his true appearance. He laughed and said, “Hahaha! You bunch of idiots, you think anyone who sees it will get a share? Once the item enters my myriad spirit sect, it’s mine. You guys won’t get a single hair from it.”

With that, he rushed into the mountain Gate.

“Hahaha! It’s so cool!”

Venerable myriad spirit laughed as he descended from the main peak. Seeing a group of elders standing in front of the palace, he called out, “Where’s the treasure? Hurry up! Let me see. Also, where’s the great hero? which elder is he?”

“Reward! I must reward you greatly!”

When he landed, he saw that the group of elders all had hesitant faces, looking like they wanted to say something but stopped.

“What’s wrong?”

Venerable myriad spirit asked in confusion.

Shouldn’t snatching Jin Lu’s corpse be a joyous matter?

“This ... Sect master, didn’t you find her just now?” The first elder stood out and said hesitantly.

“No, I didn’t! Didn’t he come back a long time ago?” Venerable myriad spirit said.

The first elder laughed bitterly and said, “Sect master, please first take a look at how many elders are here!”

Venerable myriad spirit looked around. “Eleven? that’s right!” What’s wrong ...”

After he finished speaking, he was stunned and his entire person froze there.

There were only eleven elders in the thousand spirit sect, and they were all here. Who was the one who had seized the corpse? Since when did the thousand spirit sect have an elder?

“What ... What’s going on? Could it be that ... That person is a fake?”

Venerable myriad spirit said in a daze.

The great elder’s smile became even more bitter as he nodded. “It should be!”

Venerable myriad spirit stood there in a daze, as if a basin of cold water had been poured over him. He felt cold from head to toe, and his heart sank.

Then, his face twitched and revealed a ferocious expression. He clenched his Iron Fists tightly and made cracking sounds.

“Who is it? Who’s so bold!”

He roared at the sky, his hair standing on end and his old face turning red.

He had been played, ruthlessly played!

He had thought that it was really one of his own. He had even been extremely excited and had risked his life to cover for that fellow. However, he had not expected that it would be a fake in the end!

No one had ever been so bold as to pretend to be an elder of the thousand spirit sect and play with him!

“Bastard! Don’t let me find you!”

Venerable myriad spirit let out a shrill cry and stomped his foot, soaring into the sky. He frantically searched the surroundings, trying to find that bastard. However, he knew that it had been so long, and that the bastard had probably run far away.

“Ah, Yingluo!”

He couldn’t help but roar in anger. His roar was like thunder, echoing in the sky above the entire mountain range.

Upon seeing this, venerable Gu tuo and the others were a little puzzled. Shouldn’t this old man Wan Ling be ecstatic? why did he look like he was mad with anger?

“Old man, don’t play the fool. Quickly hand over the treasure. I’m not going too far, half is enough!” Gu tuo said coldly.

“Half? Hahaha!” Venerable myriad spirit laughed like a madman.

“Fake! It was all fake! I’ve been played, you’ve been played, everyone’s been played!”

“We were tricked? Old man, what are you talking about?” Venerable Gu tuo was confused.

“Woof! Old man Gu tuo, you still don’t understand. That guy is a fake, he’s not an elder of our thousand spirit sect. He has successfully fooled everyone and has now taken Jin Lu’s corpse far away. ”

Venerable myriad spirit said.

“What?”

“It can’t be?”

The Saints were all shocked.

They found it hard to believe that the fellow was actually a fake elder of the thousand spirit sect. Who would be so bold as to impersonate an elder of the thousand spirit sect?

“It’s up to you to believe it or not!” “Hmph!” Venerable myriad spirit snorted angrily. “All eleven elders of my myriad spirit sect are here. Take a look. Is the one from just now here?”

Everyone looked at him carefully and frowned.

Before this, none of them had clearly seen what that person looked like, but they had a vague feeling that he didn’t look like any of the eleven people.

“Could it be true? No way! How bold must he be? isn’t he afraid of being exposed on the spot?”

Everyone was still in disbelief.

Now that he thought about it, the situation was still a little unbelievable. He pretended to be an elder in front of a group of people from the thousand spirit sect and asked them to help him cover and seize the treasure. How bold and cunning was he?

“If it’s true, then it’s incredible. One person has played us all!”

“Who is it? You’re so bold!”

They couldn’t help but exclaim in shock.

They had never seen such a bold and cunning person.

“It’s actually fake?” Gu tuo was in disbelief as well. He had always believed that the elder was from the thousand spirit sect, but it turned out to be a fake.

Then, his face darkened and became extremely ugly.

If the person was fake, didn’t that mean that the item was gone?

He had paid such a huge price, but in the end, he didn’t even get a fart?

“Preposterous! Preposterous!”

He was so angry that his entire body was trembling, and his old face was livid.

“Who is it?”

“It’s strange. How did that guy escape?”

The crowd began to discuss.
