

## The Mightiest Little Peasant Chapter 1757

“Over there!”

“He’s gone again!”

In the demonic Star Mountain, everyone was chasing after that precious light.

However, what made them depressed was that this treasure light was extremely smooth and kept changing directions. Even a third tribulation Saint couldn’t catch up.

“What kind of beast is it? how can it be so fast?”

Everyone was a little confused.

As time went by, more and more people rushed over and joined the chase. There were more and more Saints among them. From time to time, beams of magnificent celestial light could be seen in the sky. They were All Saints.

Moreover, many of them had their primordial spirits. They were all second and third tribulation saints.

These primordial spirits shuttled through the sky above the mountain range, chasing after the beam of treasure light.

However, what shocked them was that even with the speed of their primordial spirits, they could not catch up to the treasure light.

“It should be a strange beast that knows the void god art. Every time it changes its direction, it will be shuttling through the void!”

“That’s right, it’s definitely a void-type beast, a rare treasure beast! As long as we can dig out its bones, we can refine it into a void treasure!”

The Saints were getting more and more excited.

Void-type treasures had always been extremely rare and were the rarest of all treasures. As long as one had a void-type treasure, it would be very easy to seize treasures or escape.

“A beast of the void?”

In the sky, another majestic immortal radiance swept over, and the figure of an old man appeared. He was thin and slightly Haggard, and his face was thin and sinister. It was sovereign Gu tuo.

When he heard the discussion below, his eyes flashed with greed.

He just happened to be lacking a void treasure, and he didn’t expect this treasure to deliver itself to his door!

“Let me see what kind of beast it is!”

Immediately, he activated his spiritual eyes and shot out two beams of golden light towards the treasure light.

“What?”

But then, he let out a soft “Yi” and was a little surprised. Even when he used his spirit eyes, he couldn’t see through the treasure light. He could only vaguely see a black shadow inside.

“It must be an extraordinary beast!”

His heart was burning with passion.

He lowered his body and joined the group in pursuit.

“Old man Gu tuo!”

Soon, the other Saints noticed him, and their expressions changed.

This old man Gu tuo was a ruthless character with a notorious reputation. In terms of strength, he was one of the best among the three tribulation saints in this area.

“Old man Gu tuo, what are you doing here?”

Venerable myriad Spirit’s expression changed as well. This old man Gu tuo’s strength was not much different from his. With this old man’s arrival, his chances of snatching the exotic beast would be greatly reduced.

“What? can’t I come?” Gu tuo sneered. “Demon Star Mountain isn’t the thousand spirit sect’s territory. I can come and go as I please. It’s none of your business!”

“Hmph!”

Venerable myriad spirit snorted angrily and fell silent.

The two of them could be considered old rivals, so there was no point in saying more. When the time came, they would snatch it with their own abilities.

“This strange beast is really cunning!”

After chasing for a while, venerable Gu tuo was a little depressed.

“Exactly! If it was so easy to catch, I would have caught him long ago! Would I have waited for you to come?” Venerable myriad spirit said with a sneer.

Venerable Gu tuo laughed and did not say anything else.

A group of Saints 'primordial spirits chased after the treasure light. They ran all over the mountain range, and from time to time, they would disturb the overlords of the mountains, causing a commotion.

After a few hours, the light suddenly disappeared.

"Where did he go?"

All the Saints were stunned.

"Over there, I think!"

Venerable myriad spirit scanned his surroundings and confirmed the location where the light had disappeared. He rushed over, but when he arrived, he was stunned.

Everyone rushed over and took a look, but they were also stunned and somewhat startled.

They were all too familiar with this place. It was the place where they had been tricked the last time, and also the place where they had been humiliated.

In an instant, their expressions became unnatural, and many of them blushed. They all remembered what had happened before. They were a group of Saints, but they had all been deceived by such a simple trick.

This was truly humiliating!

Many people gritted their teeth, and their eyes were filled with hatred.

It was because of this that they had been secretly ridiculed by the world for a long time, damaging their reputation.

Many people's hearts skipped a beat as a strange feeling rose in their hearts. Vaguely, they felt that this matter was a little strange. Why was it this cave again? it seemed to be too coincidental.

"What a coincidence!"

Someone muttered.

Everyone hesitated. This was indeed a coincidence. Previously, they had been deceived by that bastard and rushed into the cave. In the end, they had been tricked. Now, the void beast had also entered the cave. What a coincidence!

"That ... Was just a coincidence!"

Venerable myriad spirit said after some thought.

"That's true! It must be a coincidence. Think about it, if we surround it from the sky and the ground, where else can it run to? it can only run here." Someone echoed.

“Yes, yes!”

Everyone nodded in agreement.

After thinking about it carefully, there was nothing suspicious about this. It was just that they had been screwed over the last time, so they had a shadow in their hearts when they saw this cave.

In an instant, their doubts were all gone, and they were all relieved.

Then, they looked at each other and blushed. They were All Saints, and many of them were at the second or third tribulation. They could be considered experts, but they were so timid. If this news got out, they would become a joke.

“Hmph! I really don’t know what you people are afraid of. There are so many of us, who would dare to trick us! That guy was too cunning last time, and we were too careless. That’s why we were tricked. Who else can trick us now?”

Venerable myriad spirit grumbled with a disdainful look on his face.

“If you’re not going in, then I’ll go in first! Don’t regret it if I catch you first!”

With that, he took the lead and rushed into the cave.

The group of Saints immediately became anxious. They rushed into the cave and began to search for traces of the strange beast.

“I found it!”

After traveling through the cave for a while, venerable myriad spirit suddenly revealed a look of pleasant surprise. He had sensed that the exotic beast was fleeing not far below.

“Where are you running to?”

He let out a loud shout and directly passed through the rock formation, pouncing towards the strange beast.

“Don’t run!”

The other Saints also pounced down. They all used their primordial spirits, which could directly penetrate the rock layer. They descended in all directions and surrounded the strange beast.

“It’s mine, don’t snatch it!”

Venerable Wanling let out an angry roar. With a wave of his sleeve, countless beams of light shot out and swept toward the others. He then reached out to grab the ball of light.

“Hmph!”

The rest of the Saints naturally did not want to be outdone. They all made their moves and grabbed at the ball of light.

In an instant, a chaotic battle erupted.

The vital spirits of the Saints returned to their bodies, and they began to fight with their tribulation weapons.

After a moment of intense fighting, a Saint seized the opportunity to rush to the center and grab the light.

“Hahaha! The treasure is mine!”

His face revealed an expression of extreme ecstasy.

However, in the next moment, when he grabbed the ball of light, his wild joy froze. His entire body froze as if he had been struck by lightning. He could only stare blankly at the object in his palm.

“Not good!”

Noticing this person, the other Saints’ expressions changed. They all turned around and wanted to rush over to stop this guy.

However, when they saw it clearly, their bodies trembled and they were dumbstruck.

What was in that guy’s palm was just a chicken, and it was a F \* cking puppet that had been refined by someone!

“I’ve been tricked!”

This thought instantly flashed through everyone’s minds, causing their expressions to change drastically.
