

The Mightiest Little Peasant Chapter 1758

“A ... A chicken?”

Venerable myriad Spirit's eyes were as wide as bronze bells, and he was completely dumbfounded.

He couldn't believe that the so-called void beast was just a chicken or a puppet!

Then, his face twitched and turned ashen. His whole body was trembling.

He was beyond furious!

He understood that he had been tricked again! Someone must have made this on purpose to play with them, and they had fallen for it stupidly. They had really treated this thing as a treasure and chased it for so long.

“Preposterous! Preposterous!”

He gritted his teeth so hard that his teeth were about to break.

“Who is it? Who did this?”

He roared in anger.

Everyone was also extremely angry. They had originally thought that this was really a treasure, but they didn't expect it to be trash. It was simply a trick!

At the same time, they were even more alarmed and vigilantly looked around.

They were all second and third tribulation saints, so it wasn't easy to trick them. The one who could make this puppet was definitely not an ordinary person. What was his purpose? Was he simply toying with them, or was he trying to deal with them?

“Which fellow Daoist is joking with us?”

Gu tuo shouted in all directions.

Since the puppet had tunneled underground, the true owner must be in the cave as well.

As soon as he finished speaking, he heard the sound of footsteps coming from the passage beside the cave.

Everyone grimaced and turned in that direction.

Soon, a figure walked out of the cave and entered their sight. After seeing him clearly, most of them looked confused, but only the people from the thousand spirit sect were shocked.

“It's you!”

Venerable myriad spirit blurted out in disbelief.

Wasn't this the guy who had tricked him and stolen half of his immortal veins?

But didn't this guy run away a long time ago? he had been chasing after him for so long and still couldn't catch him, so why did this guy still dare to come back?

After a moment of shock, his face twitched and turned red.

He was so angry that he almost vomited blood. Last time, he was ruthlessly played by this guy. This time, it was actually this guy again. He was ruthlessly played by this guy again!

"Bastard!"

He gritted his teeth and trembled with anger.

"Who is this guy?"

The other Saints were confused.

"It's the guy who tricked us before! He's back!" Venerable myriad spirit said hatefully.

"What? It's him?"

Everyone was shocked.

Then, their faces turned red and they almost vomited blood.

Last time, they fell for this guy's trick and were played by him. They didn't expect to fall into this guy's hands again.

Furthermore, they all fell in the same place.

But at the same time, they were also relieved. Since it was this guy, then there was nothing to worry about. This guy was just a second tribulation, he could not pose any threat to them.

"Good fellow! You still dare to come back!"

"Bastard! You caused us so much trouble last time, so let's see how I'm going to deal with you this time!"

Their faces were grim and murderous.

He had let this guy escape last time, but this time, this guy had delivered himself to his door, so there was no reason to let him go.

With so many of them, killing this fellow would be a piece of cake!

If this guy still dared to come back, he would be seeking his own death!

Tang Hao walked out of the passage and looked around. His expression was calm.

“All of you ... Get out of my way!”

“Kill!” He shouted coldly. His eyes were like arrows as they pierced toward Gu tuo.

The reason why he went through so much trouble to set up this trap was to kill this old man Gu tuo.

This old man had set him up and wanted to refine him into a pill. He had to take revenge!

Also, this old man was guarding the entrance of the passage and had been deliberately harming people from the lower world. If the Qin Emperor or anyone else came in from the passage in the future, they would also fall into the hands of this old man. Therefore, he must kill this old man first!

“Yo! What a big tone!”

When the crowd heard this, they immediately sneered.

This guy was really arrogant. He was just a second-tribulation Saint, and he dared to talk to them like that.

On the other hand, Gu tuo frowned and looked puzzled.

This guy seemed to be coming for him, but he didn't know this guy!

The last time they fought for Jin Lu's body, it was this guy who tricked him. He should be the one looking for this guy. Why was it the other way around?

“What's wrong? You've already forgotten me?”

Tang Hao stared at him and laughed coldly.

“And you are?”

Venerable Gu tuo was even more confused. From his tone, this fellow seemed to have a huge grudge against him.

“Didn't you once want to refine me into a pill?”

Tang Hao said coldly.

Gu tuo was stunned and then exclaimed, “It's you!”

He was a little shocked, but he had never thought that this was the fellow from the lower realm.

Then, his face sank and revealed a ferocious expression.

He had been looking for this guy for a long time. Back then, he had tried to refine this guy but failed. Instead, this guy had escaped and even emptied the entire Valley. All his precious spirit herbs had been taken away by this guy. This bastard didn't even let go of the thatched cottage.

After that, he looked for this guy everywhere, but he couldn't find him. He didn't expect that this devil Star Mountain was actually hidden here.

"Alright! So it was you! Hahaha! It's really easy to find it after a long journey!"

He laughed out loud, overjoyed.

"All of you, get out of my way! This guy is mine!" He shouted in all directions.

The other Saints were all surprised. These two actually had a grudge against each other. They'd heard that this old man Gu tuo liked to use people to refine pills, but they'd never heard that one could escape once targeted by this old man.

"To be able to escape from old man Gu tuo, this fellow is quite capable!"

"Hey! This guy had always been cunning! No wonder that old man Gu tuo also failed, but this time he delivered himself to the door, isn't he courting death!"

They sneered again.

Old man Gu tuo was a third tribulation Saint with a notorious reputation. How could a mere second tribulation Saint be his match!

Gu tuo was also disdainful. Then, he seemed to have thought of something and turned around, scanning his surroundings vigilantly.

This guy was extremely cunning. He had spent so much effort to lure him over, so he must have set up some kind of magical formation to kill him!

Although this guy is only at the 2nd tribulation, it will be quite troublesome if the formation is added.

"Don't worry, there's no formation!" Tang Hao said.

Gu tuo was stunned. He did not believe it.

"It's easy to deal with you. I don't need any arrays!"

The next sentence made him furious.

"You have guts! A mere second tribulation dares to be so arrogant in front of me!"

“Die!” He shouted and instantly attacked. He raised his palm and a huge handprint condensed, wrapped in the extreme Yin and extreme cold Qi, and slapped.

“Second tribulation? Buzzzzzz! Who said I’m at the second tribulation!”

Tang Hao smirked coldly. He stomped his foot on the ground, and a powerful aura burst out of his body. It was like a tsunami that swept in all directions.

Under this terrifying aura, the cave walls began to shake and collapse.

The surrounding Saints trembled from the impact. Those at the third tribulation were better off and immediately stabilized themselves, while those at the second tribulation were forced to take a few steps back.

They were shocked and terrified.

This aura ... How was it the second tribulation!

This was clearly the third tribulation!

This guy was also a third tribulation Saint!
